

2030 Strategic Impact Plan: College Access

Board of Trustees Meeting
September 17, 2026

2030 Strategic Impact Plan: Goal Areas

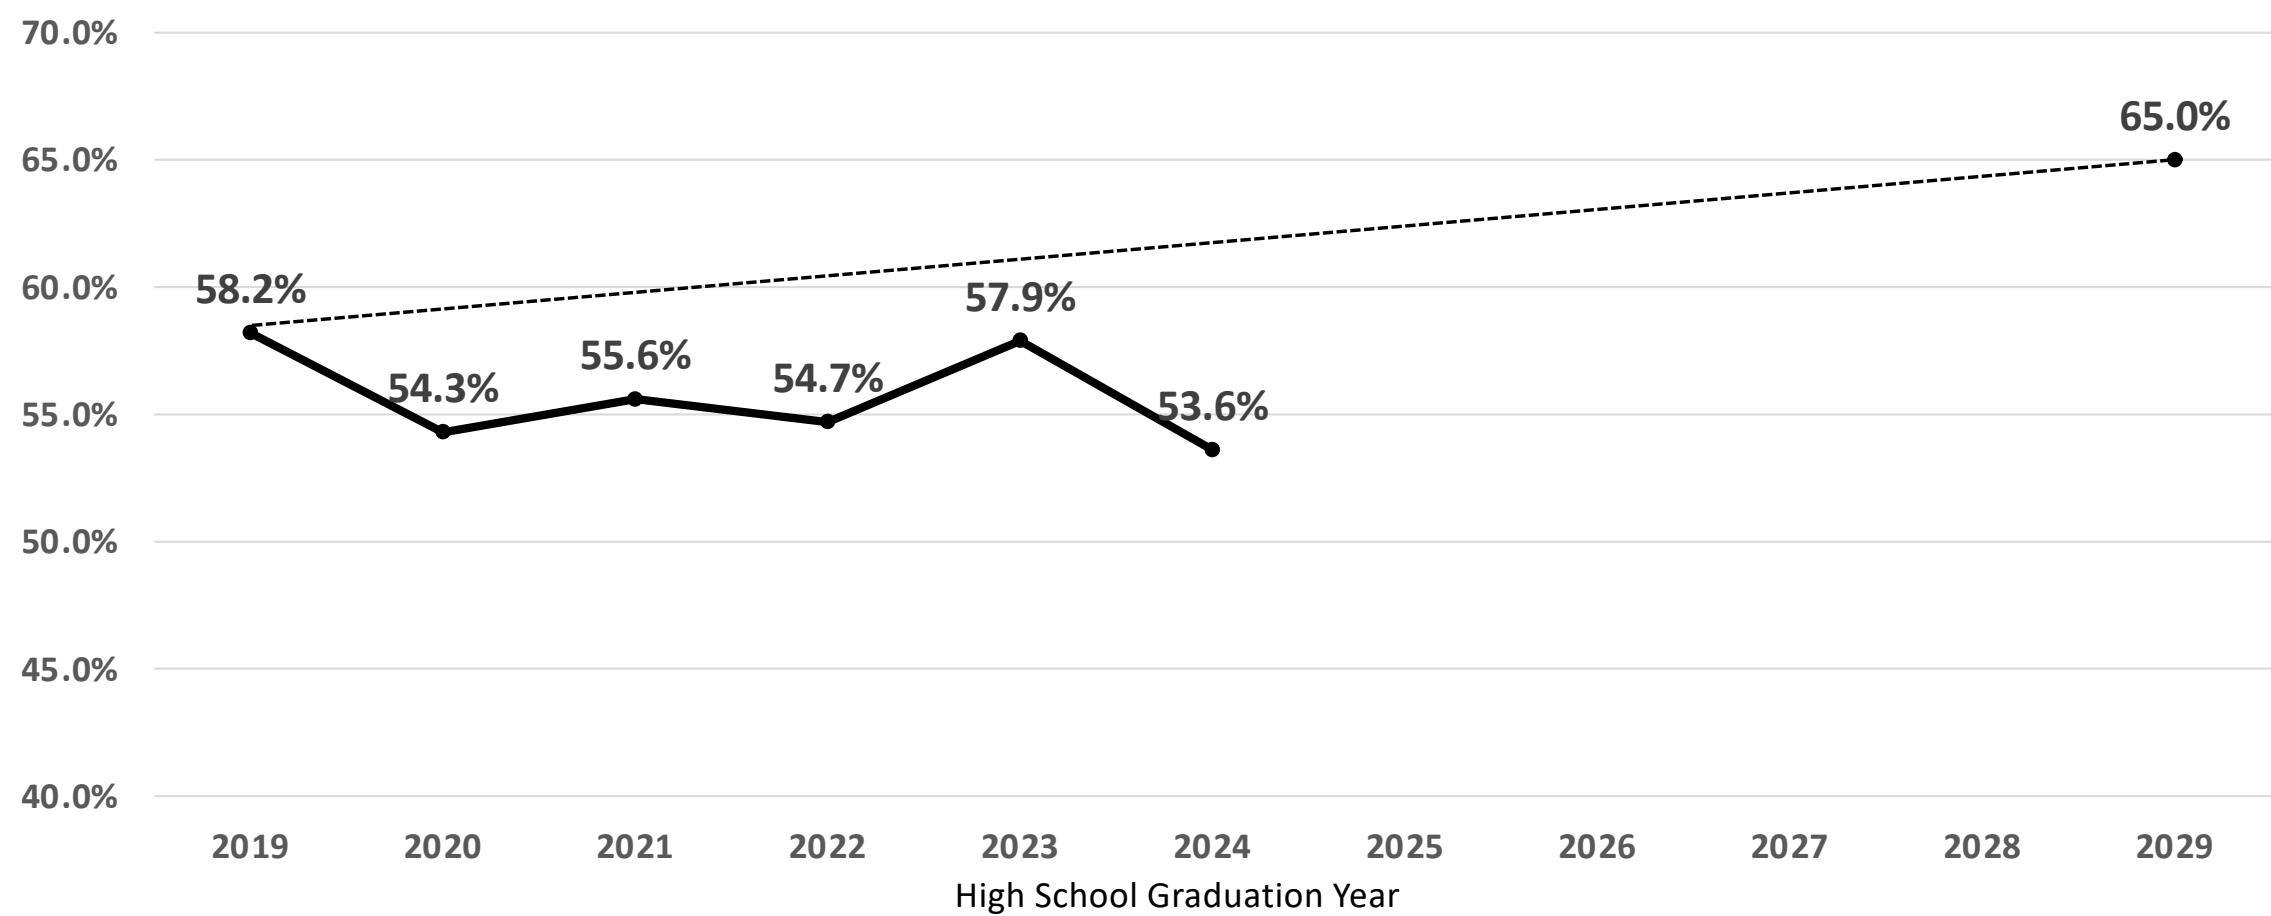

College Access Goal

Valencia College will work with community partners to ensure that, by 2030, **65%** of Orange and Osceola County high school graduates of each race and ethnicity will attend a post-secondary institution **in Florida** – including vocational or technical school, college or university – in the year following high school graduation.

