Dear Friend,

As a valued and respected business owner in the Orlando area, we are inviting you to take part in a very special event, Tina’s Turn Out, on September 15, 2012 at Lake Eola Park. This event is in memory and celebration of Tina Collyer’s life, which was cut unexpectedly short in October 2008 due to a puzzling illness. Tina was an extraordinary person, who gave from her heart to all those around her and beyond. An alumnus of Valencia College, Tina loved being a firefighter, EMT, and paramedic with the Orlando Fire Department. She dedicated many hours to leading the Explorer program, which shows teens firsthand the opportunities available in a fire service career. To keep Tina’s spirit alive, we have created the Tina Collyer “Tina’s Heart” Memorial EMT Scholarship at Valencia College. After enough money is raised to endow the scholarship, it will be available every year for a deserving Explorer who wishes to enter the EMT Program at Valencia. This event, Tina’s Turn Out, will raise money for the scholarship through donations for registration and via sponsors like you. On September 15, 2012, Tina’s family, friends, fellow firefighters, Explorers, Valencia alumni, and anyone wishing to celebrate Tina’s life will gather at Lake Eola Park and walk around Lake Eola to remember Tina and to keep her legacy alive. Please consider being a part of this wonderful day.

The first twenty sponsors who donate $100 or more will have their business logo imprinted on the back of the commemorative event t-shirt.*
