Procedures:

- I. General Provisions and Sick Leave Guidelines for all full-time employees
 - A. A request for applicable leave shall be recorded by the eligible employee on a Certificate of Absence (COA) form through the electronic leave system and should be submitted prior to the effective date of leave for supervisor review and approval based upon department needs, when possible.
 - B. Organizational Development and Human Resources (ODHR) maintains the official record for vacation, sick, and personal leave balances. Vacation, sick, and personal leave may only be used after it has been accrued and documented as earned by ODHR systems.
 - C. Sick Leave Guidelines
 1. A full-time employee who is unable to perform their job duties at the College and must be absent from work due to personal sickness, accident disability, extended personal illness, medical or health related appointments, or because of illness or death of the employee's close family member or member of the employee's household, shall be eligible to take accrued sick leave.
 - a. For death of the employee's close family member or member of the employee's household, sick leave may be used for making funeral arrangements, travel, attending funeral services, and/or related matters. The department may require that an employee furnish supporting documentation to ODHR Leave & Access Services that substantiates the reason for the absence.
 2. A full-time employee who finds it necessary to be absent due to illness, emergency, or any other eligible reason as stated above in Procedures Section C. 1., shall provide as much notice to their immediate supervisor before the beginning of the day's work on the day of the absence or as soon as possible following the department's call-in procedures when the notice cannot be made in advance. This notice should include the anticipated duration of the absence.
 3. Upon the full-time employee's return to work, the employee shall

immediately file the COA form recording the use of sick leave, and for acknowledgement by the employee's immediate supervisor. A supervisor may submit a COA on behalf of an employee who is unable to complete the request themselves before the end of the pay period deadline.

4. After three (3) consecutive days or five (5) days in a thirty (30) calendar-day period of absence, the supervisor or designee may require, after consultation with ODHR Leave & Access Services, that an employee furnish a medical certificate signed by a qualified health care provider that certifies the absence is due to a medical reason. This documentation shall be obtained by the employee at their own expense. Documentation should be sent by the employee to ODHR Leave & Access Services for review and evaluation.
5. Employees absent from work for more than (15) consecutive workdays are expected to communicate with their supervisor regarding their extended absence. Based on circumstances surrounding the medical reasons, the supervisor will connect the employee with ODHR Leave & Access Services to determine the employee's eligibility under other potential applicable processes (e.g., Family and Medical Leave, Leaves of Absence). Should an employee not be eligible for continued leave under an established process, the supervisor has the discretion, after consultation with and approval from Leave & Access Services, to deny the continued use of sick leave based on impact to department or College operations.
6. At the conclusion of the use of sick leave, the employee must be able to perform all their essential job functions with or without a reasonable accommodation(s). It is the responsibility of the employee to notify ODHR Leave & Access Services should they need to request a reasonable accommodation(s) as outlined in College Policy 6Hx28: 2-02 Workplace Accommodations for Applicants and Employees.

II. Leave for Full-Time Executives, Senior Administrators, Administrators, counselors and librarians (12-month instructional employees), staff, and grant-funded positions

A. Vacation Leave

1. Vacation Leave Provisions

- a. Full-Time executives, senior administrators, administrators, counselors and librarians (12-month instructional employees), and staff positions earn

vacation leave based on years of service and accrual guidelines.

- b. Employees in full-time grant-funded positions shall not carry over more than ten (10) days of vacation leave into a new calendar year. Vacation leave credits earned more than ten (10) days in any calendar year shall be used that calendar year or be forfeited at the end of that calendar year unless the grant includes funding for additional days and is approved by the president or designee(s).
- c. An employee shall not accrue any additional vacation leave during any periods of paid leave taken between an employee's Last Work Date and Date of Separation as reflected in the Employee Separation Form (ESF) or its equivalent as filed by an employee's supervisor or designee.

2. Vacation Leave Guidelines

- a. Eligible employees earn vacation leave for each calendar month in which the employee has worked or been on approved paid leave for the major fraction of the calendar month. One-half (1/2) or more of the work days in a month shall be considered a major fraction.
- b. Vacation leave is earned at the following annual rates and is based on the employee's current position career band and creditable years of service at the College or at another Florida College System Institution:

POSITION CAREER BAND AND YEARS OF SERVICE	0 – 4 years	5 – 9 years	10 or more years
Executives and Senior Administrators	20 days	22 days	24 days
Administrators	16 days	19 days	22 days
12-month Faculty and Staff	12 days	15 days	18 days

(Note: Once an eligible employee meets the next level annual rate based on the employee's current position career band and applicable years of service, the new rate shall commence at the start of the next fiscal year after the new level is attained.)

- c. The maximum number of earned vacation days an eligible employee may carry over into a new calendar year as follows:

POSITION CAREER BAND	As of Dec. 31
Executives and Senior Administrators	65 days
Administrators	50 days
12-month Faculty and Staff	44 days

- d. For employees in the executive/senior administrator career band, the value of unused accrued vacation leave more than the maximum carryover will be contributed to a 401(a) plan to the maximum extent permitted by Federal tax laws and College policy, or otherwise as determined by the College. The value of this leave shall be calculated by multiplying the unused accrued vacation leave more than the maximum carry over by the employee's daily rate as determined using the procedures associated with College Policy 6Hx28: 3F-02 (Terminal Pay for Full Time Employees) effective January 1 of the calendar year the contribution shall be made. The excess vacation leave time contributed to a 401(a) plan shall not be used in the calculation for terminal pay.
- e. For employees designated as administrator or 12-month faculty and staff, unused accrued vacation leave more than the maximum carry over shall be transferred to the employees' sick leave account effective January 1 of the new calendar year. The leave time transferred from vacation to sick leave is non-compensable and shall not be used in the calculation of terminal pay for unused sick leave.
