2030 Strategic Impact Plan: Goal Areas

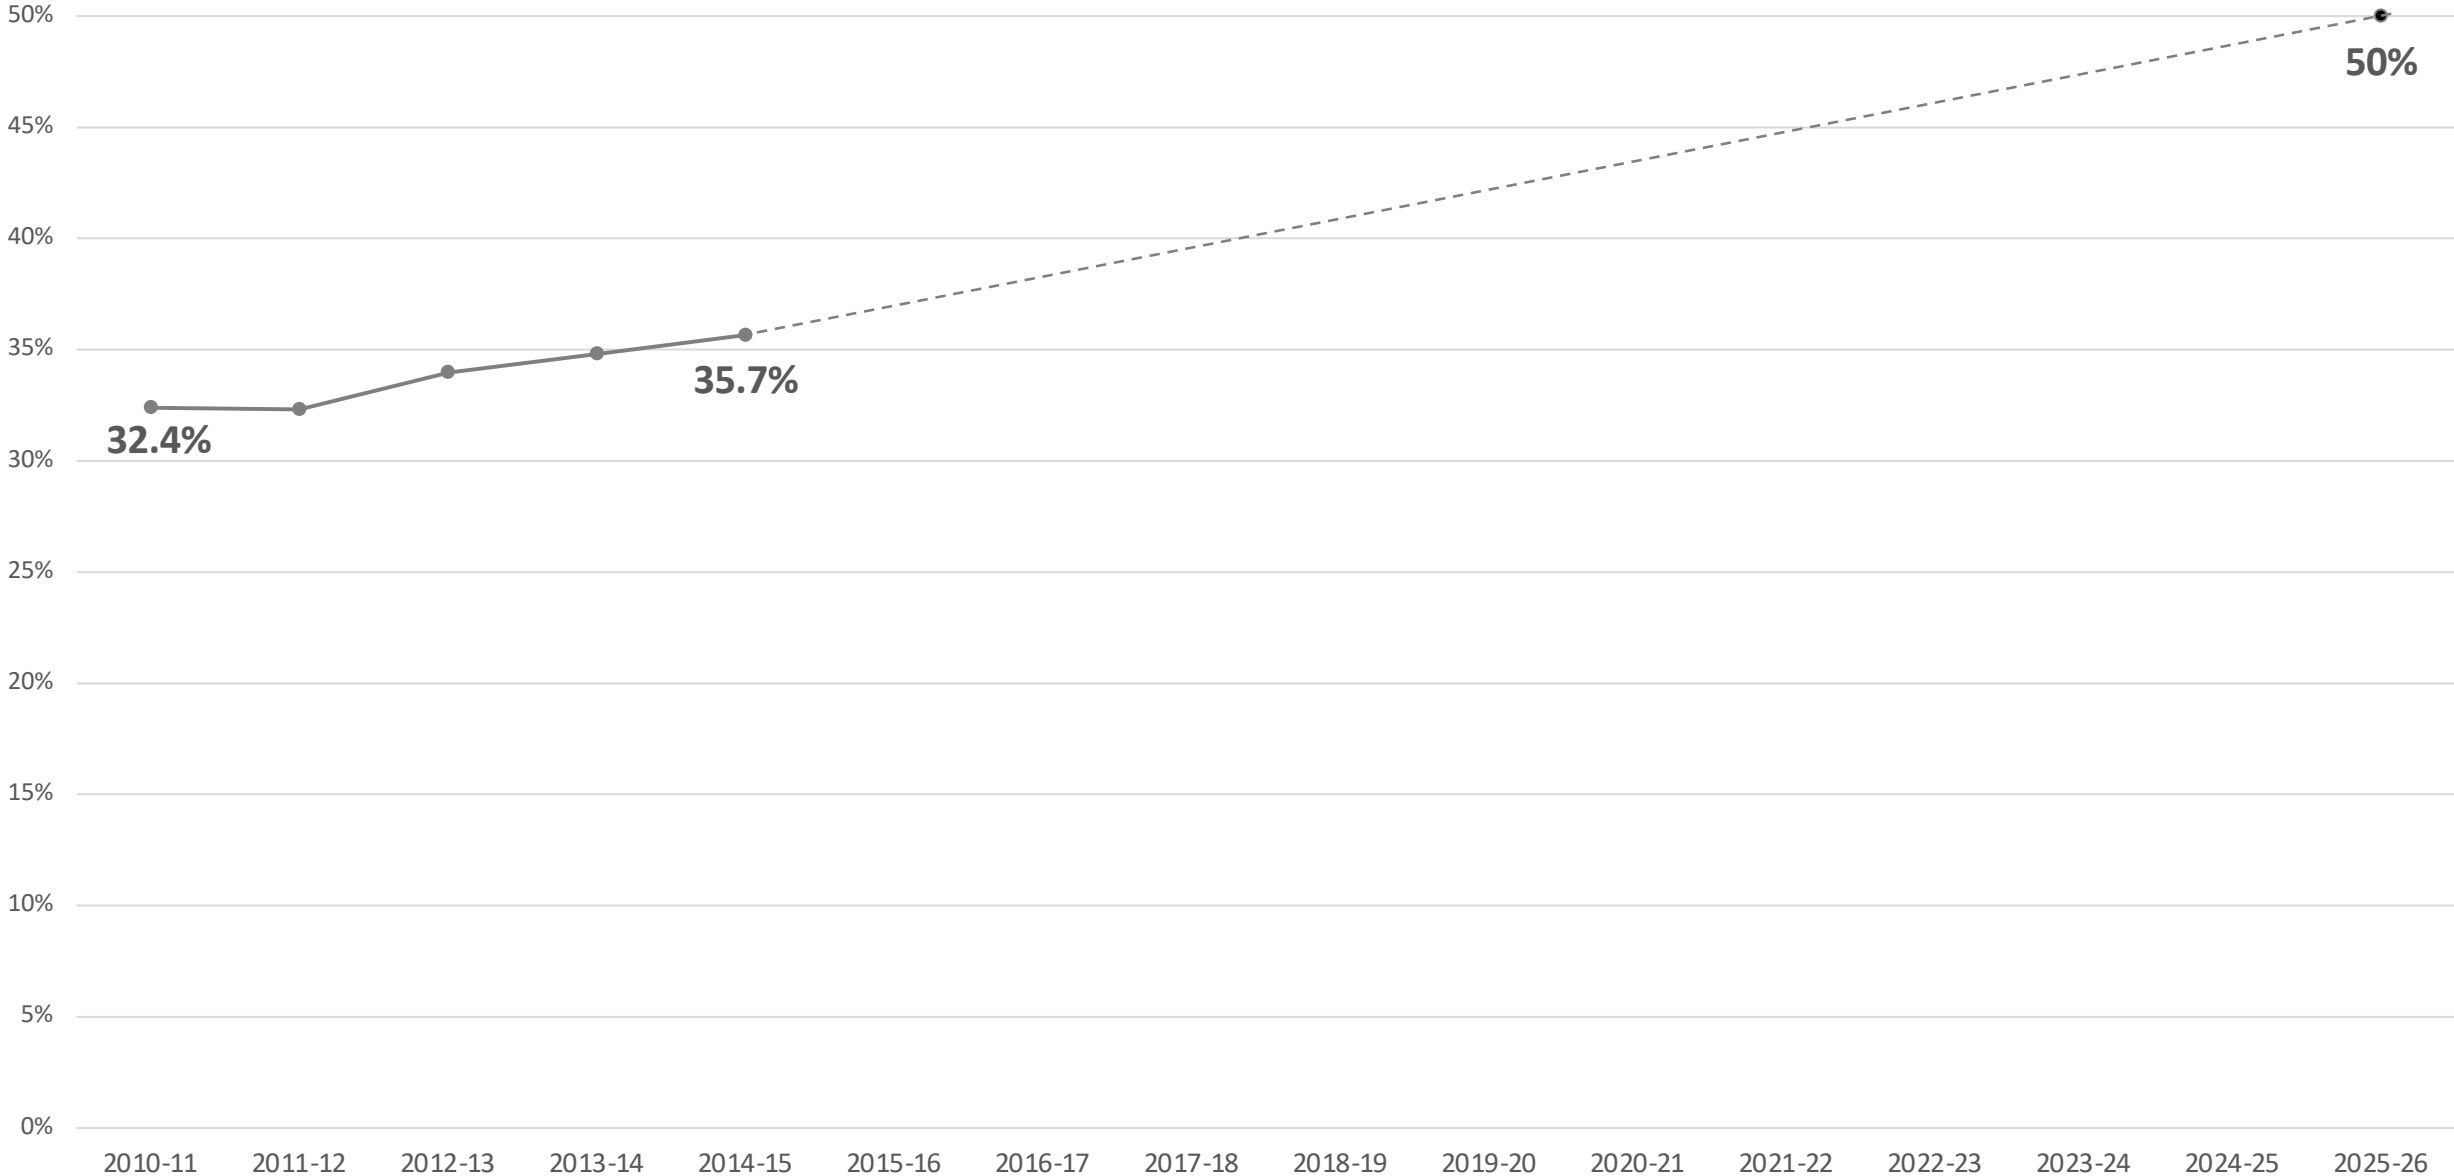

Graduation Goal

By 2030, the five-year graduation rates for degree-seeking students will exceed 50%, so that more than half of all degree-seeking students who enroll at Valencia College in the 2025-26 academic year will complete an associate degree from Valencia by summer of 2030.

