Are you prepared to take General Biology BSC 1010C??

VALENCIA

Use the ***Biology Readiness Tool*** to find out!

The readiness tool is a 50-question assessment available in [Canvas](#) that has been developed to increase student success in BSC 1010C by suggesting appropriate course pathways. It is important to know that these are suggestions which can help most students succeed in BSC 1010C, they are not pre-requisites.

Scores greater than 70%:

Indicate that you should be successful in BSC 1010C.

Scores less than 70%:

Indicate that you may not be prepared for BSC 1010C and will suggest taking CHM 1025C – Intro General Chemistry before attempting BSC 1010C.

Valencia/UCF Concurrent Track

This track provides a unique dual enrollment opportunity, allowing students to seek the Associate of Science in Nursing (A.S.N.) from Valencia and the Bachelor of Science in Nursing (B.S.N.) from the University of Central Florida simultaneously. **The Traditional ASN program requirements apply to the Valencia/UCF Concurrent program, as students accepted into Valencia/UCF Concurrent are accepted to the Traditional Nursing program.**

Program Locations: Students indicate VC preference in the application: Day West Campus, Day Osceola Campus, or Evening/Weekend West Campus (preference is not guaranteed)

Admission Selection: A point system is used (by UCF) in the selection of qualified applicants. Student selection is competitive and based on the total number of points earned. There is no rolling admission for this option; students must reapply to be considered for a future semester. Students must meet the admission requirements for both Valencia and UCF.

Required at the time of program start: A.A. Degree
