You may access the databases in two different ways.

1) The easiest method is to login to your Atlas account. The Library link is on the right side of the “My Atlas” tab, which allows access with a single sign-on.
   - Click “Search the Library.”
   - Use the “Library Search” tab to locate articles from electronic databases.

2) Another method is through the Osceola Campus Library homepage. Go to:
   http://valenciacollege.edu/library/osceola

Logging in through the Library’s homepage requires using your Valencia Student Identification number (your “V” number) plus your PIN (the last 4 digits of your “V” number).
   - Click the green “Databases—ID Required” box.
   - Click the green “Login to begin Research” button.
   - Select Valencia College from the drop-down menu.
   - Enter your Borrower ID (your “V” number) and PIN (the last 4 digits of your “V” number).
   - Select a database either from the Alphabatical or Subject List.
   - Click on the blue “Connect to Databases” button.
