

Response Rates for Student Assessment of Instruction Survey
College-wide and Campus by Participation
Summer 2012 (201230)
Full Term (1) and Summer B (H2)

College Response Rate: Total student participation divided by total enrolled.

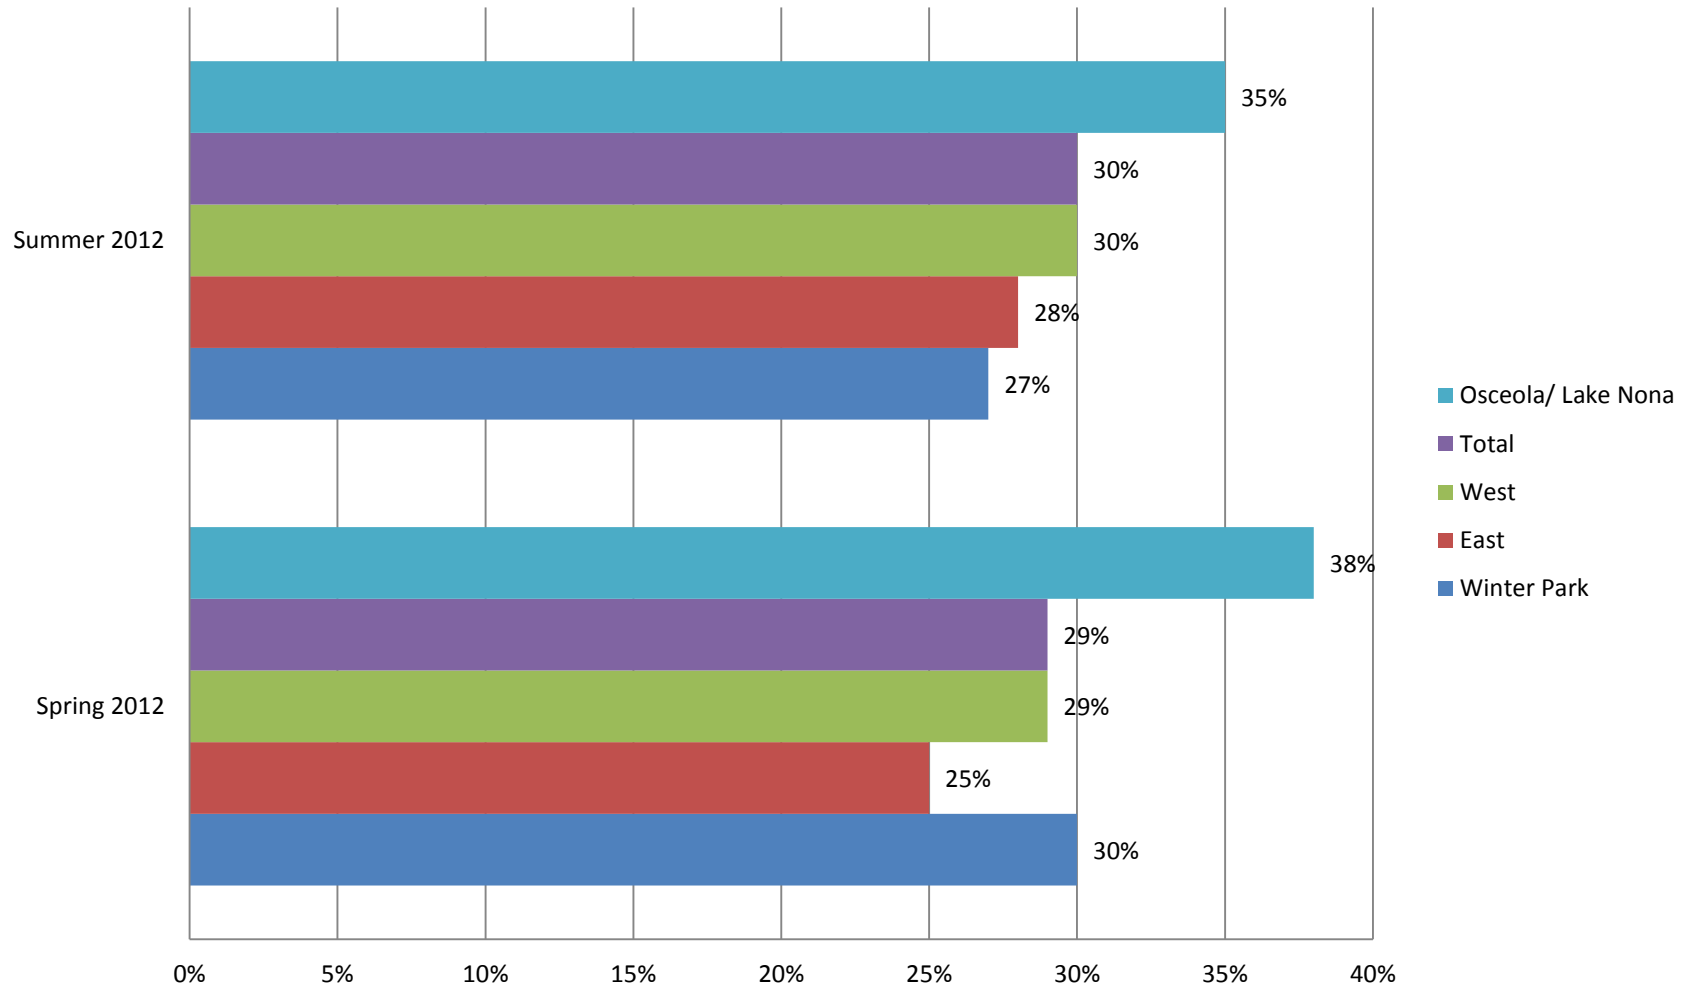

Campus Response Rate: Total student participation, divided by total enrolled by course campus

Counts are per enrolled student; therefore the college count is equal to the sum of the campus counts.

	Spring 2012 (201220) ClassClimate- Discontinued Program			Summer 2012 (201230) CoursEval- New Program		
	Spring Response Rate	Spring Participated	Spring Enrolled	Summer Response Rate	Summer Participated	Summer Enrolled
College-wide	29%	30380	103550	30%	11866	39645
West	29%	10811	36686	30%	4598	15532
East	25%	10007	40617	28%	4073	14646
Osceola	38%	7768	20522	35%	2815	8093
Winter Park	30%	1257	4213	27%	357	1346
Lake Nona	38%	521	1379	*	*	*

* Responses from Lake Nona were included within Osceola, based on designations drawn from Banner. Lake Nona and Osceola will be reported separately beginning this fall.
