

“Improvement—if it is to happen—will occur where faculty and staff have the most leverage to change how they approach teaching and learning.”

-Ewell, Paulson, and Kinzie, 2011

3:10 pm-4:05 pm	Building 8 Special Events Center “Watching Assessment” – A Glance Backward while Looking Towards Tomorrow in a Closing Conversation with Pat Hutchings. Author of the influential article related to this topic (co-authored with Ted Marchese) published in 1990, she will be joining us by Skype to reflect on where we have been, while we discuss where we want assessment to go across Florida’s state colleges. Dr. Hutchings is currently Senior Scholar at the National Institute for Learning Outcomes Assessment (NILOA) and Consulting Scholar for The Carnegie Foundation for the Advancement of Teaching. An electronic copy of the original article from 1990 will be provided in advance.

Opening Keynote Address:

- **Elevating and Understanding Ethical Reasoning Skills through Undergraduate Research Activities: What We are Learning when We Assess**
- Julio Turrens, Ph.D., Ph.D., Interim Associate VP for Academic Affairs and Dean of The Graduate School University of South Alabama
