---

**ACCOUNTABILITY REPORT** – a process where data-based measures are used to provide information on institutional performance. Accountability Reports, published by the Florida Community Colleges and Technical Center Management and Information System (CCTCMIS), contain fall cohort benchmark measures calculated from data submitted by Florida State Colleges. These reports include prior year high school graduate enrollments, student retention and success, performance indicators for degree graduates who transfer to state universities by college prep and non-college prep, and vocational program placement.

**AGE**

- **Mean Age** – the age obtained by computing the arithmetic average of all the Valencia students' ages.
- **Median Age** – the 50<sup>th</sup> percentile, obtained by creating a list of the ages of all the students in numerical order. The total number of students is divided by 2. The resulting quantity (rounded up to the next integer value if necessary) will be called position X. Starting from either end of the list and counting up or down to X, the middle age is found, corresponding to position X. That is the MEDIAN. For example, if there were 7 students and the list of their ages looked like this: 17 17 18 18 18 19 19, the median would be 18 (the second of the three 18s, in the fourth, or middle, position).

**ALTERNATIVE DELIVERY** – all modes of instruction other than traditional course delivery and may include web-enhanced, hybrid, online, and computer-assisted. The intent of alternative delivery courses is to provide flexibility to students who are attempting to balance work, family and college, and still reach their career and academic goals.

- **Hybrid/Blended Course** – a course that blends online and face-to-face delivery. A certain percentage of course instruction is delivered via electronic means and a certain percentage of instruction is conducted face-to-face. *(Some hours are spent in the classroom with the rest being completed online.)*
- **Online Course** - a course where all of the content is delivered online using the college approved Course Management System. *(All class meetings and coursework occur online. Proctored testing may be required.)*
- **Web Enhanced/Facilitated** – a course which may use web-based technology to enhance a face-to-face course. Uses a Course Management System (CMS) or web pages to post the syllabus and assignments. *(All meetings are face-to-face.)*

**APPLICATION and ADMISSION** – the process of completing and submitting an application to attend Valencia. Specific criteria must be met before an applicant is admitted to Valencia (see page 20 & 21 of Valencia Catalog).

- **Applied Student** – one who completed Valencia's application.
- **Admitted Student** – a student whose application has been reviewed and accepted but may not have already registered for classes at Valencia.
- **Active Student** – a student who has enrolled in credit courses at Valencia within the past 24 months.
- **Enrolled Student** – a student who registered for one or more courses.

**ARTICULATION** – a State Board of Education rule that establishes provisions to facilitate the smooth transition of students through the various levels of Florida's educational system.

**AtD (Achieving the Dream: Community Colleges Count)** – is a multiyear national initiative to help more community college students succeed. The initiative is particularly concerned about student groups that traditionally have faced significant barriers to success, including students of color and low-income students. Achieving the Dream is working to help more students earn certificates or degrees that open the door to better jobs, further education, and greater opportunity. Valencia's participation in AtD ended in 2009 the knowledge gained and the criteria used during the AtD process is often used for Valencia's internal reporting.
