**Website: *imathas.valenciacollege.edu***

**Below is the screen shot of the IMathAS page you should see after sign-in.**

**To begin working CLICK on the course name.**

What to expect after you pick one of the 7 Modules below.

1. You will have a PreAssessment that **MUST** be done **FIRST** (2 tries per question).
2. Depending on your PreAssessment score you will either go to another Module **OR** work on the Assignments that match the questions you missed.
3. Assignments will give you unlimited tries with each missed question being **SIMILAR**. So you can obtain a perfect score of 100%.
4. After completing the appropriate Assignments you will do the Post Assessment.
5. The Post Assessment will give you unlimited tries with each missed question being **SIMILAR**. So you can obtain a perfect score of 100%.

Module 1: Integers / Fractions / Decimals

Module 2: Linear Equations

Module 3: Linear Inequalities

Module 4: Exponents

Module 5: Polynomials

Module 6: Factoring

Module 7: Graphing
