

The screenshot shows the Valencia College CourseEval SFI Report Options page. At the top left is the CourseEval logo. The page title is "Valencia College CourseEval". On the top right, there are icons for settings, help, lock, and home. Below the title is a navigation bar with "Evaluation Reports" and two yellow boxes labeled "B" and "A".

The main content area has several filter sections:

- Type:** Standard
- Year:** 2012
- Period:** Show All
- Status:** Show All
- Faculty Assessed or Responsible:** S
- Department:** OSC-H
- Survey Name:** (dropdown)
- Match from beginning:** (dropdown)
- Go** and **Clear** buttons.

Below the filters is a blue bar with "View: Individual (Faculty)" and "Hide Private Q's". To the right of this bar are three buttons: "Options", "View Report", and "Print", which are highlighted with a red box and labeled "C".

The main content area is divided into three columns of options:

- Report Options:**
 - Numeric Results:** Radio buttons for "Include graphs with data tables" (selected), "Include data tables only (No Graphs)", and "Do not include Numeric Results in report".
 - Text Results:** Checked box for "Include Text Responses".
 - Graph Options:** Checked boxes for "Show patterned bars on graphs" and "Show data labels next to graph bars".
 - Select Data Table Columns:** Checked boxes for "Standard Deviation", "Median", "Mode", "Frequency Distribution", "Percentage", "High", "Low", "Variance", "N/A Count", and "Standard Error".
 - Header Options:** Checked box for "Display Overall Mean by Response Set".
- Compare Performance Against:** Unchecked checkboxes for "Each course, with other courses assessed on the same survey", "Each course, with other courses in the same department", "Assessed individuals, with others assessed on the same survey", and "Assessed individuals, with others in the same department".
- Compare By:** A dropdown menu showing "Symbolic - based on standard deviation" (selected), "Percentile Rank", "Quartile Rank", "Symbolic - based on percentile rank", "Symbolic - based on standard deviation" (highlighted), and "Symbolic - based on standard error".

On the right side, there are additional options:

- Using Default settings** and **Save as Default** button.
- Layout Options:** Unchecked boxes for "Start each Course's report on a new page" and "Group report sections by sub-category". Checked boxes for "Show links to edit text responses" and "Show links to view all text responses from each participant".
- Options for Comparative View only:** Unchecked box for "Force report to show questions in the order they appeared on the survey".
- Options for Individual View only:** Unchecked boxes for "Show assessee's picture (if available) in report header" and "Show Question Category comments".
- General Options:** Unchecked boxes for "Show assessee's picture (if available) in report header" and "Show Question Category comments".
- Results Display Options (select one):** Checked box for "Show BOTH questions and combined results", unchecked boxes for "Show combined results ONLY" and "Show questions ONLY".
- Feedback Options:** (Section header, no options visible).

Red arrows and numbers 1-9 point to specific elements: 1 points to Period, 2 to View, 3 to Faculty Assessed or Responsible, 4 to Numeric Results, 5 to Header Options, 6 to Standard Error, 7 to Compare By dropdown, 8 to Symbolic - based on standard deviation, and 9 to Results Display Options. Letters A, B, and C are in yellow boxes.
