**Important Information!**

1. You MUST apply by the program application deadline date on the SAGE website in order to qualify for the full scholarship: [http://valenciacollege.edu/international/studyabroad/students/apply.cfm](http://valenciacollege.edu/international/studyabroad/students/apply.cfm). If you do not apply by the deadline date, the scholarship amount will be reduced by $500!

2. The application fee is ONLY refundable if the student is NOT accepted into the program or the program is cancelled.

3. Once the deposit payment is paid, there is NO refund for any fees past or future. If the student drops, he/she will still own the airline ticket which can be used up to one year after the issue date.

4. Students will not see the application fee or the deposit amount paid on their account in Atlas because the money is not charged as program tuition.

5. If the student has financial aid, the system will automatically apply those funds to any balance pending. He/She must check in Atlas to see if there is an amount due to pay. Payment must be made directly to the Atlas account.

6. **It is imperative that students pay by the deadline dates published on the SAGE website or they may be dropped from the course and still owe the total amount due to the College!** It is the student’s responsibility to pay any remaining balance after all financial aid, scholarships, and third-party funding have been applied to your account, and to ensure your account has a zero balance PRIOR TO DEPARTURE or the payment deadline specified on the Important Dates and Deadlines calendar (whichever comes first) [http://catalog.valenciacollege.edu/importantdatesdeadlines/](http://catalog.valenciacollege.edu/importantdatesdeadlines/).

7. The system does not discriminate between fees for study abroad and fees for other charges, so if the student has a balance on his/her account and does not pay by the College’s deadline date, he/she may be dropped from the course and scholarships will no longer appear on the account.

8. If a student decides to drop the course after the deposit payment deadline, the student will STILL BE RESPONSIBLE for the total study abroad program fee since these fees have already been paid to the program provider.

9. All fees and scholarship amounts are subject to change.

10. Out-of-state tuition applies to students who are not Florida residents. If you are paying out-of-state tuition for your other courses, you will pay out-of-state tuition for this course as well.
