Accommodation of Religious Observances by Students

Policy Statement:

I. It is the policy of Valencia College to reasonably accommodate the religious observance, practice, and belief of individual students with regard to admission, registration, official ceremonies, and attendance in class (including the scheduling of class activities, work assignments, and examinations), by the provision of reasonable alternative means for students to carry out their responsibilities as students.

II. A religious holy day is defined as a significant day of religious observance as recognized by the highest governing body of that particular religious faith. Students requesting a religious accommodation with respect to their observance to a religious holy day(s) may be asked to provide information about their religious obligations.

III. Students should refer to College Policy 6Hx28:02-01 Discrimination, Harassment and Related Misconduct if questions or concerns arise about being unreasonably denied educational benefits due to their religious beliefs or practices, to include contacting the Assistant Vice President for Human Resources for additional information and/or assistance at 407-582-3421 or equalopportunity@valenciacollege.edu.

I. Students are responsible for reviewing syllabi at the beginning of each term to identify course expectations that may be impacted by their observance of a religious holy day(s). At the beginning of each term, a student should submit a statement identifying their sincerely held religious belief, notifying the faculty/instructor of any date(s) of observance that may conflict with attending or participating in class related activities (i.e. class work requirements on a particular day, examinations, etc.). This statement of notification shall be in writing from the student and provided to the professor/instructor as soon as possible and no later than seven calendar days prior to the holy day(s), or by the prescribed timeframe as communicated by the faculty/instructor at the beginning of the term.

II. Upon receipt of written notification, the respective faculty/instructor is responsible for excusing the student without penalty. In addition, the student shall be provided with a reasonable opportunity, as determined by the respective faculty/instructor, to complete any class related activity(ies) the student may miss due to the religious absence, either before or after the holy day(s).

III. A student excused from class or class related activities shall be responsible for material covered in their absence.
