This bill creates a public record exemption for trade secrets that applies to most agencies that are subject to public record requirements. Defines the term "trade secret" and specifically excludes from the definition certain information related to any contract or agreement, or an addendum thereto, with an agency. Such information includes the parties to the contract or agreement; the amount of money paid, any payment structure or plan, expenditures, incentives, bonuses, fees, or penalties; the nature or type of commodities or services purchased; and applicable contract unit prices and deliverables. Requires a person who submits a record claimed to contain a trade secret to an agency to mark the record clearly with the words "trade secret" and to submit with the record a notice verifying, under penalty of perjury, that the record contains a trade secret. 	01/30/20 - HOUSE Now in State Affairs Committee	Oversight, Transparency & Public Management Subcommittee; Commerce Committee; State Affairs Committee
