**What are you doing today?**

I am reporting plan results / improvements / and impact.

**Outcome**

Students will be able to:

106 of 500

---

**How many faculty/staff do you expect to administer the assessment?**

**How many students do you expect to assess?**

**What percent do you expect to achieve at or above satisfactory?**

**What do you hope to see in the results of your assessment specific to student knowledge/skills?**

**How do you define satisfactory?** (For example - an average score of 85% or the number of students who are rated 3 or above on a rubric or are at the level of "accomplished" etc.)

**Assessment Method(s)**

**Findings**

**How many faculty/staff administered the assessment?**

**How many students were assessed?**

**What percent achieved at or above satisfactory?**

**If applicable...approximately how many students will complete your program this year?**

Did the results match or exceed your expectations regarding achievement? **No**

**Improvement Plan: Learning, focused on... (Select all that apply)**

- Student application of concepts
- Student application of skills
- Student understanding of skills
- Student understanding of concepts

**Improvement Plan: Student Learning**

**Improvement Plan: Instruction (Select all that apply)**

- Addition of experiential learning (like fieldwork activities)
- Addition of group work
- Addition of lecture
- Addition of strategies related to critical thinking skills
- Addition of technology for academic purposes
- Changes made to experiential learning
- Changes made to group work
- Changes made to lecture
- Changes made to strategies related to critical thinking skills
- Changes made to technology for academic purposes

**Improvement Plan: Instruction**

**Improvement Plan: Program Courses**

- Added a course
- Changed a course
- Removed a course

**Improvement Plan Additional: Program Courses**
