

## **Title:** Downtown Course Schedule Report No Meet Times or Sites

**Purpose:** To show the Downtown course schedule including courses combined with UCF students. This report identifies if there is an error such as a difference in course, meeting days, begin time, and end time. This report also shows the enrollment, capacity, and percent filled by Valencia, by UCF, and total to assist in planning future course schedules.

**Description:** This sas stored procedure creates the Downtown combined courses report (called Downtown report in Excel), an error report (if errors exist), File Uploaded (the UCF csv file that was uploaded, and the UCF Cap sizes csv file that was uploaded. This is the COVID version of the original report.

**Access Details:** SAS Data Warehouse Portal PROD (Downtown, Enrollment, COVID)

## **Definitions:**

### **Bterm**

A time period that reflects a semester at Valencia College. There are three academic terms in the academic year: Fall, Spring, and Summer.

### **STRM**

UCF's term (i.e.1700 = 202110)

### **Part\_Term**

Part of term

### **Campus**

Downtown Campus

### **VC\_Course**

Valencia course (i.e., ENC1101)

### **UCF\_Course**

UCF course (i.e., ENC1101)

### **VC\_CRN**

Valencia CRN

**CLASS\_NBR**

UCF's version of a CRN

**Cr\_hours**

Credit hours of the course

**VC\_Professor**

Valencia professor assigned to teach CRN

**VC\_Professor\_Email**

Valencia Professor's email

**VC\_Modality**

Valencia modality of course section

**Location**

Building and room number where course section is taught

**Meetdays**

Meet days when course section is taught (i.e. TR, MWF)

**Begin\_Time**

The time course section begins

**End\_Time**

The time Course section ends

**Location2**

The building and room number associated with second meeting days

**Meetdays2**

The second meeting days for the course section (i.e. TR, MWF)

**Begin\_Time2**

The second meeting time the course section begins

**End\_Time2**

The second meeting time the course section ends

**Location3**

The building and room number associated with third meeting days

**Meetdays3**

The third meeting days for the course section (i.e. TR, MWF)

**Begin\_Time3**

The third meeting time the course section begins

**End\_Time3**

The third meeting time the course section ends

**Section\_Status**

Valencia section status (i.e., active, reserved, cancelled)

**Section\_Status\_UCF**

UCF section status (i.e., active, reserved, cancelled)

**Official\_Total\_Combined\_Seats**

Total seats available (UCF and VC) for the VC CRN

**UCF\_Cap**

UCF capacity for the course section

**VC\_Capacity**

Valencia capacity for the course section

**UCF\_Waitlist**

UCF waitlist count

**VC\_Waitlist**

Valencia waitlist count

**VC\_Enrolled**

Valencia enrollment count

**UCF\_Enrolled**

UCF enrollment count

**Total\_Enrolled**

Total enrollment count for Valencia and UCF

**Offical\_Total\_Pct\_Filled**

Total Percent filled (UCF and Valencia) for the course section
