

# Tech Express Articulation to Valencia Energy Management & Controls Technology A.S. Degree

with Osceola Technical College [HVAC/R or Electricity Programs](#) for up to 9 credits earned college credits as shown below

*(Please see EMCT Career Program Advisor for A.S. degree and/or technical certificate course scheduling options.)*

**Criteria for Award of Credit:** Students completing an articulated program at Osceola Technical College (oTECH) can earn Valencia College (VC) credits in the articulated Associate in Science degree by satisfying the following criteria: 1. Prior to graduation, it is recommended that you meet with your campus Tech Express to Valencia advisor; 2. Complete required technical college program at oTECH; 3. Complete approved assessment(s) listed below for award of credit; 4. Enroll and attend Valencia College after technical college graduation. Valencia will award Tech Express credits up to three years after technical college graduation. Beyond three years, exceptions will be considered if students can demonstrate current industry knowledge (e.g., employer letter); 5. Provide documentation required for approved assessment(s) to VC Career Program Advisor or Program Chair for articulated A.S. degree. Upon completion of evaluation process, credit will be awarded after drop/add date.

## Course Equivalency in Specialized Courses:

oTECH Articulated Program	Assessment for Award of Credit	VC Course and Credit	Earned Credit Potential	VC A.S. Degree
HVAC/R 1 & 2 (750 + 600 hours = 1350 total hours)	HVAC/R Specialization <i>Advanced Service Practices</i> { <u>Current</u> and <u>valid</u> copy of required EPA 608 Universal Certification	ETM 2943 Energy Mgmt. & Controls Technology Practicum (6 credits)	6 credits	VC A.S. Degree
HVAC/R Specialization <i>Advanced Commercial &amp; Industrial</i>	{ <u>Current</u> and <u>valid</u> copy of required EPA 608 Universal Certification	ETM 2943 Energy Mgmt. & Controls Technology Practicum (9 credits)	9 credits	Energy Management & Controls Technology
Electricity (1200 Hours)	{ <u>Current</u> and <u>valid</u> copy required of the following industry certifications: 1) NCCER Core Curriculum Certification <b>and</b> 2) NCCER for Electricity Level 1 Certification.	ETM 2943 Energy Mgmt. & Controls Technology Practicum (9 credits)	9 credits	Energy Management & Controls Technology