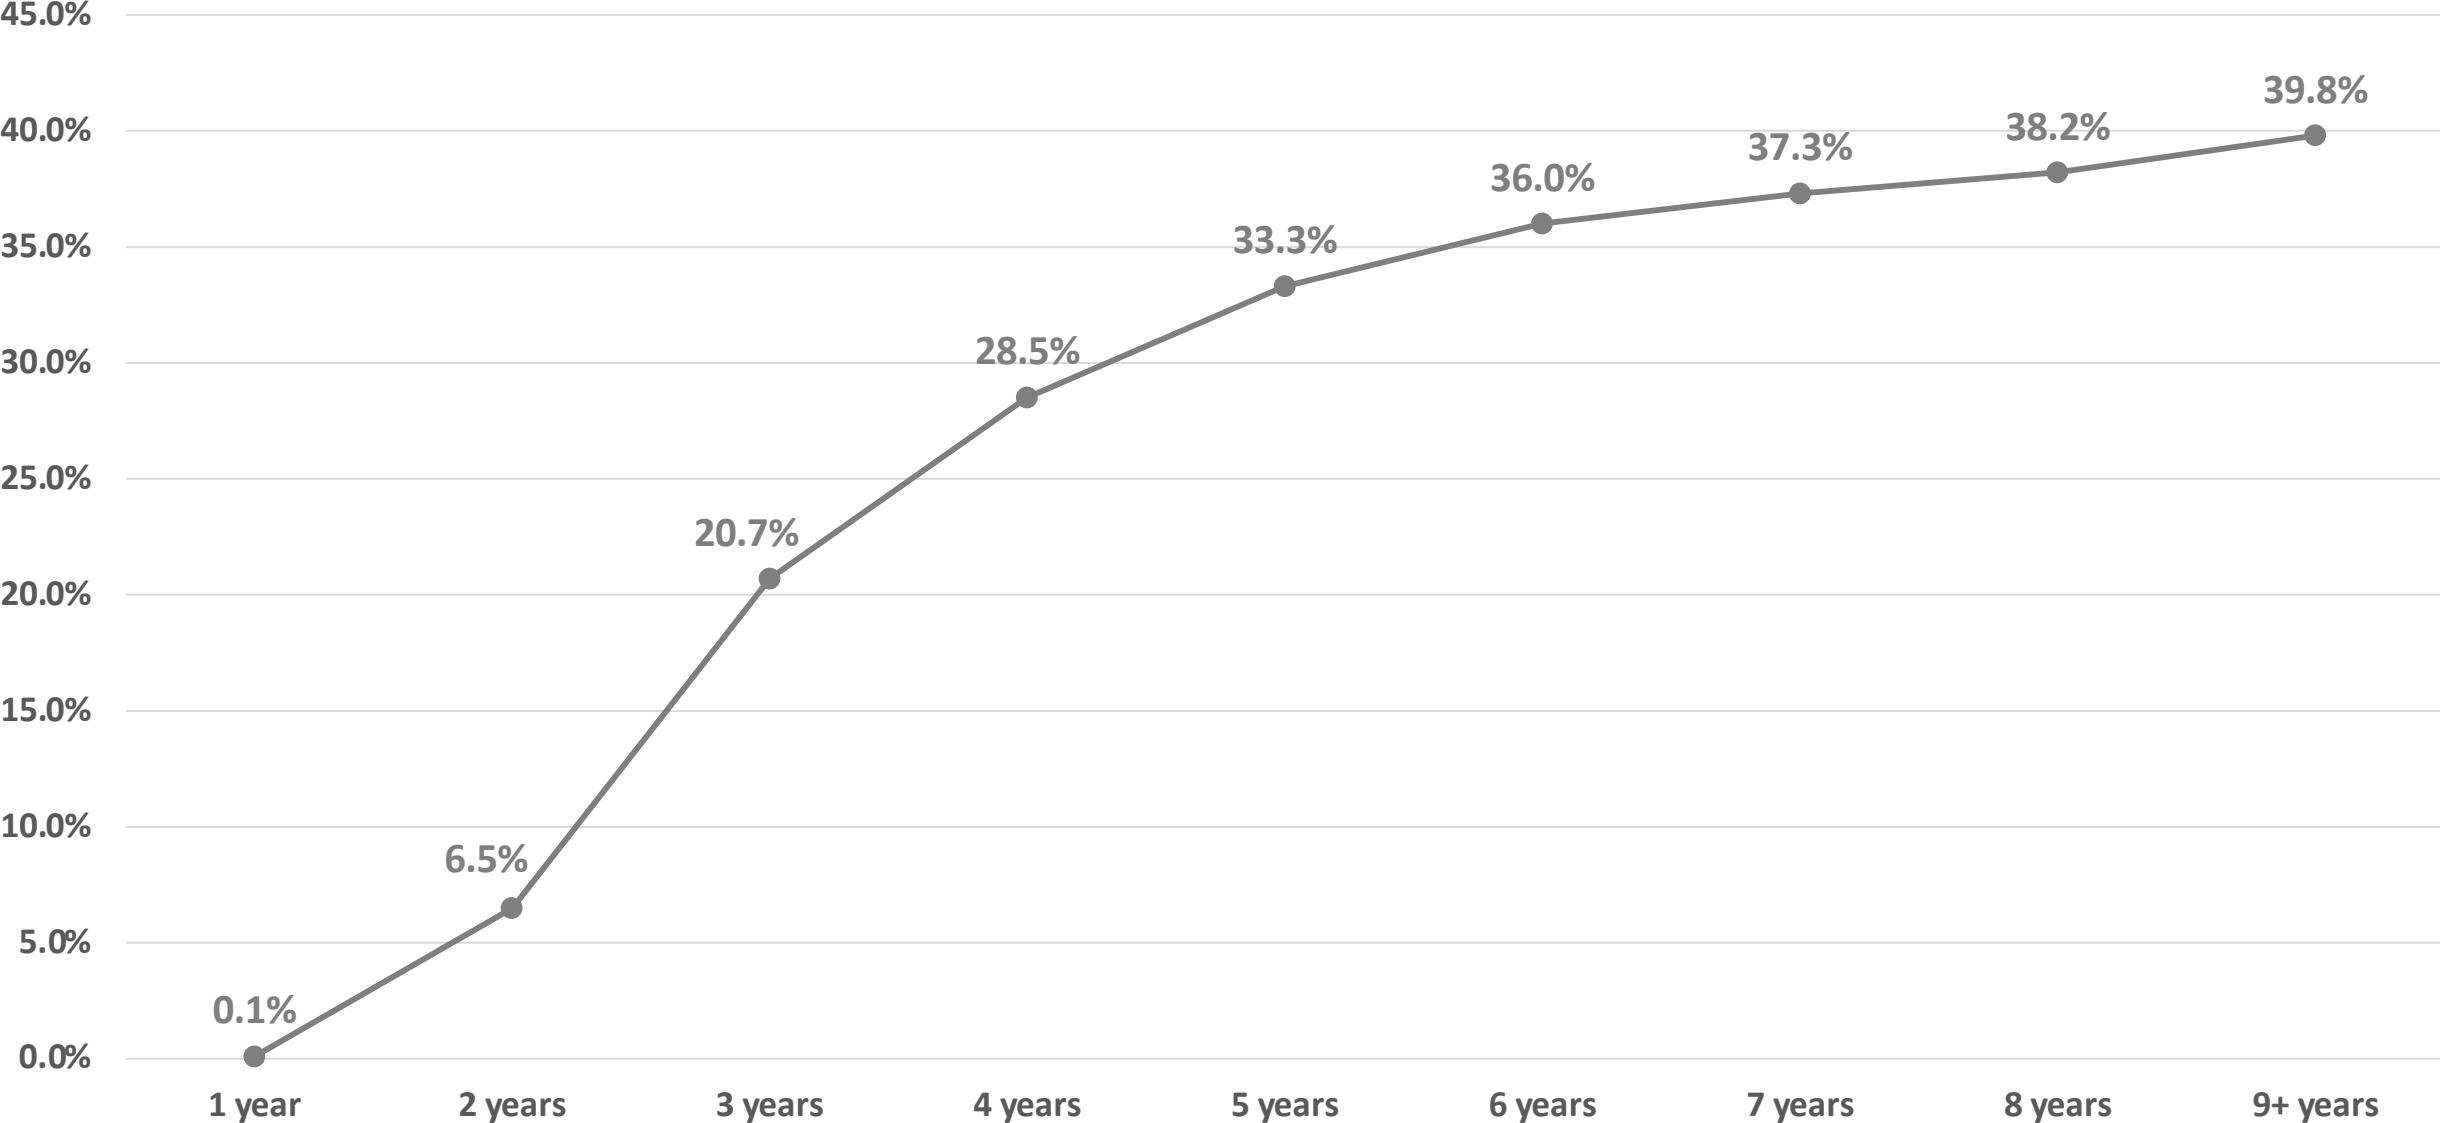

Graduation Goal

Percentage of All Valencia College Degree-Seeking Students Who Completed an Associate Degree within Five Years by Incoming Cohort

