Upon the employee's return to work, the employee shall immediately file the COA form, which states the reason for the absence and shows acknowledgement by the employee's immediate supervisor. A supervisor may submit a COA on behalf of an employee who is unable to complete the request themselves before the end of the pay period deadline.

The scheduling of vacation leave shall be done in advance to provide the respective supervisor with notice, is subject to supervisory approval, and it must be scheduled so that there will be minimum disruption to College and/or departmental operations.
- b. Employees in full-time grant funded positions shall not carry over more than ten (10) days of vacation leave into a new calendar year. Vacation leave credits earned more than ten (10) days in any calendar year shall be used that calendar year or be forfeited at the end of that calendar year unless the grant includes funding for additional days and is approved by the president or designee(s).

- b. Vacation leave is earned at the following annual rates and is based on the employee's current position category and creditable years of service at the college or at another Florida College System Institution:

YEARS OF SERVICE	0 – 4 years	5 – 9 years	10 or more years
Executive Management	20 days	22 days	24 days
Administrators	16 days	19 days	22 days
12-month Faculty and Staff	12 days	15 days	18 days

- c. The maximum number of earned vacation days an eligible employee may carry over into a new calendar year as follows:

	As of Dec. 31
Executive Management	65 days
Administrators	50 days
12-month Faculty and Staff	44 days

Upon separation from the college or transfer to a position that is not eligible for one or more leave types (i.e., sick and/or vacation), eligible employees shall be paid for earned and unused vacation leave in accordance with established procedures associated with College Policy 6Hx28: 3F-02, Terminal Pay for Full Time Employees.

- d. For employees in the executive management category, the value of unused accrued vacation leave more than the maximum carryover will be contributed to a 401(a) plan to the maximum extent permitted by Federal tax laws and College policy. The value of this leave shall be calculated by multiplying the unused accrued vacation leave more than the maximum carry over by the employee’s daily rate as determined using the procedures associated with College Policy 6Hx28: 3F-02 (Terminal Pay for Full Time Employees) effective January 1 of the calendar year the contribution shall be made.
