RE: 2025-2026 ANNUAL FIRE SAFETY, CASUALTY SAFETY AND SANITATION
INSPECTION

The State Requirements for Educational Facilities requires that annual fire safety, casualty safety, and sanitation inspections be completed each year and that the schedule of corrections of each deficiency be adopted by the District Board of Trustees. The inspection of our College facilities took place during February this year. The following locations were inspected:

Advanced Manufacturing Training Center	Osceola Campus
District Office	Poinciana Campus
Downtown CAT	School of Public Safety
East Campus	West Campus
Fire Rescue Training Facility	Winter Park Campus
Lake Nona Campus	Northwest CAT

No deficiencies were identified during the inspection of all College buildings, which total over 2.4 million square feet. As a result, no schedule of corrections is required.

RECOMMENDED ACTION:

The President recommends that the District Board of Trustees of Valencia College approve the 2025-2026 State Requirements for Educational Facilities Report, as presented.

President
