MAXIMUM AWARD OF CREDIT

This agreement makes it possible for a student to receive six (6) semester hours of college credit for the MSSC Certified Production Technician Certification towards the Electronics Engineering Technology A.S. degree or Technical Certificate programs at Valencia Community College which is in accordance with commonly accepted good practice in higher education.

EDUCATIONAL PROGRAM

Valencia’s faculty and staff who have responsibility for the supervision and coordination of the Electronics Engineering Technology program have assessed the adequacy of the documentation and determined that the learning outcomes, performance standards, and assessment procedures of the certification meet the college standards for college credit course work and that the learning outcomes are consistent with the course work in the A.S. Degree or Technical Certificate programs being articulated.
AWARD OF CREDIT PROCESS
The transferring student requesting credit must furnish a copy of the MSSC Certified Production Technician award certificate. To have the courses reported on the official Valencia Community College transcript, students must:

1. Meet regular College entrance requirements.
2. Complete the College Application and pay the College Admission Fee.
3. Be accepted into Valencia within three years of earning the MSSC Certified Production Technician Certification.
5. Comply with the appropriate placement, course prerequisites and requirements of the college.
6. Successfully complete course work with a "C" or better at Valencia while currently enrolled on either a part-time or full-time basis for one academic term to have the credit awarded on the official college transcript.
7. The Dean of Engineering and Technology and the Program Director for Electronics Engineering Technology, on the West campus at Valencia, will evaluate the student's record (certification), determine the eligibility and notify the Registrar's Office of acceptable credit to be transferred and awarded.

TERMS OF AGREEMENT
This agreement applies to students who have earned the MSSC Certified Production Technician Certification. The agreement will be reviewed as needed and it shall remain in effect until either party identifies a need for revision.