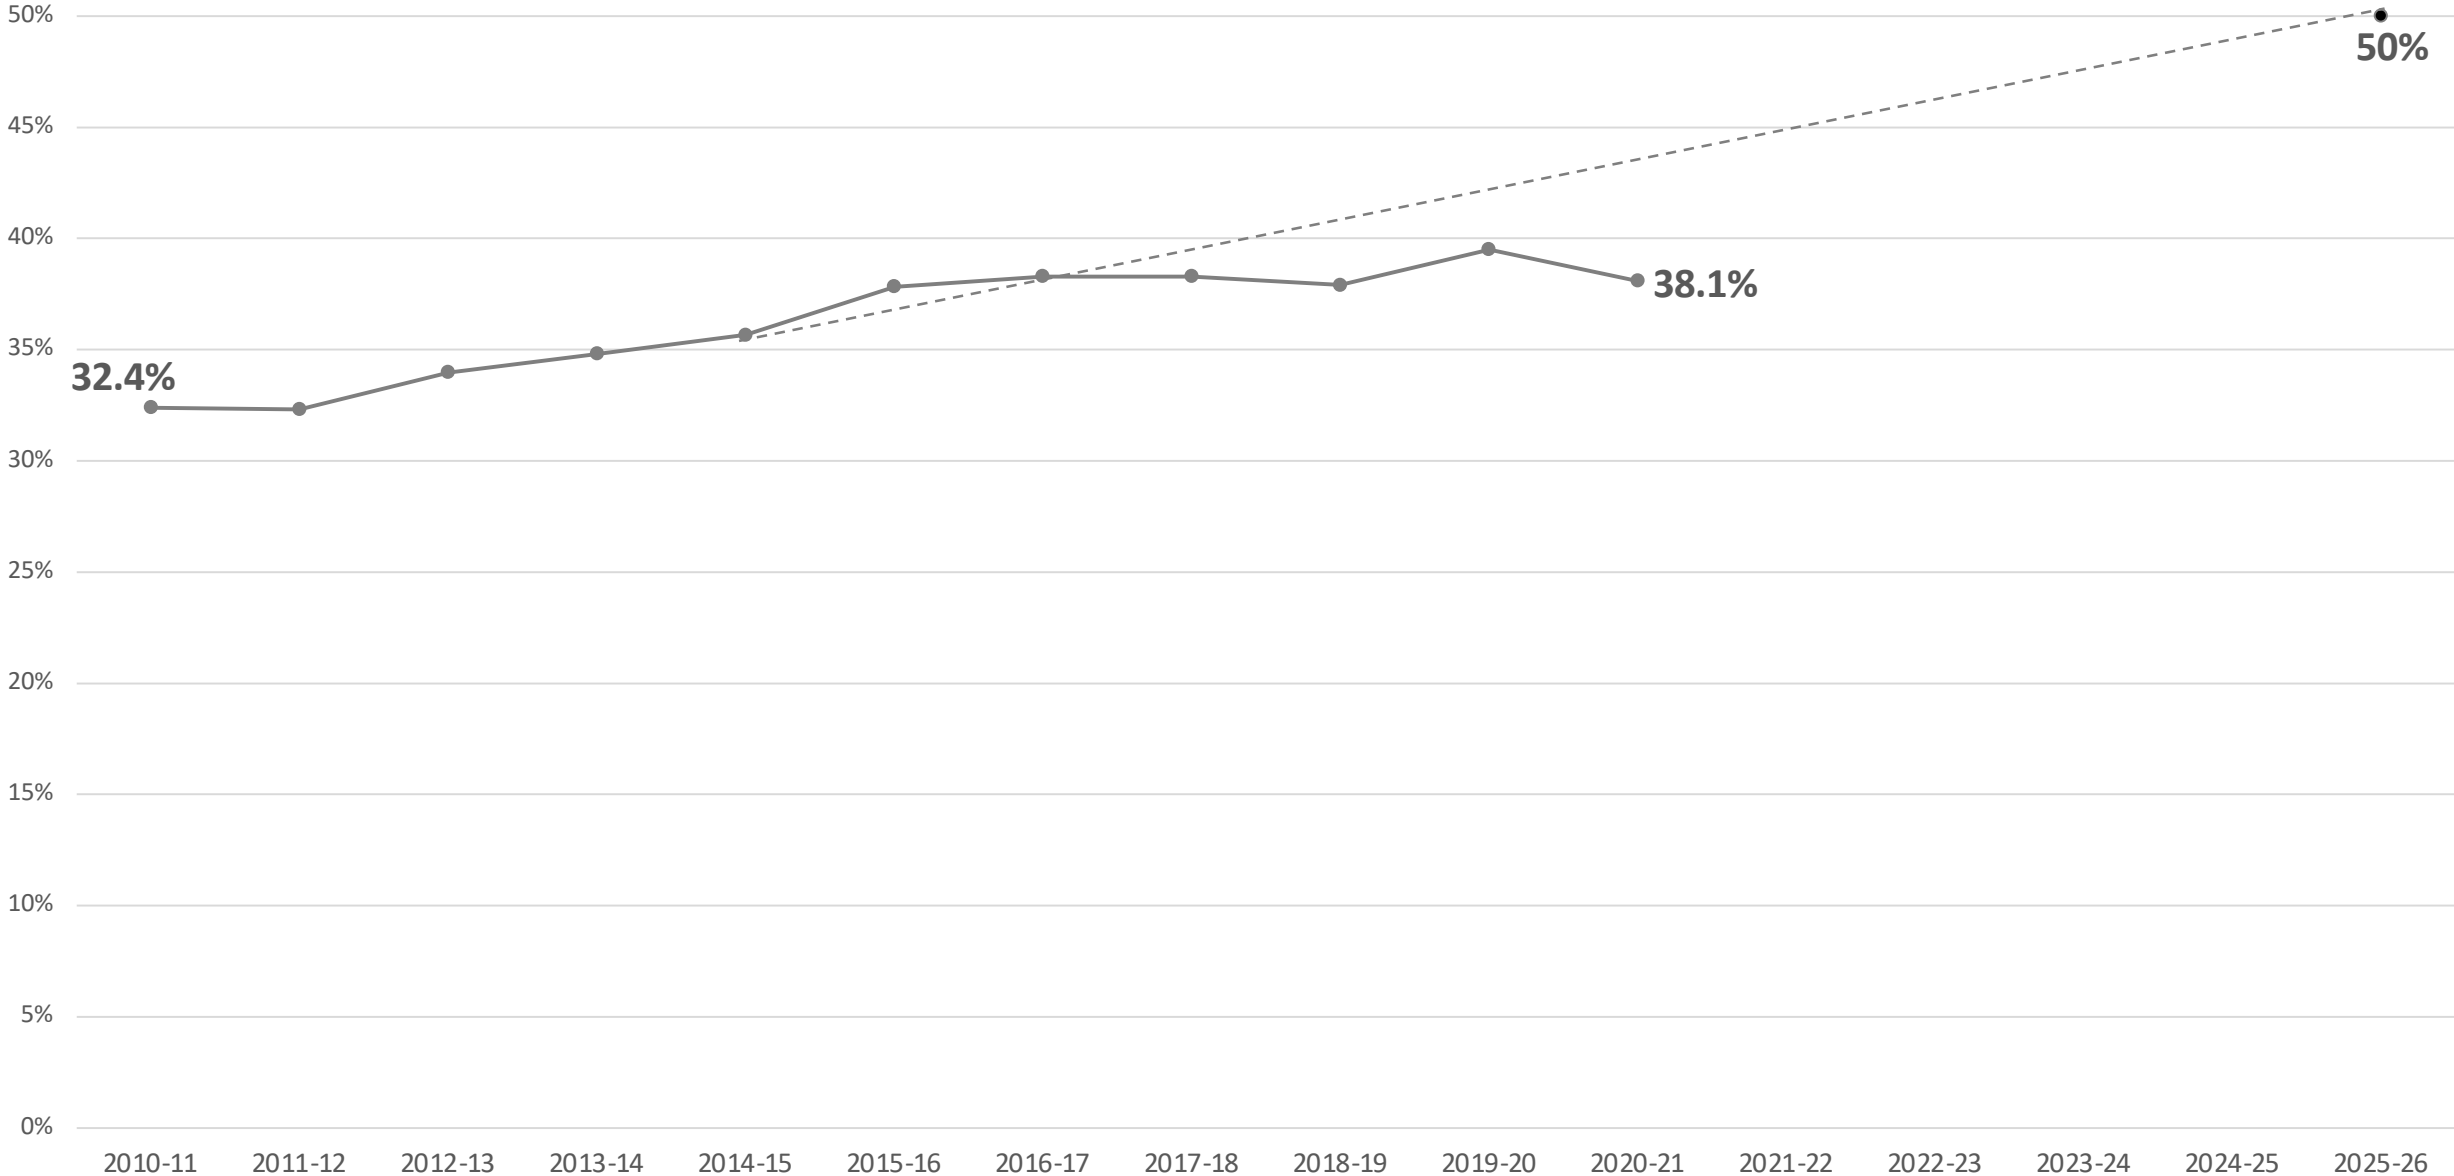

Completion over Time

Cumulative Graduation Rates of Fall 2013 Valencia College
First-Time-in-College, Degree-Seeking Students Over Time

