

Celebrating 50 years
of better tomorrows.

Design Principles:

- The 50th Anniversary Commemoration will “feel like Valencia” and be an authentic representation of who we are as a college and a community.
- The 50th Anniversary Commemoration will celebrate our rich history, identify and honor our community impact, and inspire our future.
- The 50th Anniversary Commemoration will add value to our community, students, and employees by creating events, activities, and publications that amplify our college mission, vision and values.
- The 50th Anniversary Commemoration will result in deeper relationships with students, employees, and the community which will lead to greater investment of those stakeholder groups in the work of the college.
- The celebration activities, events, etc. will reflect thoughtful stewardship of time, space, and money.
