

Allied Health Information Session

A.S. Radiography

A.S. Diagnostic Medical Sonography

A.S. Dental Hygiene

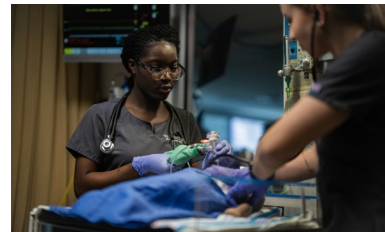

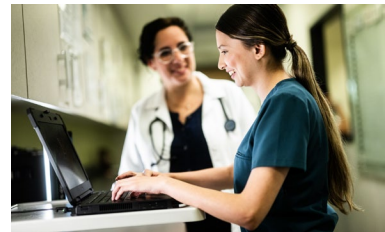

B.S. Radiologic and Imaging Sciences

Information Session Overview

By the end of this session, you will understand:

- Allied Health Programs
- Admission Requirements
- Application Process
- Program Costs
- Program Expectations

Valencia College Degree and Application Process

Types of Degrees

[Associate in Arts \(A.A.\)](#)

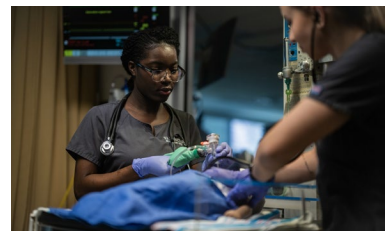

Two-year degree from state and community colleges, designed for students aiming to transfer to a University.

[Associate of Science in Allied Health](#)

Two-year degree from State or Community Colleges, designed for immediate workforce entry.

[Bachelor of Science in Allied Health](#)

Offered at State Colleges and Universities, these programs allow licensed professionals to advance their education and career.

Open Access and Limited Access

Open Access

Provides eligibility to enroll in courses based on program requirements and available course capacity.

Limited Access

These programs require a secondary application in addition to admission to Valencia College. Students must satisfy all program admission requirements to be eligible to apply.

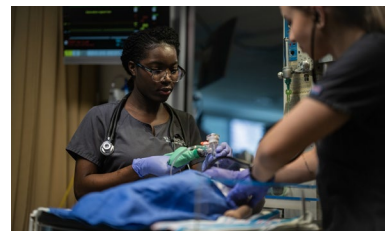

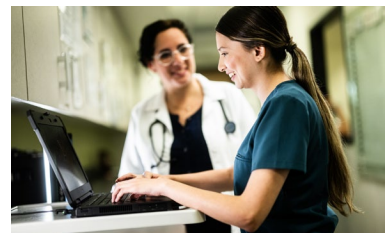

*Admission to Valencia College does not guarantee acceptance into a limited-access degree or certificate program. The nursing degrees are limited access.

Pending Program Status

Students pursuing a limited-access allied health program will be assigned a pending program status while they complete admission requirements.

All limited-access program prerequisites must be completed before applying.

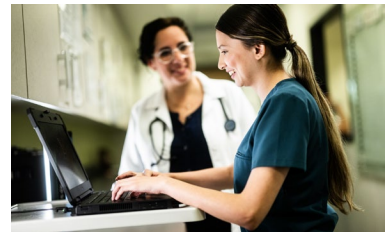

*Completion of limited-access program prerequisites does not guarantee admission into the program of interest

Steps to Apply

1. Apply and Be Admitted
2. Create Your VC Account
3. Submit Proof of Florida Residency
4. Submit Your FAFSA and Apply for Scholarships
5. Submit Official Transcripts
6. Determine if Placement Testing is Necessary
7. Complete Orientation and Connect with a Student Success Coach

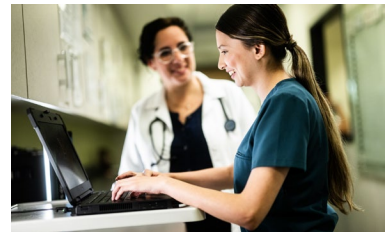

[Valencia College Admissions](#)

Allied Health Limited Access Programs

Before Applying to an Allied Health Program

- ✓ Attend an Information Session
- ✓ Confirm Program Eligibility Requirements
- ✓ Apply to Valencia College (reference steps to apply slide)
- ✓ Submit all transcripts
- ✓ Meet with a Student Success Coach
- ✓ Verify Transfer Course Equivalency
- ✓ Complete Program Prerequisites
- ✓ Submit ATI TEAS scores (if applicable)
- ✓ Review the program admission guide **for specific prerequisites and application deadlines**

