The President, or designee(s), may establish programs and procedures to implement this policy.

- I. All full-time classroom professors will be on duty for at least thirty-five (35) hours per week. All other full-time instructional employees will be on duty for at least forty (40) hours per week. Five (5) days per week will constitute the normal work week unless otherwise approved by the president or a designee.

Employees who are assigned to positions which are classified as exempt from earning overtime under the FLSA will receive pay on a salary basis. Salaries of employees, exempt from earning overtime under the FLSA, are intended to cover all hours worked during the pay period. The college will not make deductions from salary that violate the FLSA or reduce wages to less than minimum wage unless otherwise permissible by federal and/or state rules and regulations.

- IV. The District Board of Trustees is authorized to include salary additive payments in the employment contracts of eligible employees. Salary additive payments, to the extent required or permitted by law, rule or regulation, may be construed as additional wages for the purposes of federal income taxes, social security, and retirement contributions.

A twelve-month, full-time employee must have worked or have been on approved leave with pay for the full workday before and, except for retiring employees, the full workday after the holiday(s) or paid non-duty day(s), in order to be compensated. Non-Exempt staff should refer to section II.B, Guidelines for Staff Employees Who Are Non-Exempt, for the proper procedure to document hours of work for the holiday(s).

II. Guidelines for Non-Instructional Employees Classified as Executive Management, Administrative, and Staff

- A. **Classification of Positions:** All college-budgeted, non-instructional positions are classified and assigned to a pay grade in accordance with the approved salary schedule. Positions are also classified as either non-exempt or exempt from overtime reporting in accordance with the Fair Labor Standards Act (FLSA).

1. Staff employees who are classified as non-exempt:

- a. Staff employees who are classified as non-exempt are required to report all hours of work (more information in section II.B., Guidelines for Staff Employees Who Are Non-Exempt)
- b. Staff employees who are classified as non-exempt will be considered full-time if filling positions requiring they work a minimum of 228 days per year and a minimum of 40 hours per week during the fiscal year, unless otherwise approved by the President or designee.
- c. Employees not filling positions as defined above will be classified as part-time employees. Part-time employees paid on an hourly basis are classified as non-exempt and eligible to earn overtime in accordance with the FLSA.

2. Executive management, administrative, and staff employees who are classified as exempt:

- a. Executive management and administrative employees who are classified as exempt will be considered full-time if filling positions requiring they work a minimum of 228 days per year during the normal contractual period, unless otherwise approved by the President or designee.

B. Guidelines for staff employees who are classified as non-exempt:

These procedures provide guidance for staff employees and their supervisors when reporting their hours of work. The college requires all supervisors and staff employees to adhere to these procedures for the college to maintain compliance with the FLSA.

1. Hours of work

- a. Within these parameters, departments are responsible for establishing specific hours of work and may adjust schedules as deemed necessary based upon operational needs.
- b. A workday shall constitute eight (8) duty hours and a workweek shall constitute forty (40) hours for full-time, staff employees who are classified as non-exempt unless otherwise approved by the president or designee(s).
- c. The college workweek shall begin at 12:00 a.m. Sunday and continue for seven (7) consecutive days (168 hours).

- d. Staff employees may take one fifteen (15) minute rest break during the first half of the work shift and one fifteen (15) minute rest break during the second half of the work shift except in emergencies. An employee may not accumulate unused rest breaks or combine them with lunch breaks. Breaks are based upon supervisor or department discretion and operational needs.
- e. A staff employee who is classified as non-exempt may not begin work more than seven and one-half (7½) minutes before scheduled working hours or depart later than seven and one-half (7½) minutes after scheduled working hours without permission of his or her supervisor.

2. Recording of hours worked

- a. Staff employees, who are classified as non-exempt under the FLSA, are required to record and verify the hours they work in a manner prescribed by the college.
- b. The time that an employee starts, stops, or interrupts work (e.g., lunch time when an employee is relieved from duty) will be recorded. Starting and stopping times will be rounded and recorded to the nearest one-quarter (¼) of an hour. Authorized fifteen (15) minute rest breaks do not need to be recorded.
- c. Banked holiday hours are earned if a full-time, non-exempt employee works more than the required number of hours during a week that includes a College observed holiday and cannot record the full number of hours granted for that holiday. If a full-time, non-exempt employee works more than the required number of hours in a week that contains a College observed holiday, the employee must reduce the number of holiday hour(s) recorded on their timesheet equal to the number of hour(s) worked over what was required for the week. Payroll Services will record those excess hours as “Banked Holiday” in the Request and Manage My Leave System. When the full-time, non-exempt employee wants to utilize eligible “Banked Holiday” hour(s) at a later date, the non-exempt employee shall submit a Certificate of Absence (COA) with “Banked Holiday” as the reason and the applicable number of hour(s) in the Request and Manage My Leave System for supervisor review and approval; and will record the applicable “Banked Holiday” hour(s) on their timesheet.

3. Approving time and attendance records

- a. Designated web-time-entry approvers must verify that the information recorded, accurately represents the employee’s time and attendance including hours worked, applicable leave, and holiday time for the covered period in accordance with established procedures. Note: Appropriate Certificate(s) of Absence and web

time entry documented leave must match for the covered pay period.

- i. Full-Time Non-Exempt Employees – See College Policy 6Hx28: 3D-03 Total Rewards: Vacation, Sick and Personal Leave for Full Time Employees for information on full-time employees utilizing applicable leaves.
 - ii. Part-Time Employees – Part-time employees do not accrue vacation or sick leave. After three (3) consecutive scheduled work day absences or five (5) scheduled work day absences in a thirty (30) calendar-day period, the supervisor or designee may require a part-time employee to furnish a medical certificate signed by a qualified health care provider that documents the reason for the absence and certifies that the employee is able to return to work. Once the documentation is received and evaluated by the supervisor/designee in consultation with Organizational Development and Human Resources (ODHR), applicable medical document(s) shall be forwarded to ODHR to be maintained in a separate employee record. For the death of a part-time employee's close family member or member of the employee's household, the department may require that the employee furnish supporting documentation that substantiates the reason for the absence.
- b. Designation as an approver for full-time employee web-time-entry records will be based on the reporting hierarchy defined in the position control records maintained by human resources and documentation of supervisory responsibility in the approver's official/approved job description.
 - c. Designation as an approver for part-time employee web-time-entry records will be based on the supervisory relationship and documentation of supervisory responsibility in the approver's official/approved job description.
 - d. Changes to the reporting hierarchy defined in the position control records will require approval by the appropriate Sr. Staff member and be subject to documentation of supervisory responsibility in the official/approved job description.

4. Overtime compensation

- a. At times, it will be necessary to require staff employees to work overtime. Overtime must be approved in advance by the appropriate vice president, Campus Provost or designee(s).