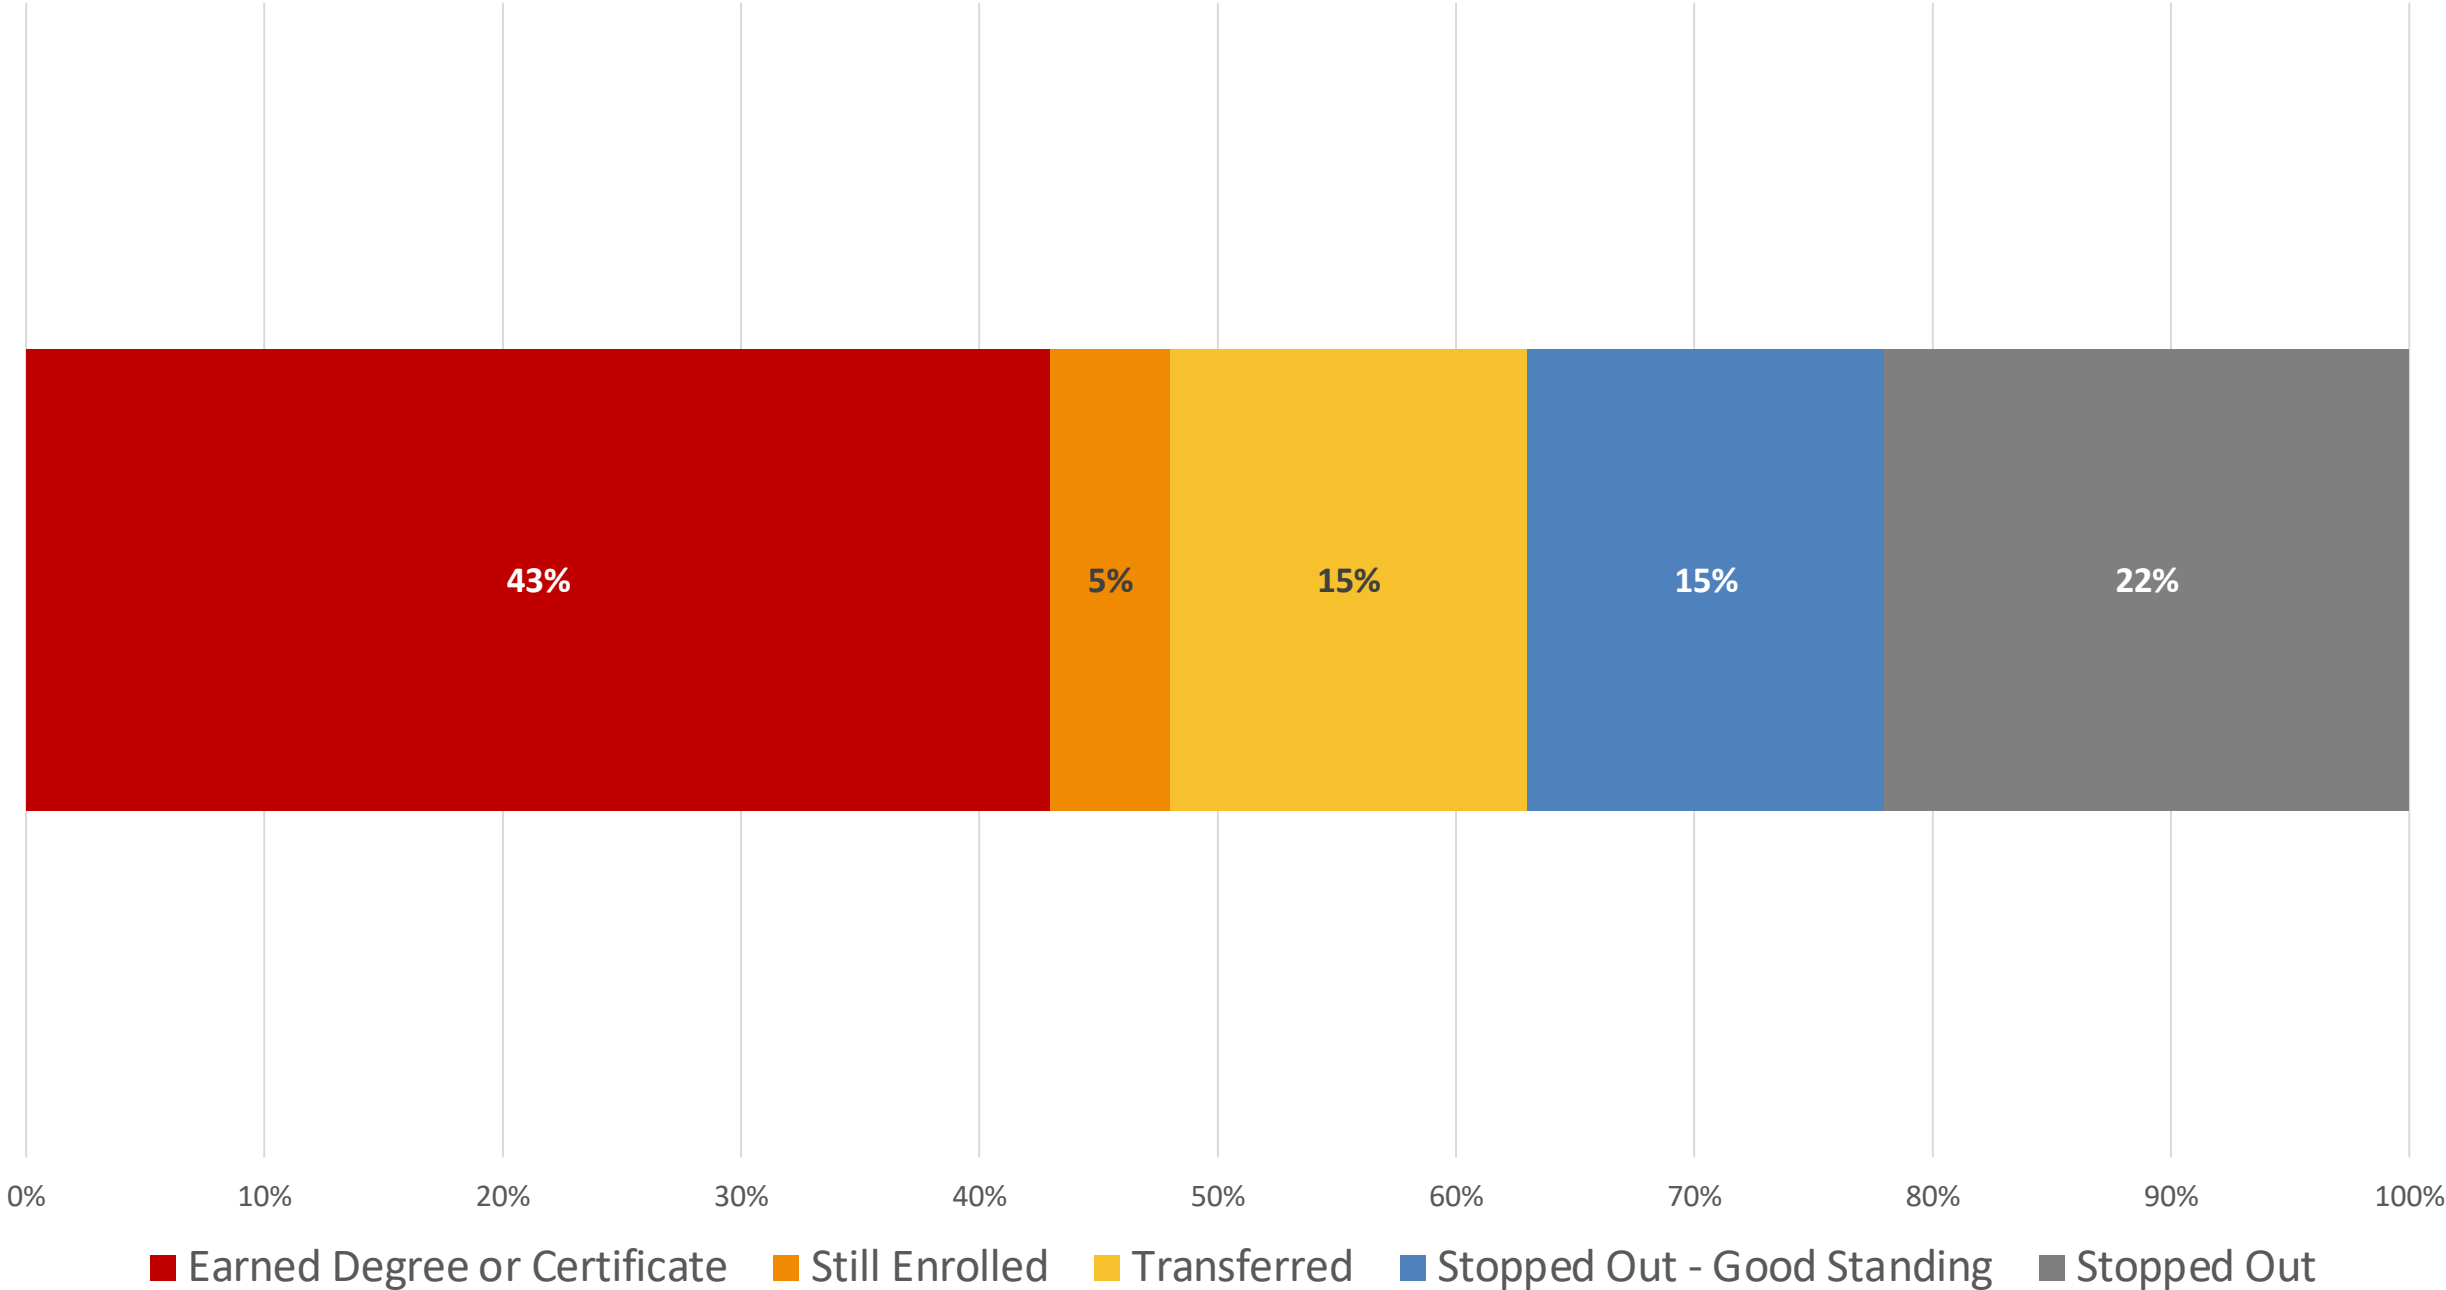

Graduation Goal

Percentage of All Valencia College Degree-Seeking Students Who Completed an Associate Degree within Five Years by Incoming Cohort