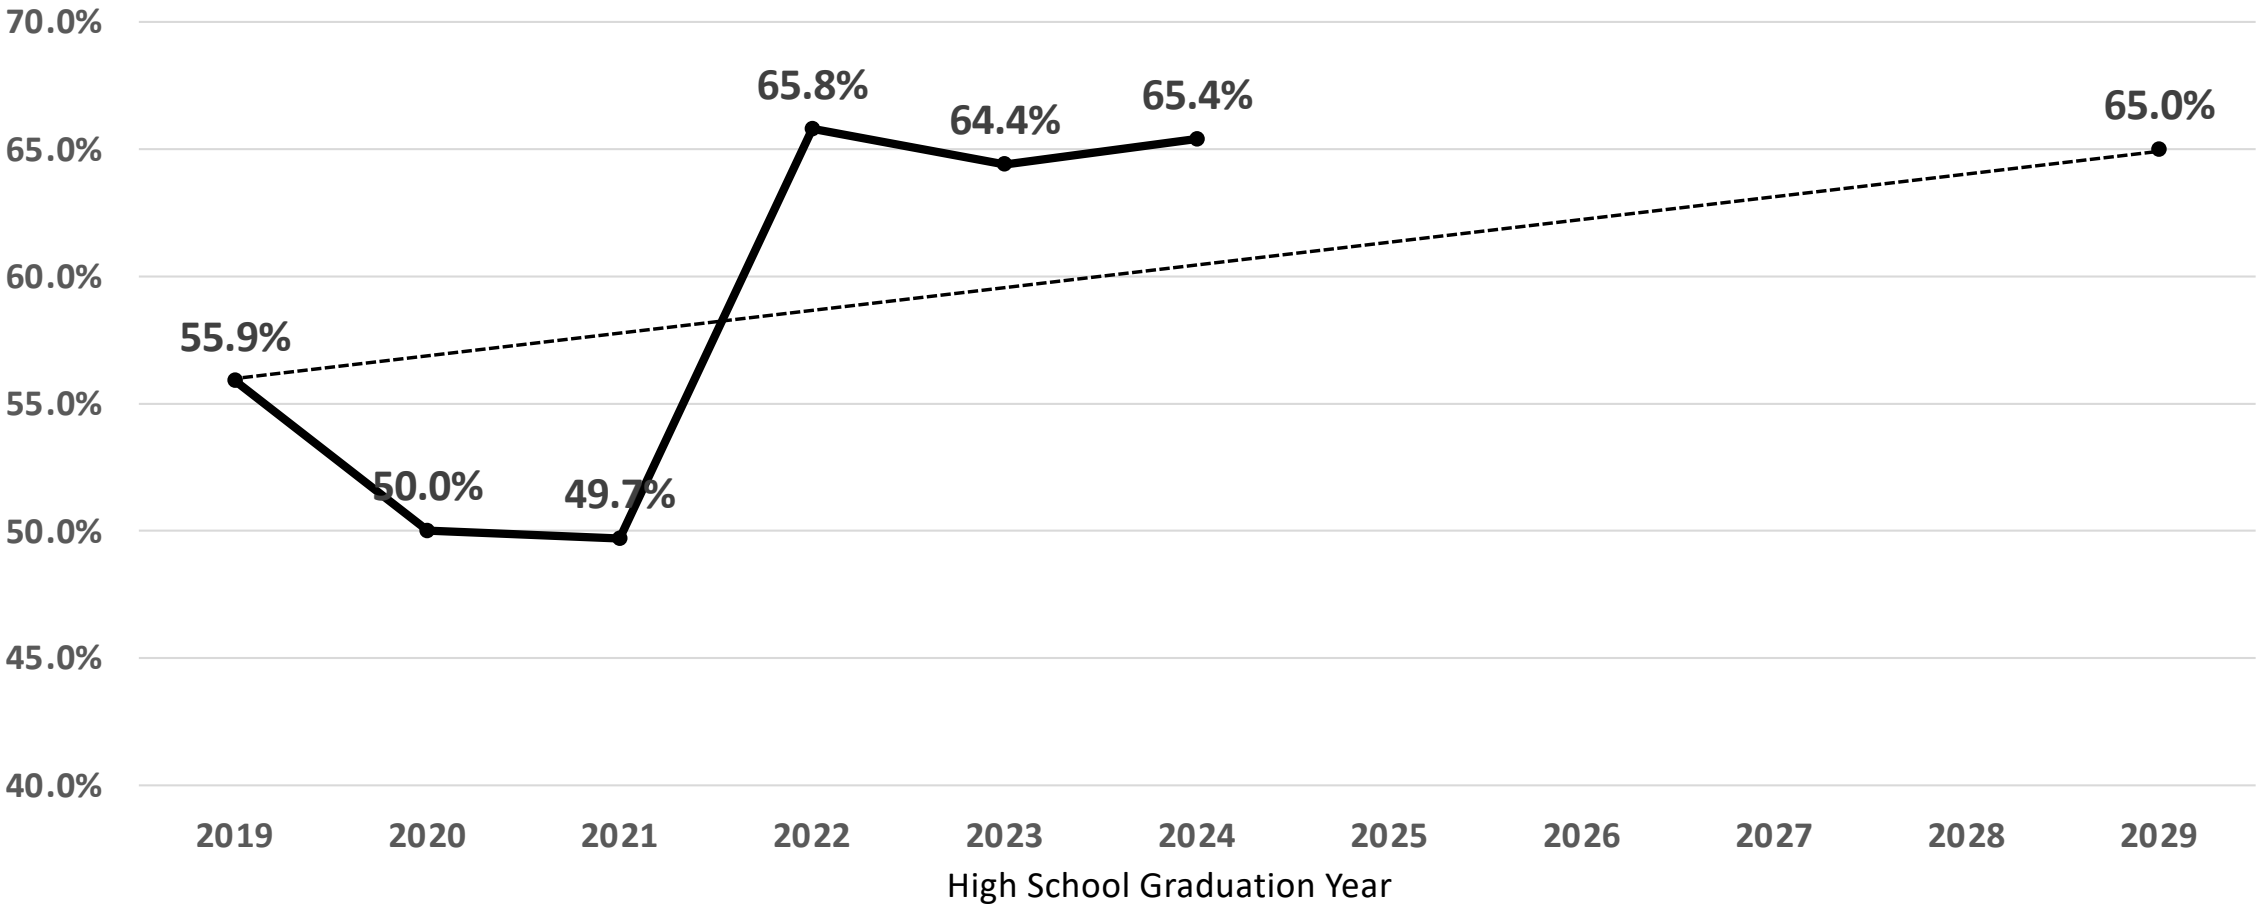

College Access Goal: Orange County

Percentage of Students Enrolled in Postsecondary Institution in Florida in Year Following High School Graduation

