## The President of the College

---

**Policy  
Statement:**

- I. The President of the College shall be the executive officer and corporate Secretary of the District Board of Trustees as well as the chief administrative officer of the College, and all the components of the institution and all aspects of its operation are responsible to the District Board of Trustees through the President. The President shall have all powers and duties granted by law and as delegated by the District Board of Trustees. The President shall advise and counsel the board of trustees and recommend board action; recommend and enforce rules of the board of trustees; perform duties and exercise responsibilities assigned by law, by rules of the State Board of Education, and by the board of trustees; and delegate authority necessary to insure that laws and rules are executed effectively and efficiently.
- II. In accordance with Florida law and pursuant to the Contract of Employment for the President of Valencia College, it is the responsibility and obligation of the District Board of Trustees of Valencia College to evaluate the performance of the President of the College on an annual basis. The evaluation shall be conducted in accordance with a documented review process. Each member will submit a signed evaluation form, to be summarized in an evaluation report to be provided to the Chair and the President. After completion of the President's performance evaluation at a Board meeting and formal acceptance by the District Board of Trustees, an evaluation summary shall be submitted to the Chancellor of the Division of Florida Colleges.

- III. The District Board of Trustees shall address within the annual evaluation of the President the achievement of any performance goals that may be established by the President and the District Board of Trustees. In advance of the President's performance evaluation, members of the District Board of Trustees will be provided relevant information with respect to these matters, to be considered in the evaluation process.
