

Central Florida Public Safety/Service College & Career Readiness Program

High School to Public Safety and Service
A Public Safety and Service Education and Training Summit

Pathways and Partnerships for High School Students Interested in Public Safety/Service

This summit will highlight:

- The central Florida public safety industry and future needs
- Public safety training and education at Valencia College and the new School of Public Safety: **Criminal Justice, Paralegal, Fire Rescue, EMT and Paramedic, Private Security, 911 Tele-Communications**
- Valencia College Career Coach orientation for public safety programs and certificates
- Tour of the School of Public Safety and demonstrations of the fire command and tactical simulators
- Public safety partnerships and collaboration at Valencia College

High School students interested in public
safety/service are encouraged to attend.