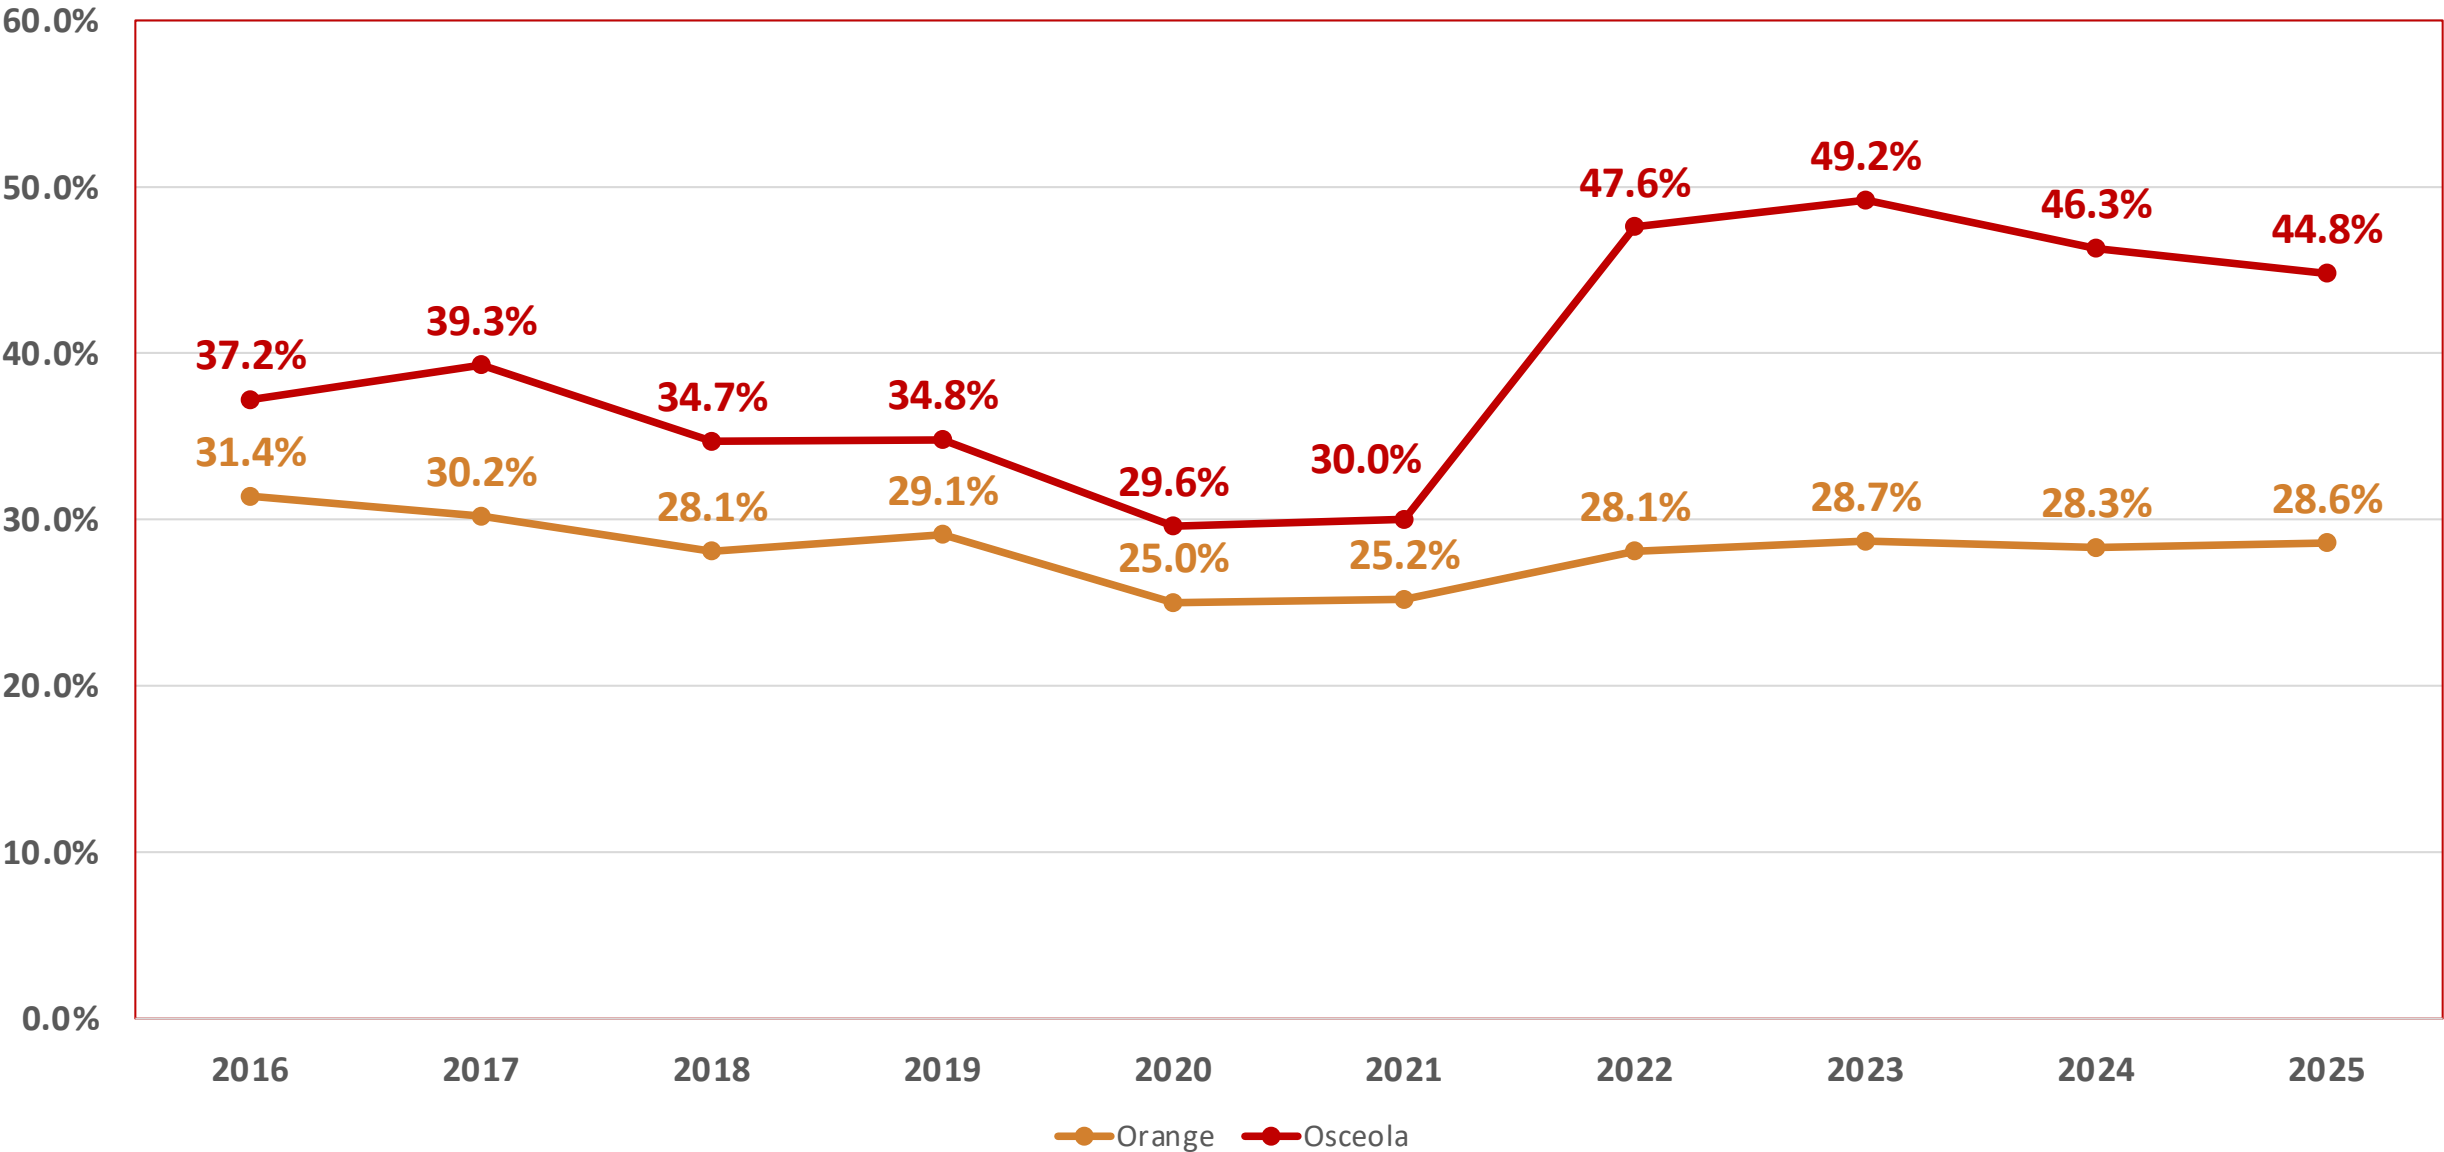

College Access Goal: Osceola County

Percentage of Students Enrolled in Postsecondary Institution in Florida in Year Following High School Graduation

