SENIOR CITIZEN TUITION WAIVER / CERTIFICATION FORM

The state of Florida has approved legislation that waives the tuition up to maximum of 6 credit hours per term for persons 60 years of age or older who are residents of the state of Florida and who attend classes for credit. This privilege may be granted only on a space-available basis (F.S.1009.26 4).

The admissions application fee and other special fees (music practice fees, insurance fees, technology fees, laboratory fees, etc.) are not waived.

Students who wish to take advantage of the above policy agree to the following:
1. Registration will be on a space-available basis only. You may register as a credit seeking student (college credit awarded upon successful course completion) or as an audit seeking student (not eligible for a grade or college credit).
2. Senior Citizens registering for college credit courses are governed by the same rules and regulations and may take advantage of the same services and activities provided for all students.
3. Once the Change from Credit to Audit Deadline has passed for the term, you may NOT change from audit status to credit status or credit status to audit status.