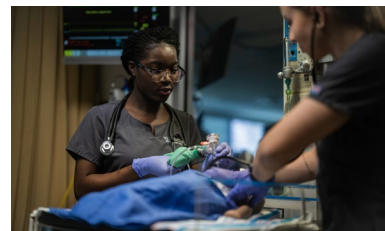

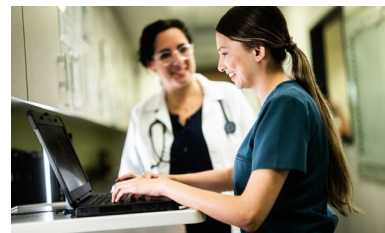

Submit All Transcripts

➤ Course Transcripts

- Submit high school and college transcripts from all institutions attended
 - *Transfer students are not required to submit a high school transcript for admission. **However, this is needed to receive financial aid.**
- Transcripts must be posted to your Valencia College record before the secondary health sciences program application deadline (recommended 3 months prior).
- Transfer courses may need to be reviewed for potential course substitution or equivalency. This must be completed before the secondary health science application deadline.

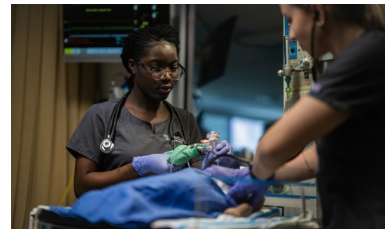

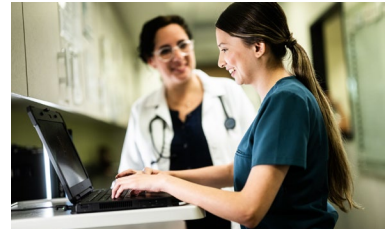

➤ Credit By Exam Transcripts

- Students using credit by exam (such as AP, CLEP, or IB) for prerequisite coursework must request and submit official score reports from the appropriate testing agency.

Program Eligibility Requirement

- ✓ Applicants must be 18 or older by the start date of the program
- ✓ Eligible applicants include:
 - U.S. Citizens, U.S. Permanent Residents, International Students, and individuals with Deferred Action for Childhood Arrivals (DACA), Temporary Protected Status (TPS), Refugee, or Asylee status.
 - Applicants who are not U.S. Citizens or Permanent Residents must have a valid Employment Authorization Document (EAD) for clinical placement purposes.
- ✓ Graduates are eligible to sit for the Program Certification Exam; however, a valid Social Security Number (SSN) is required for clinical placement, licensure, and employment in the state of Florida.

Students are strongly encouraged to meet with a Health Sciences Student Success Coach early to create an academic plan and prepare for program application requirements and deadlines.

VALENCIA COLLEGE

Allied Health Associate of Science

Program Exploration

Associate in Science (A.S.)

Radiography

School of Allied Health
AS. Radiography

Radiography Overview

Radiography Program Prepares Students to

- Be highly skilled healthcare professionals who use radiation and advanced imaging technology to produce diagnostic images.
- Operate X-ray equipment and perform imaging examinations that help physicians accurately diagnose and treat injuries and diseases.

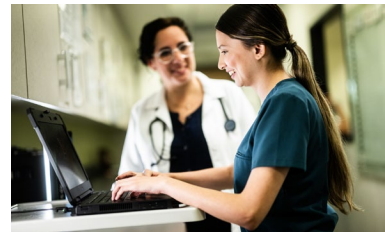

Radiographers Work In

- Hospitals
- Diagnostic imaging centers
- Urgent care facilities
- Private physician offices
- Public health organizations.

Radiography Application Information

- The Radiography Program admits students **once each year** for a summer semester start.
- Applications open at the beginning of January.
- The application period remains open for approximately one month.
- All admission requirements must be completed by the application deadline, including:
 - Prerequisite coursework
 - Minimum GPA requirement
 - ATI TEAS score requirement
 - Submission of required transcripts and documentation
- Applications are reviewed after the deadline using the program's competitive selection process.

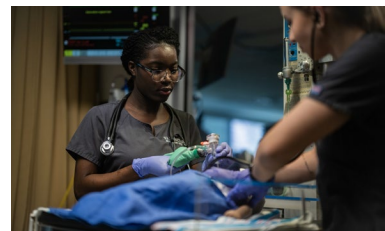

Radiography Admission Process

- The admission process is a points-based system
- Points are assigned by letter grade
- 4.0 credit hour courses are measured on a 10 – 6 scale

*PHY 1007 is not required for admission to the Radiography program. If taken, it will be awarded points using the standard 3-2-1-point scale