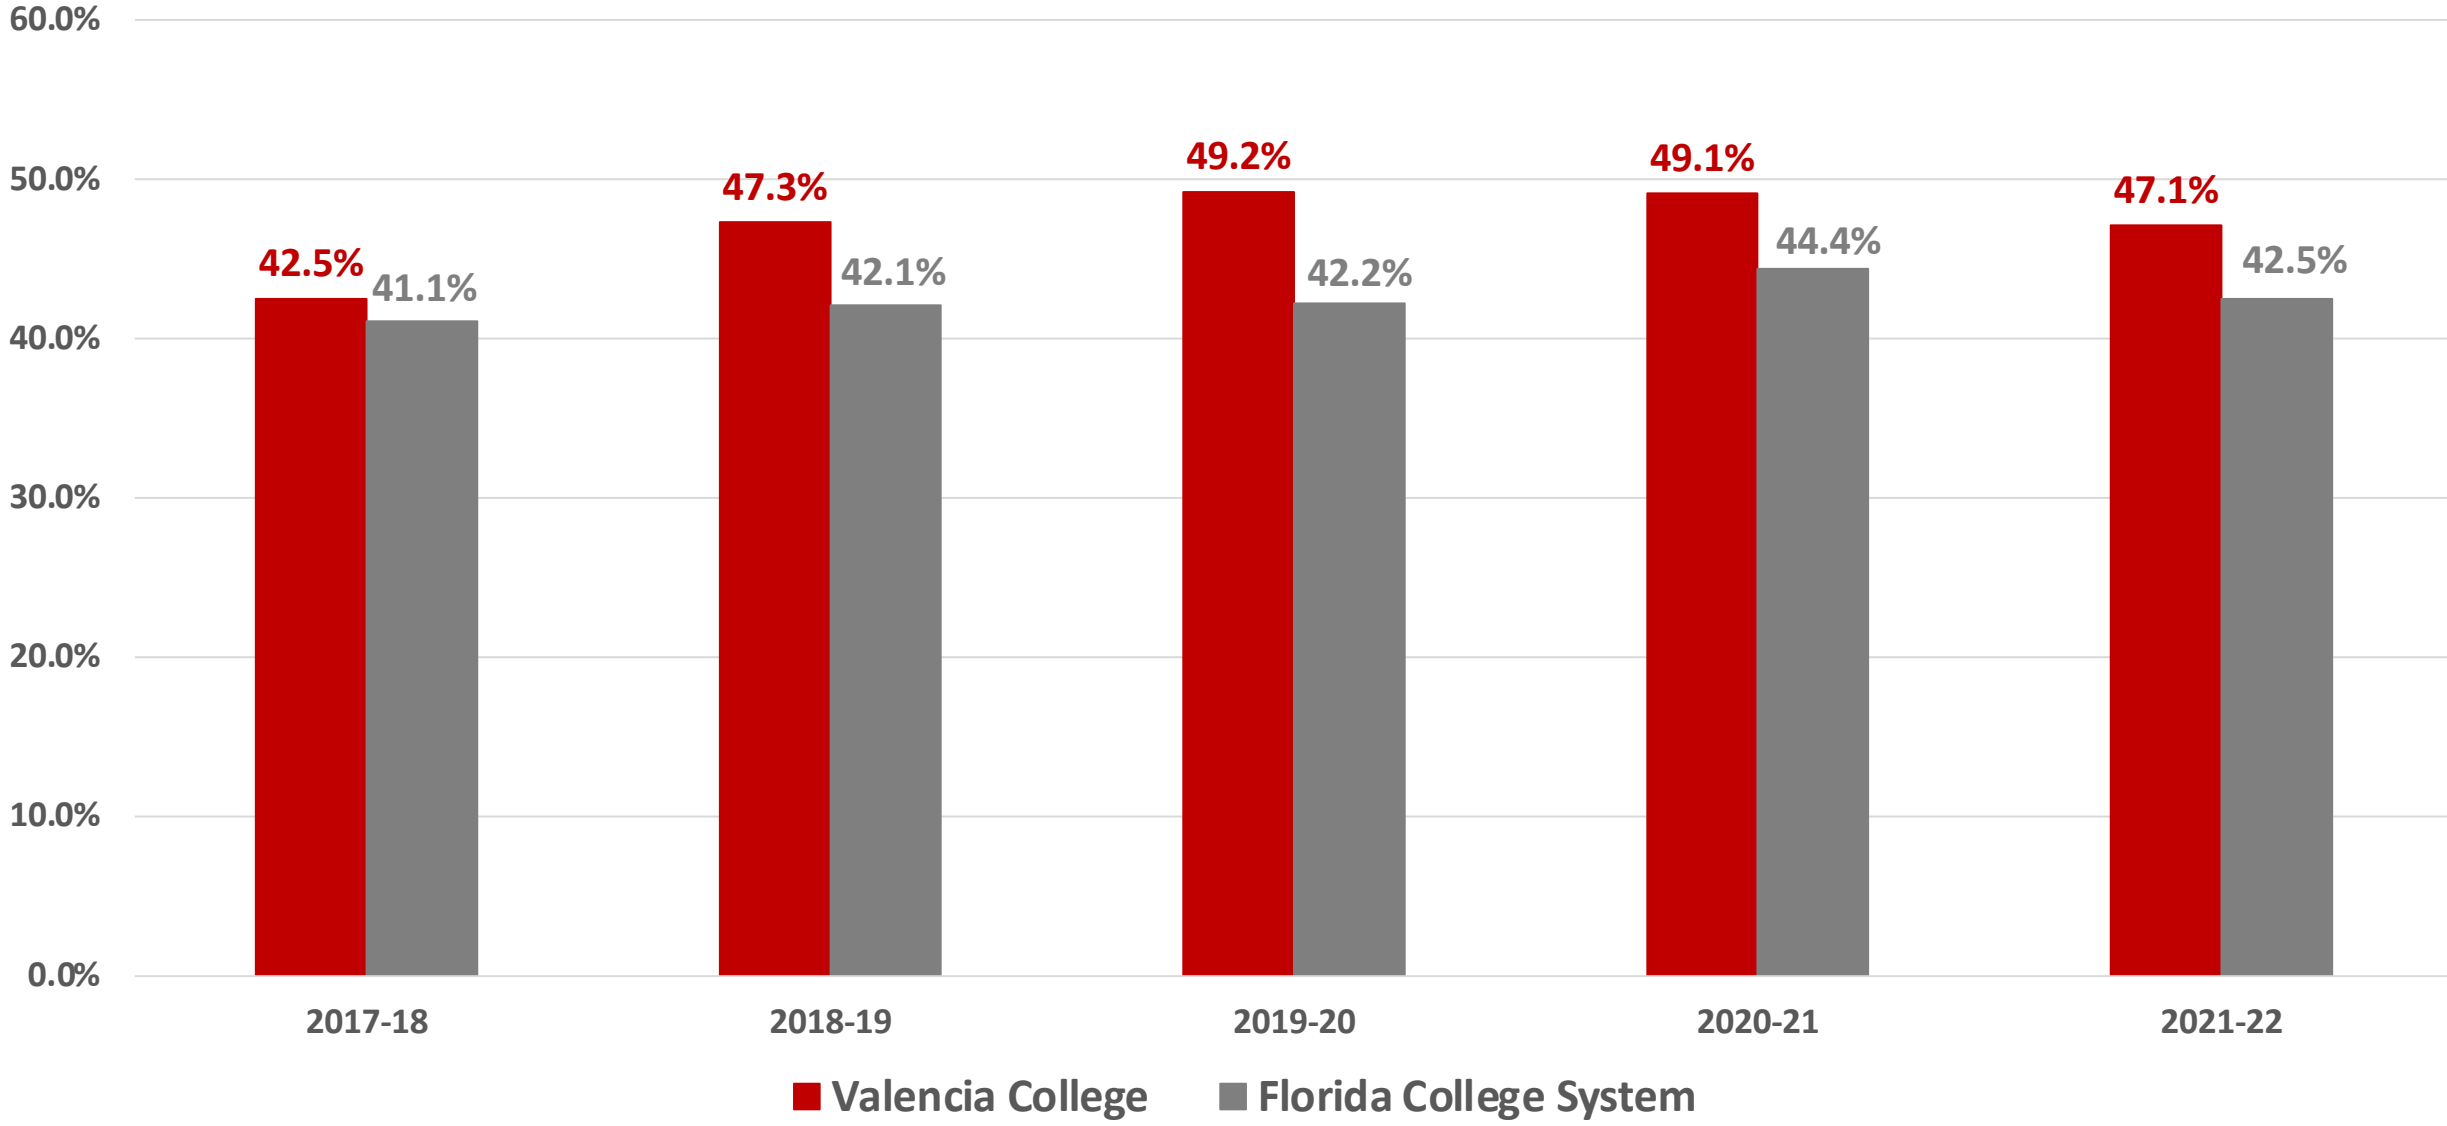

Five-Year Status for 2020-21 Cohort

