Coordination of Benefits: If a covered person is covered by more than one insurance program, benefits will be subject to a Coordination of Benefits Provision. A plan which does not have such a provision, would pay benefits first. In all other instances, the plan that will pay benefits first is: a) the plan which covers the covered person as an employee rather than as a full or part-time student; b) if a) does not apply, the plan which covers the covered person as a full or part-time student rather than as a dependent; c) if a) and b) do not apply, the plan which covers the person as a dependent, subject to specific rules contained in the policy; d) if a), b) and c) do not apply, the plan which has covered the covered person for the longer time. If the benefits of this plan are reduced to these rules, such reduction will be done in proportion. Any benefits paid by this plan on a reduced basis will be charged against the benefit limits of this Plan.
