Valencia Community College

Glossary of Terms Used in Institutional Research Reports

ACCOUNTABILITY REPORT – a process where data-based measures are used to provide information on institutional performance. Accountability Reports, published by the Florida Community College Technical Center and Management Information System (CCTCMIS), contain fall cohort benchmark measures calculated from data submitted by Florida State Colleges. These reports include prior year high school graduate enrollments, student retention and success, performance indicators for degree graduates who transfer to state universities by college prep and non-college prep, vocational program placement, and CLAS performance measures.

AGE

- **Mean Age** – the age obtained by computing the arithmetic average of all the Valencia students' ages.
- **Median Age** – the 50th percentile, obtained by creating a list of the ages of all the students in numerical order. The total number of students is divided by 2. The resulting quantity (rounded up to the next integer value if necessary) will be called position X. Starting from either end of the list and counting up or down to X, the middle age is found, corresponding to position X. That is the MEDIAN. For example, if there were 7 students and the list of their ages looked like this: 17 17 18 18 18 19 19, the median would be 18 (the second of the three 18s, in the fourth, or middle, position).

ALTERNATIVE DELIVERY

- **Hybrid/Blended Course** – a course that blends online and face-to-face delivery. A certain percentage of course instruction is delivered via electronic means and a certain percentage of instruction is conducted face-to-face.

- **Active Student** – a student who has enrolled in credit courses at Valencia within the past 24 months.
- **Enrolled Student** – a student who registered for one or more courses.

ARTICULATION – a State Board of Education rule that establishes provisions to facilitate the smooth transition of students through the various levels of Florida's educational system. An agreement between Florida's public state colleges and universities assures junior-level status to students who complete the state college general education and graduation requirements in university-parallel (AA degree) programs.