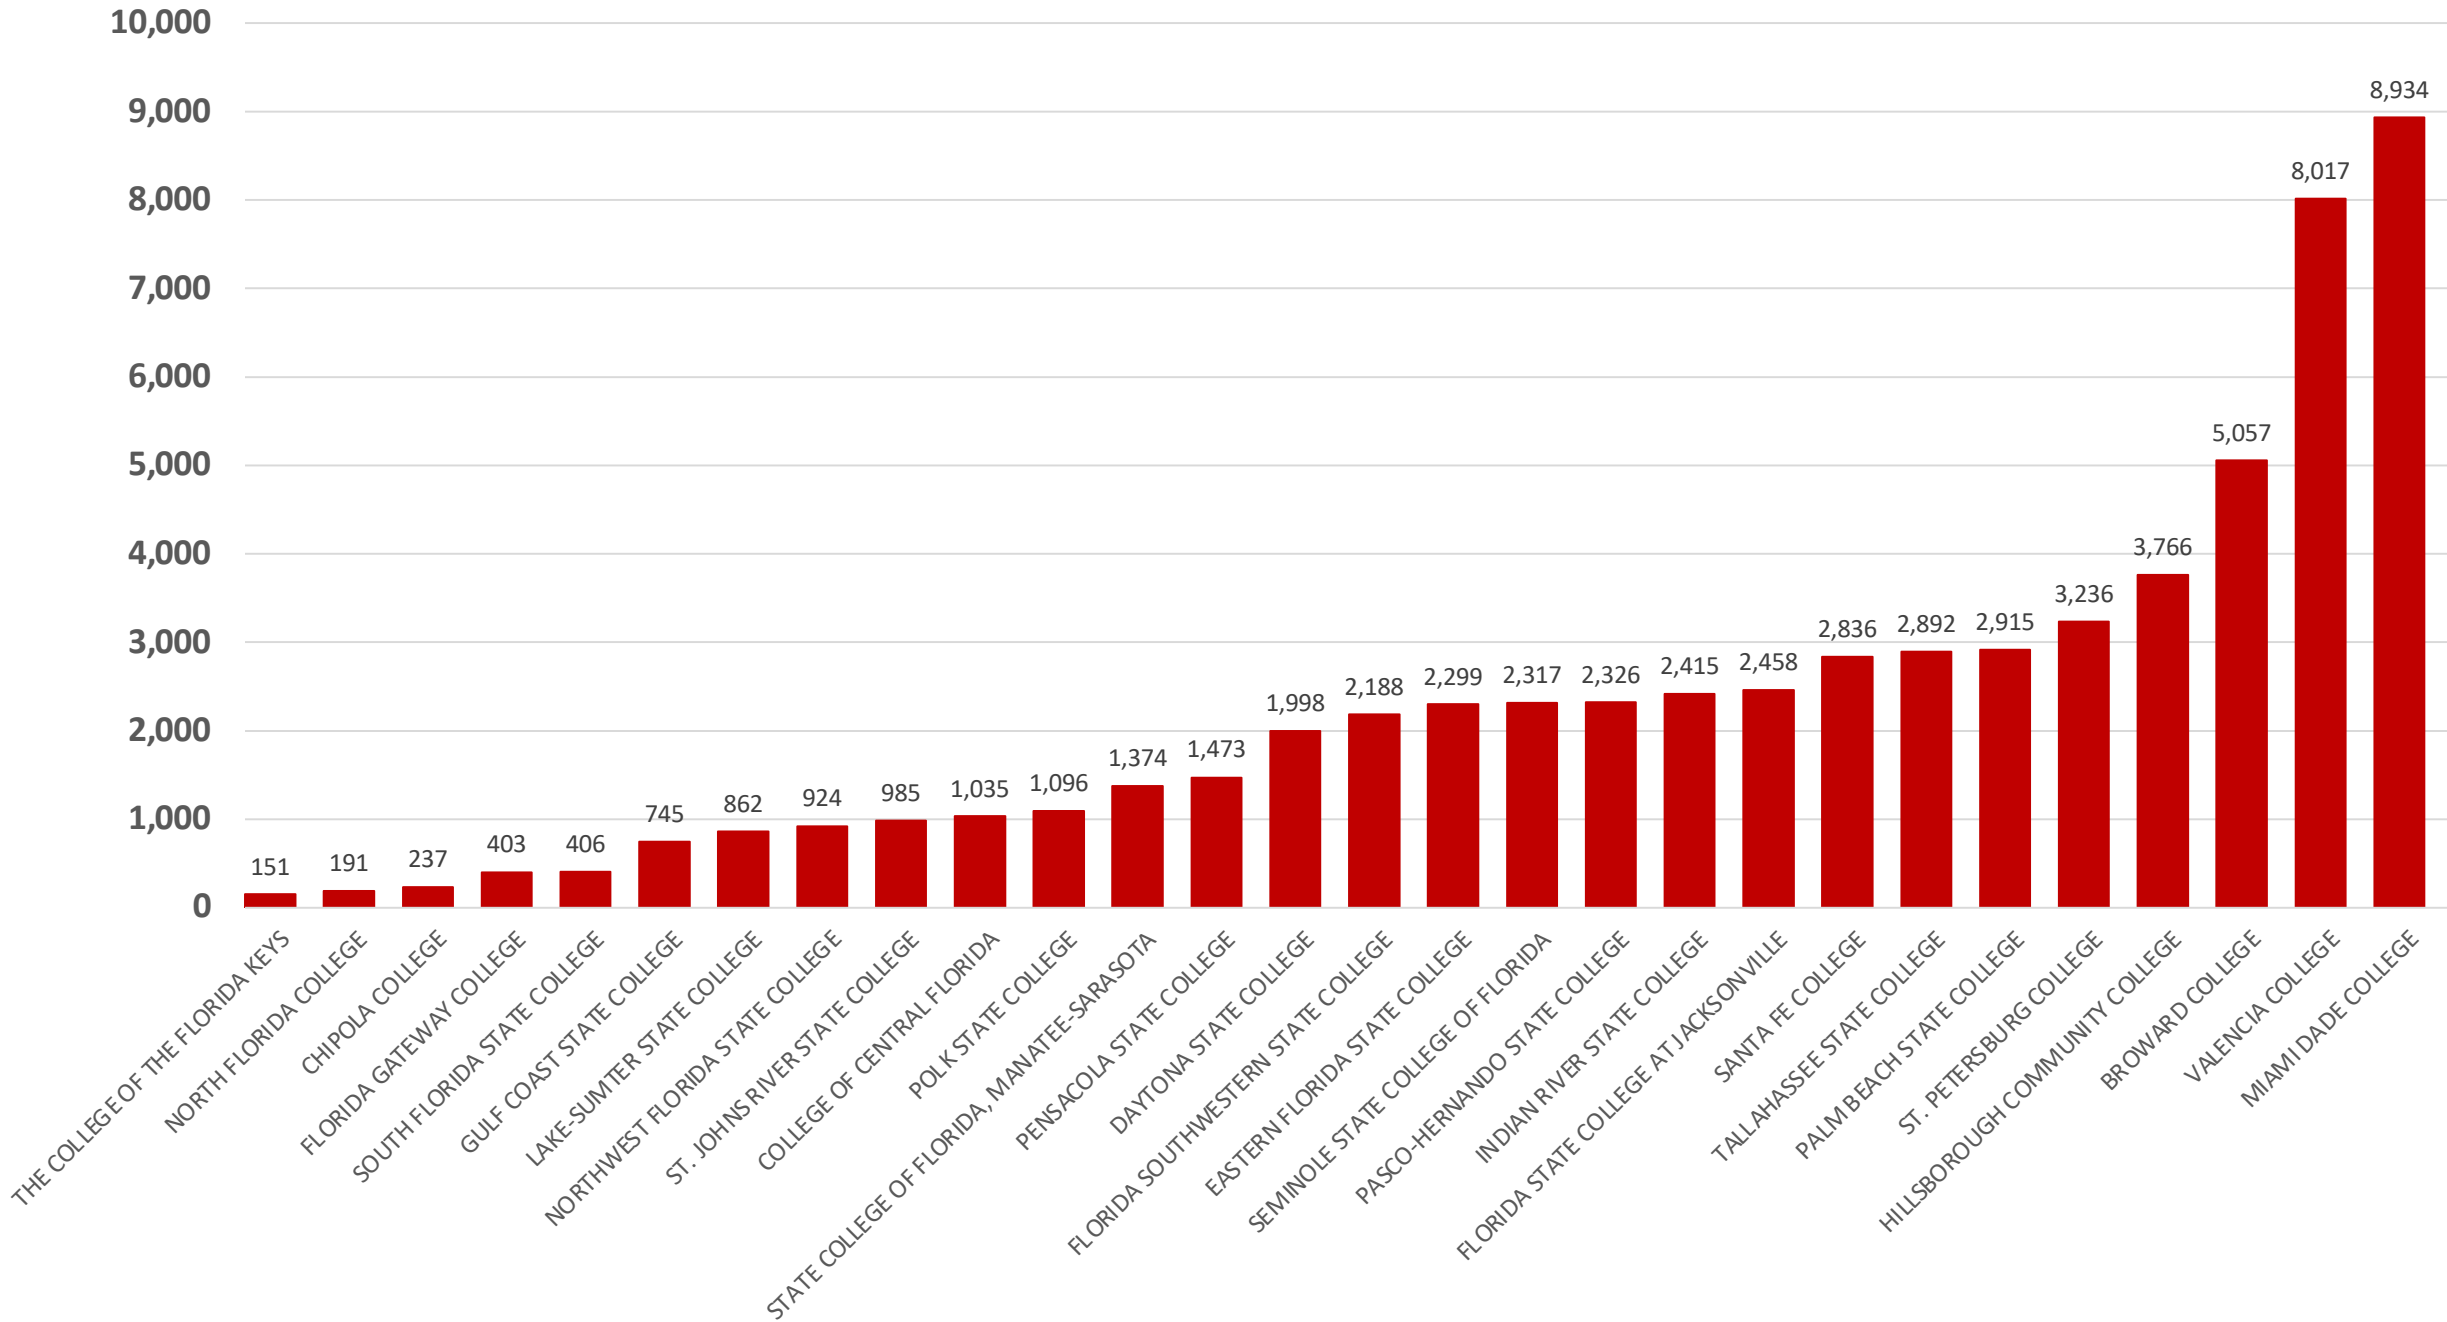

FCS Comparison Data

Graduation Rates of Full-Time, First-Time-in-College in Fall, Degree-Seeking Students Within 150% of Normal Completion

