AWARD OF CREDIT
by
VALENCIA COMMUNITY COLLEGE
for the
Registered Technologist in Radiography R.T. (R) Certification

To provide career opportunities for students in career and technical education programs, Valencia Community College agrees to award 54 college credits for Radiography course work to eligible students who currently hold the Registered Technologist in Radiography R.T. (R) Certification from the American Registry of Radiologic Technologists (ARRT) and who have completed the required General Education and other course work for the Radiography Associate in Science Degree at Valencia Community College. Once the requirements for the awarding of the 54 credits of Radiography course work have been met, there will be no additional cost for the awarding of the 54 credits.

MAXIMUM AWARD OF CREDIT
This agreement makes it possible for a student to receive fifty-four (54) semester hours of
college credit for the ARRT Registered Technologist in Radiography R.T. (R) Certification
towards the Radiography A.S. degree program at Valencia Community College which is in
accordance with commonly accepted good practice in higher education.

EDUCATIONAL PROGRAM
Valencia’s faculty and staff who have responsibility for the supervision and coordination of the
Radiography program have assessed the adequacy of the documentation and determined that the
learning outcomes, performance standards, and assessment procedures of the certification meet
the college standards for college credit course work and that the learning outcomes are consistent
with the course work in the A.S. Degree program being articulated.

AWARD OF CREDIT PROCESS
To have the courses reported on the official Valencia Community College transcript, students must:

1. Meet regular College entrance requirements.

2. Submit a completed Valencia Application for Admission and pay the application
fee; satisfy the requirements for Degree-Seeking Status, including submission of all
official transcripts, and be in Active Student Status.

3. Have a minimum overall college GPA of 2.0, including transfer work.

4. Submit documentation of valid ARRT Certification as a Registered Technologist in
Radiography R.T. (R). Certification must be valid when beginning preparation for
the Award of Credit and at the time the Award of Credit is posted to the student’s
official transcript.

5. Declare a major in the Radiography A.S. degree program.

6. Comply with entry testing, course placement, and course prerequisite requirements
of the college.

7. Complete with a grade "C" or better each of the six identified General Education
courses, plus CGS 1060. To meet the degree residency requirement, at least 20 of
these credits must be completed at Valencia Community College.

8. The Program Director for Radiography and the Dean of Health Sciences on the West
campus at Valencia, will evaluate the student's record, determine the eligibility and
notify the Registrar's Office of acceptable credit to be awarded.
