<b>GRANT</b>	<b>DESCRIPTION</b>	<b>AMOUNT REQUESTED</b>	<b>MATCH</b>
<p><b>Name of Project:</b> Orlando Magic Youth Foundation 2019-20, Horizon Scholars Program</p> <p><b>Accountable Administrators:</b> Isis Artze Vega</p> <p><b>Project Directors:</b> Kelly Astro</p> <p><b>Campus Department:</b> College Wide</p> <p><b>Funding Category:</b> Foundation</p> <p><b>Funding Source:</b> Orlando Magic Youth Foundation 2019-20</p> <p><b>Date Application Submitted:</b> 8/16/19</p>	<p>This proposal seeks continuing funding for the Horizon Scholars program, which is based on the principle that given extensive support, motivation and accountability, students will put forth the effort to ensure that they graduate from high school and enroll in and graduate from a postsecondary program. Funding will support the purchase of pre-paid scholarships to be issued to students who meet defined criteria (graduate from high school, minimum GPA requirements, remain crime and drug free), along with funding for other program support activities such as training mentors, student workshops, and recognition events. The broad goals of this project are that participating students will 1) graduate from high school with eligibility for a Horizon Scholars scholarship; 2) enroll into a college or university to begin a post-secondary educational program during the 2019-20 program year; and 3) continue towards either an associate degree, an industry certificate, or a bachelors degree with anticipated completion within six years. The significant impact of this project is the anticipated growth to 450 student participants who will graduate high school and then enroll in and progress through a postsecondary program, who otherwise may not have considered higher education without intervention. This proposal is innovative because Horizon Scholars will utilize the support of 450 community volunteers to work with students, while also leveraging other community partnerships for workshop and scholarship support. Students are required to engage in service learning and other civic engagement projects, so they learn the value of giving back to the community that gave opportunities to them.</p>	<p>\$100,000</p>	<p>No</p>