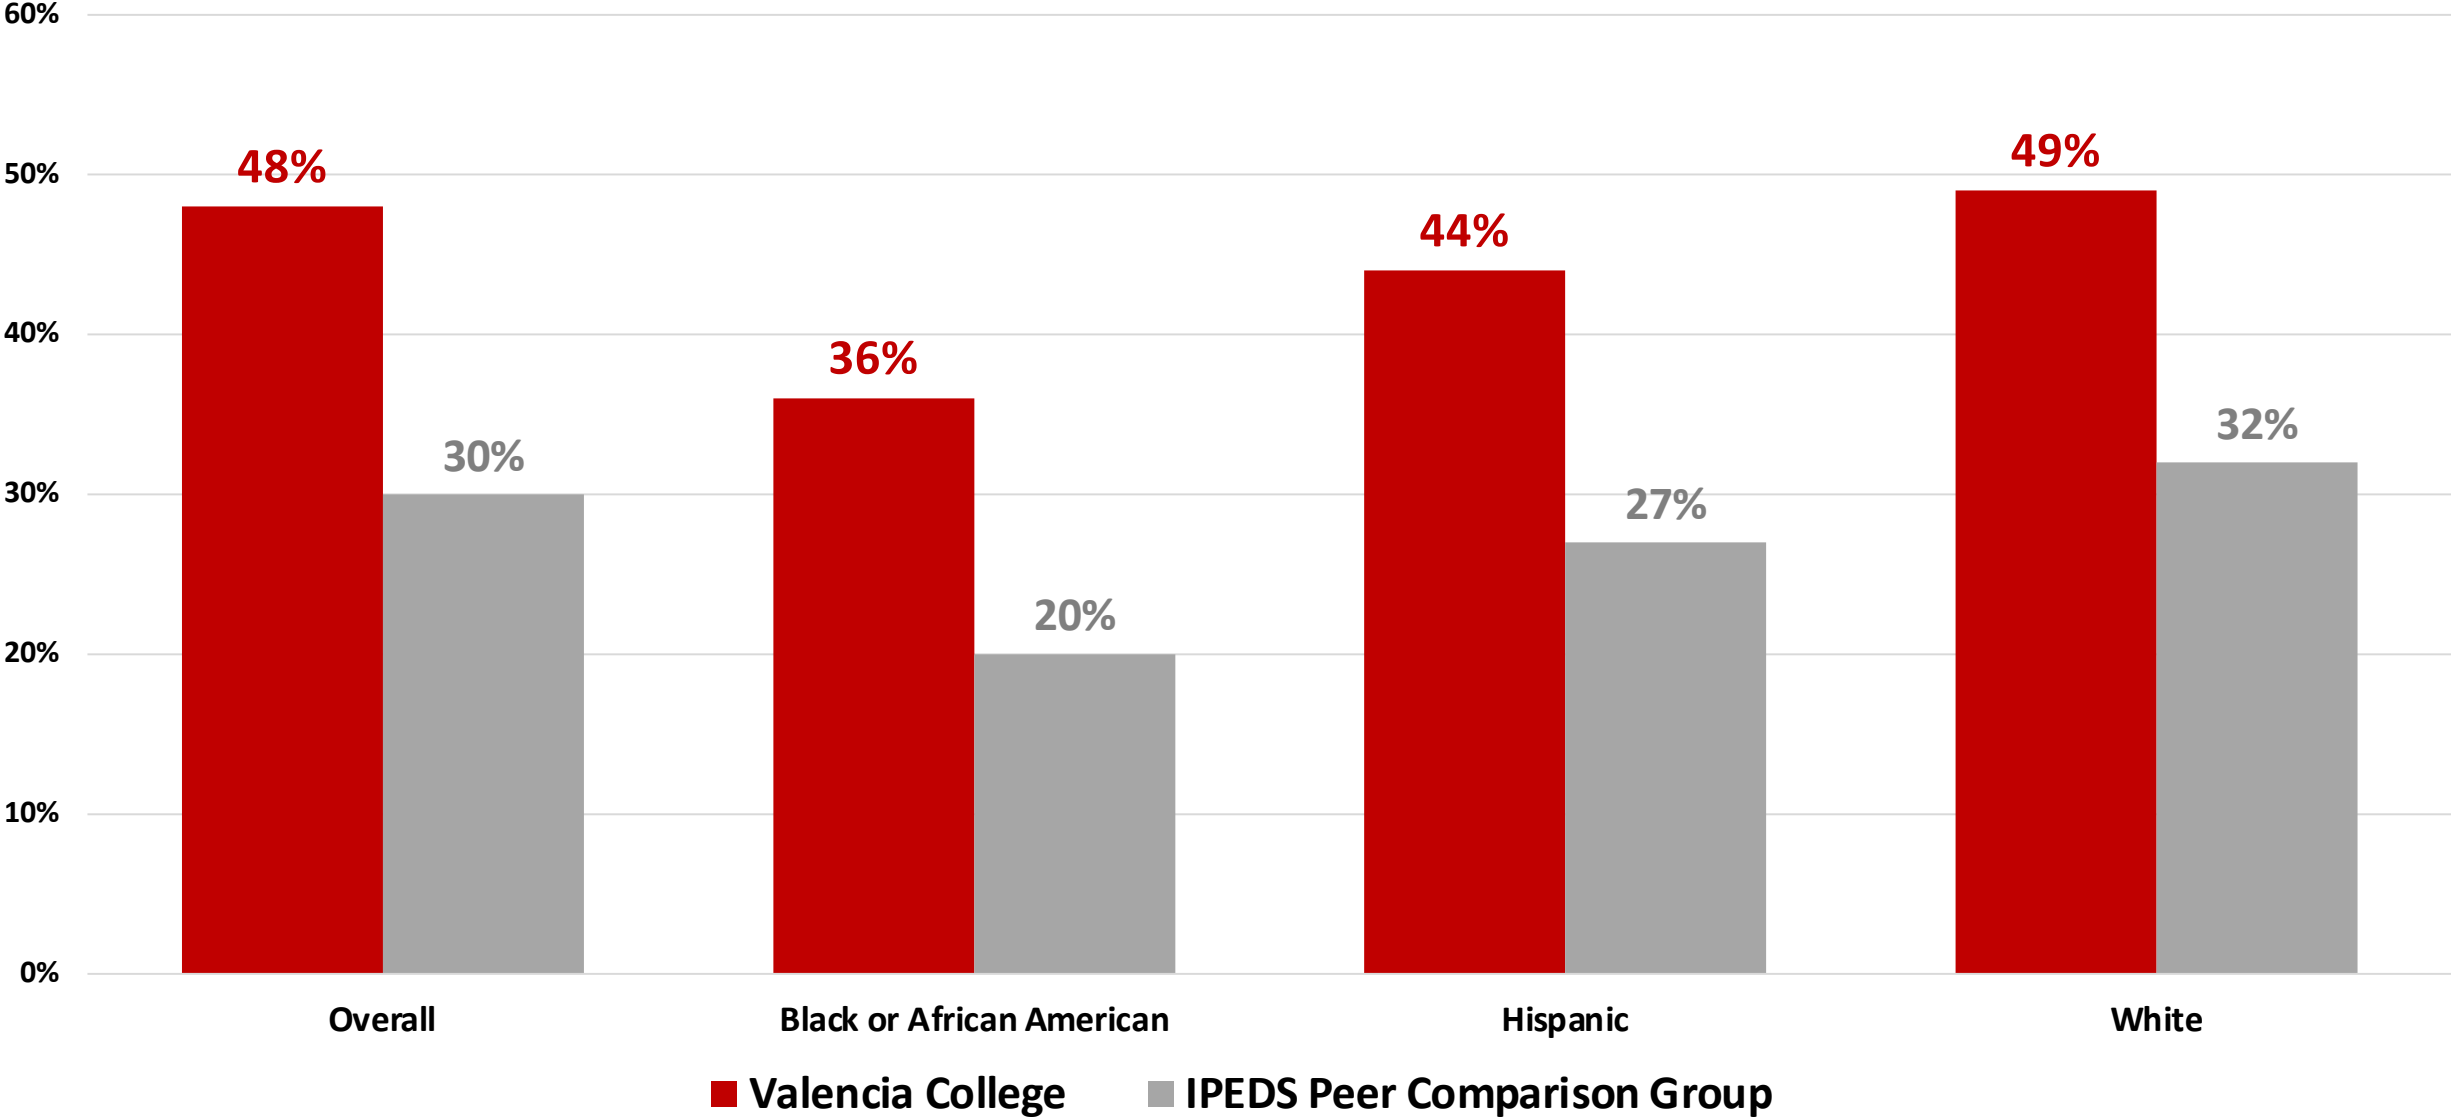

FCS Associate Degree Completers: 2024-25

IPEDS Comparison Data

Graduation Rates of Full-Time, First-Time-in-College in Fall, Degree-Seeking Students
Within 150% of Normal Completion 2018 Cohort
