### Plan

| 1. **Goal** - principal purpose of plan (include how this relates to serving students or increasing student success or supporting LifeMap) | **Group Advising**  
The Osceola Dean of Students Team will design and pilot group advising sessions.  
This goal addresses the needs of students who seek advising assistance during peak registration. Students will receive advisement on course selection and registration in a group setting. This model will allow for staff to serve multiple students at once, reducing wait time. The group setting may also create opportunities for student to student camaraderie. |
