East Campus
Learning Support

Board of Trustees Presentation, June 24, 2015
Background

- The division of Learning Support was formed as part of the College’s campus-based re-organization efforts in Fall of 2011. A strategic link was created between Academic Affairs and Student Affairs.

- **Learning Support Mission:** The division of Learning Support serves to promote the College’s mission by fostering a positive learning environment that enhances and extends instructional activities and empowers students to fully engage in the learning process.