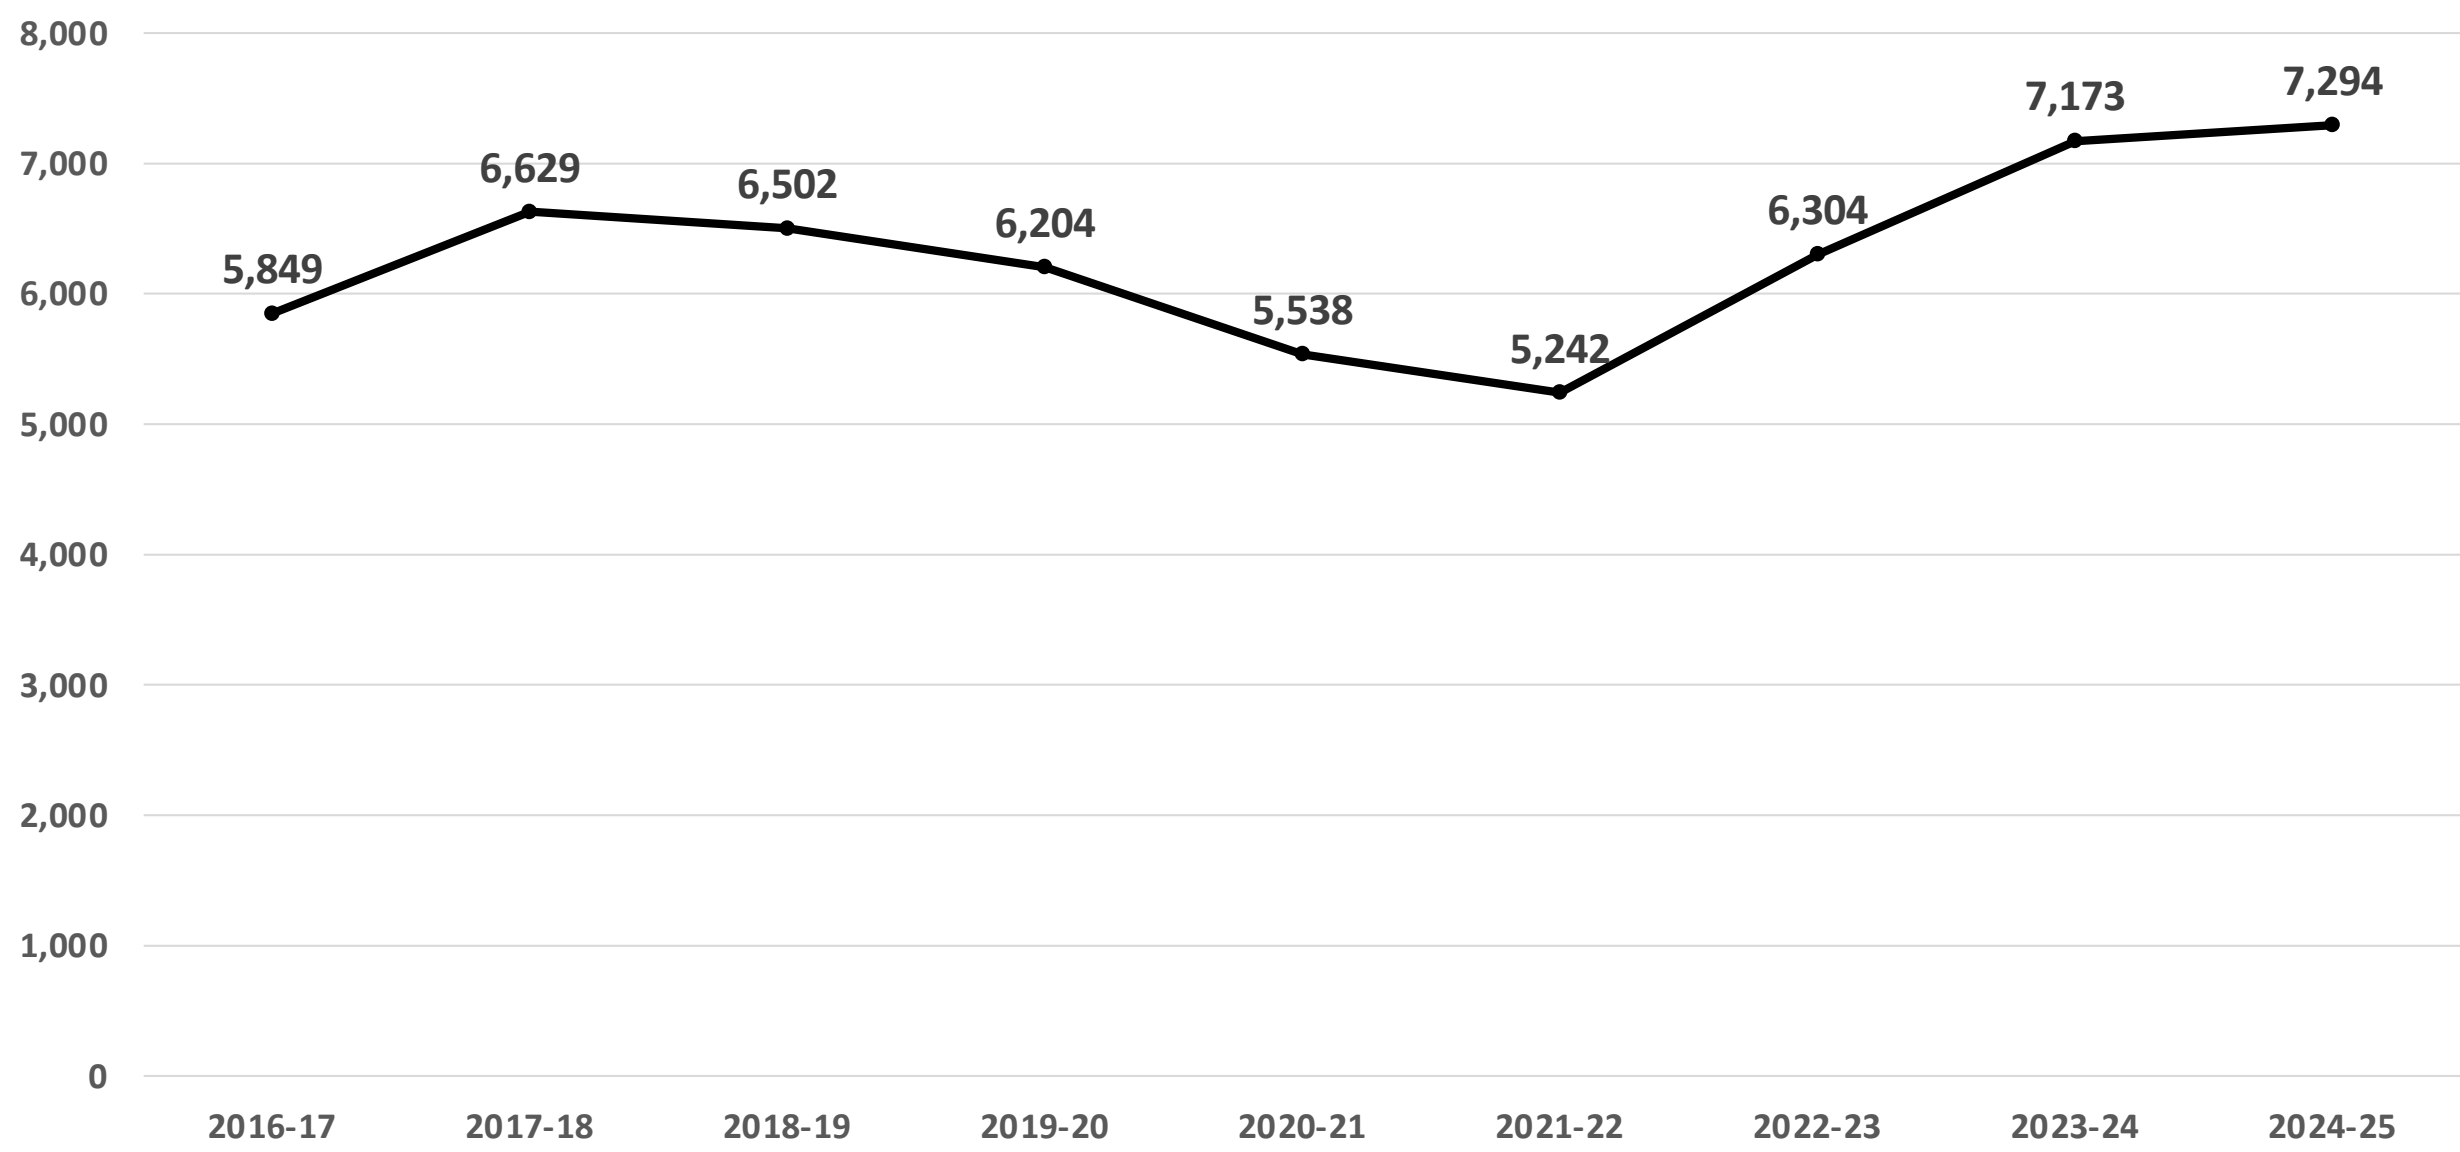

College Access Goal: Leading Indicator

Percentage of Orange/Osceola Public High School Graduates Enrolled at Valencia in Subsequent Fall

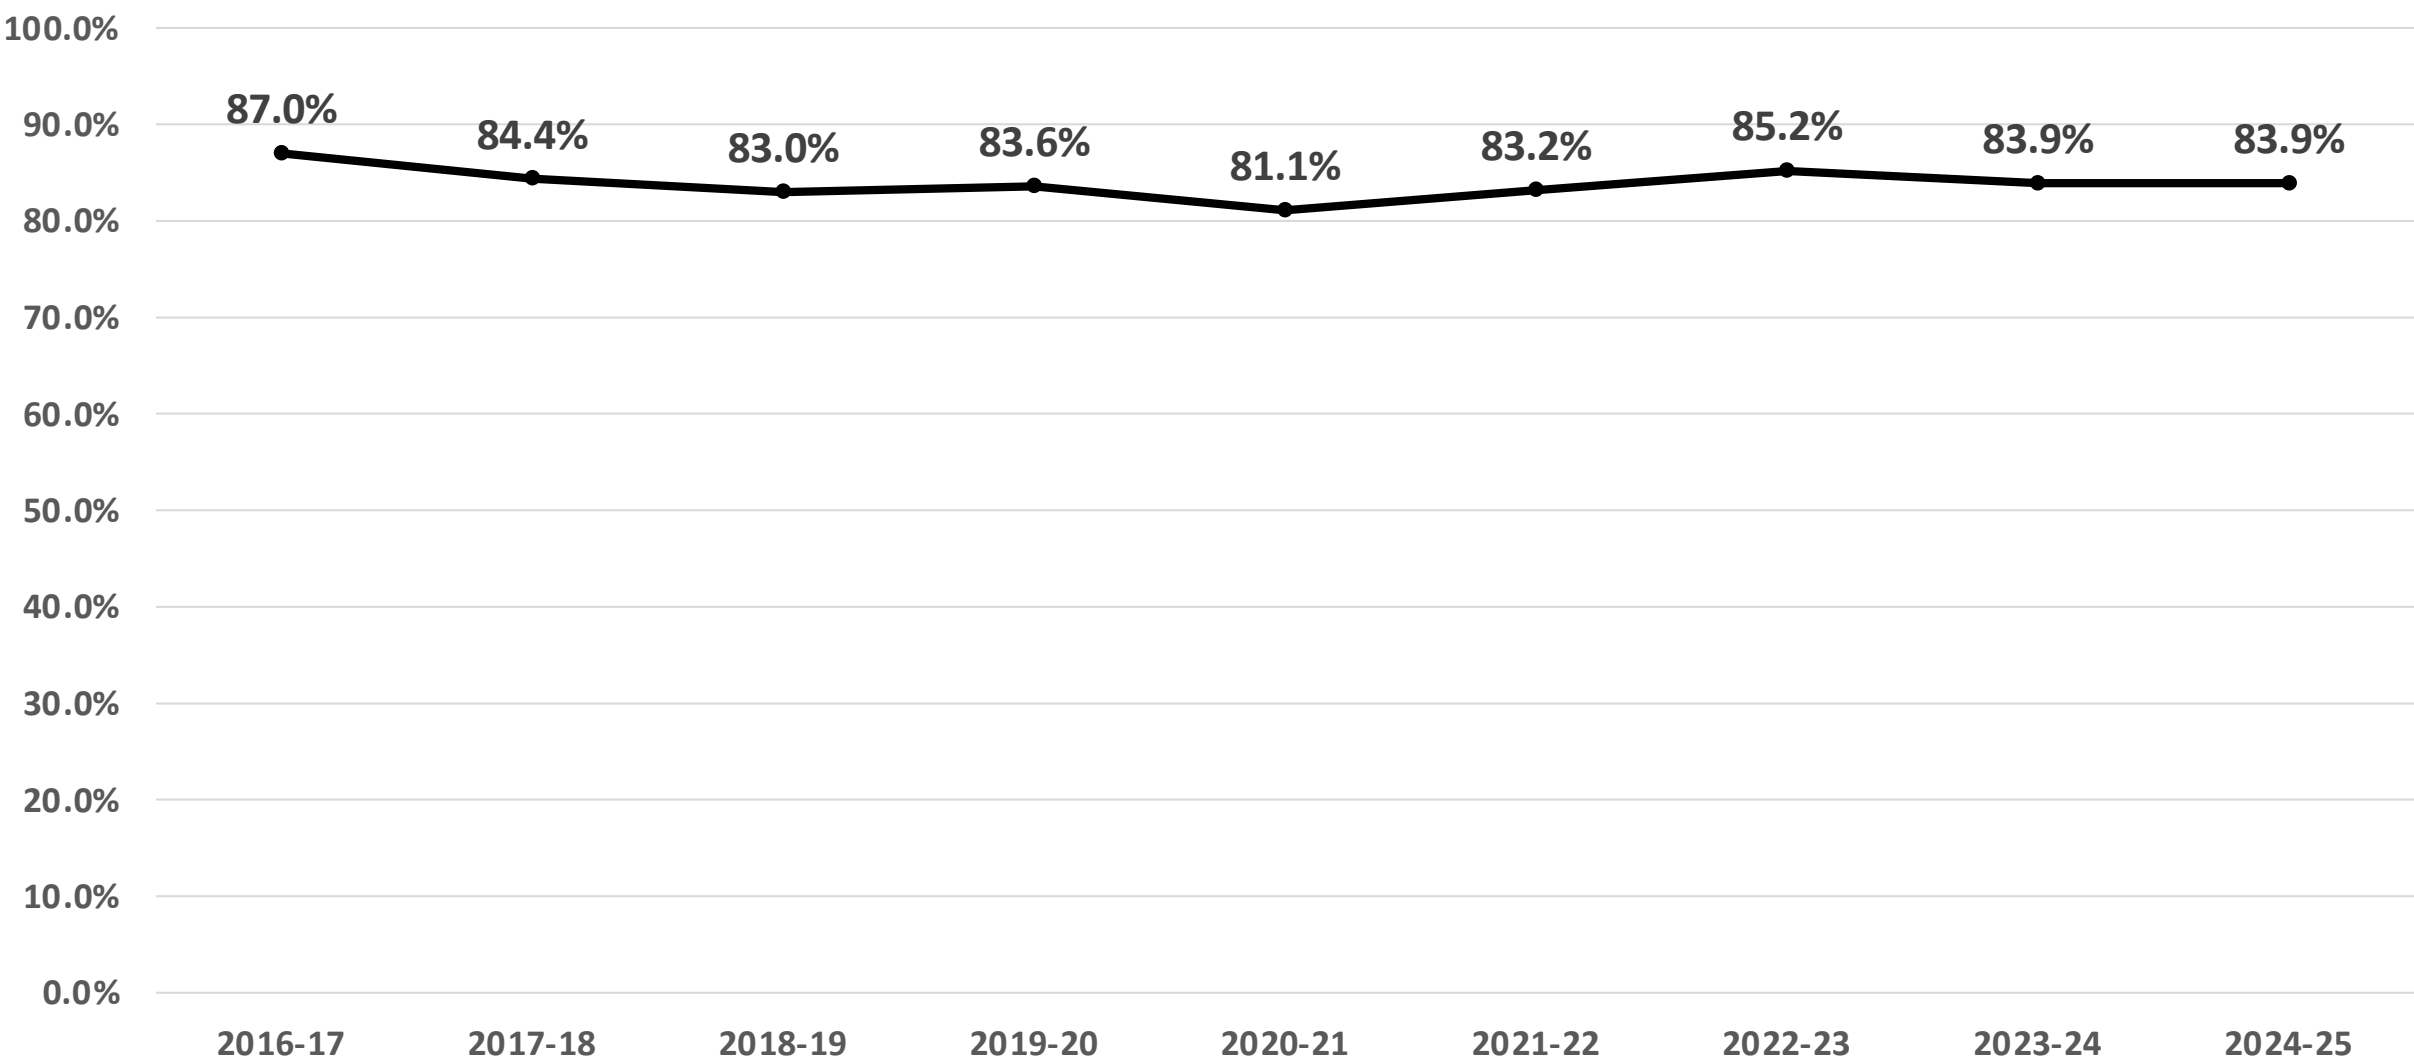

College Access Goal: Leading Indicator