- 3.0 credit hour courses are measured on a 3 -1 scale
- 48 possible points

Credit Hour	Points
4.0	A = 10, B = 8, C = 6
3.0	A = 3, B = 2, C = 1

Radiography Admission Requirement

Admission Requirements

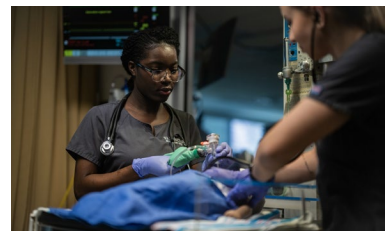

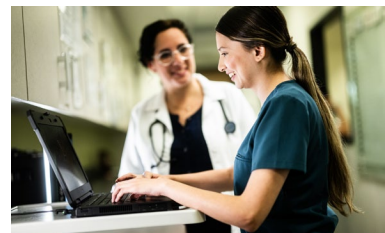

- ☐ Must be in Good Academic Standing at Valencia College at the time of application.
- ☐ Minimum Overall GPA: 2.5
- ☐ Minimum ATI TEAS Composite Score: 58.7
- ☐ All required prerequisite courses must be completed with a grade of C or better by the application deadline.

*Credit by Exam, such as CLEP, AP/IB, or S/P/Z grades, satisfies prerequisite course and credit requirements; however, these credits do not carry grade points and are not included in the GPA

Selection Criteria

Students will be selected based on the following order:

- ☐ Total Points
- ☐ Overall GPA
- ☐ ATI TEAS Scores

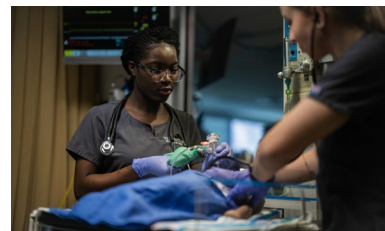

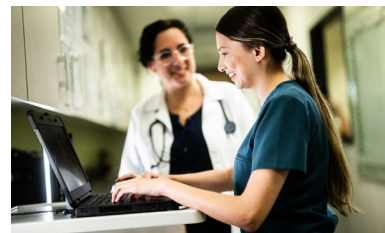

Radiography Prerequisite Courses

Required Prerequisite Courses

- ❑ BSC 2085C – Human Anatomy & Physiology I (4 credits)
- ❑ BSC 2086C – Human Anatomy & Physiology II (4 credits)
- ❑ MAC 1105 – College Algebra (3 credits)
- ❑ HSC 1531 – Medical Terminology (3 credits)

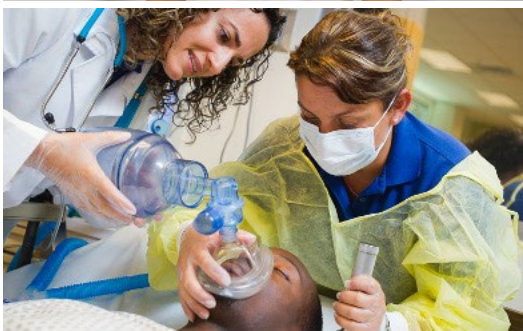

Recommended Courses for Additional Points

- ❑ PSY 2012 – General Psychology
- ❑ ENC 1101 – Freshman Composition I
- ❑ POS 2041/AMH 2020/AMH 2010 – Civic Literacy
- ❑ Florida Civic Literacy Assessment
- ❑ HSC 1004/SLS 1122
- ❑ PHY 1007 – Physics with Medical Applications
- ❑ Previous Year Alternate

Radiography Program Admission Statistics

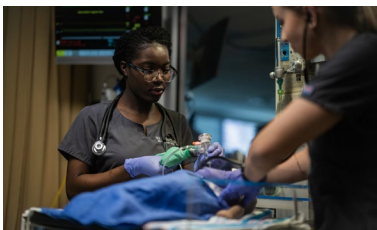

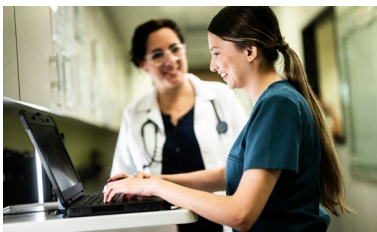

Programs	Average Points	Average GPA	Average TEAS	Program Capacity	Number of Applications	Application Year
Radiography	47	3.75	82	25	379	2026

Program Experience: Radiography

Learn through focused professional preparation

Status and Location	Classroom and Laboratory	Clinical Education	Time Commitment
Full- time Program Valencia College West Campus	Develop program-based knowledge and patient-care skills through guided instruction and simulation.	Complete approximately 1,440 clinical hours in affiliated health-care facilities while applying skills under supervision.	Plan for daytime coursework and clinical experiences plus approximately 15–25 hours of study per week.

Associate in Science (A.S.)

Diagnostic Medical Sonography

School of Allied Health

AS. Diagnostic Medical Sonography

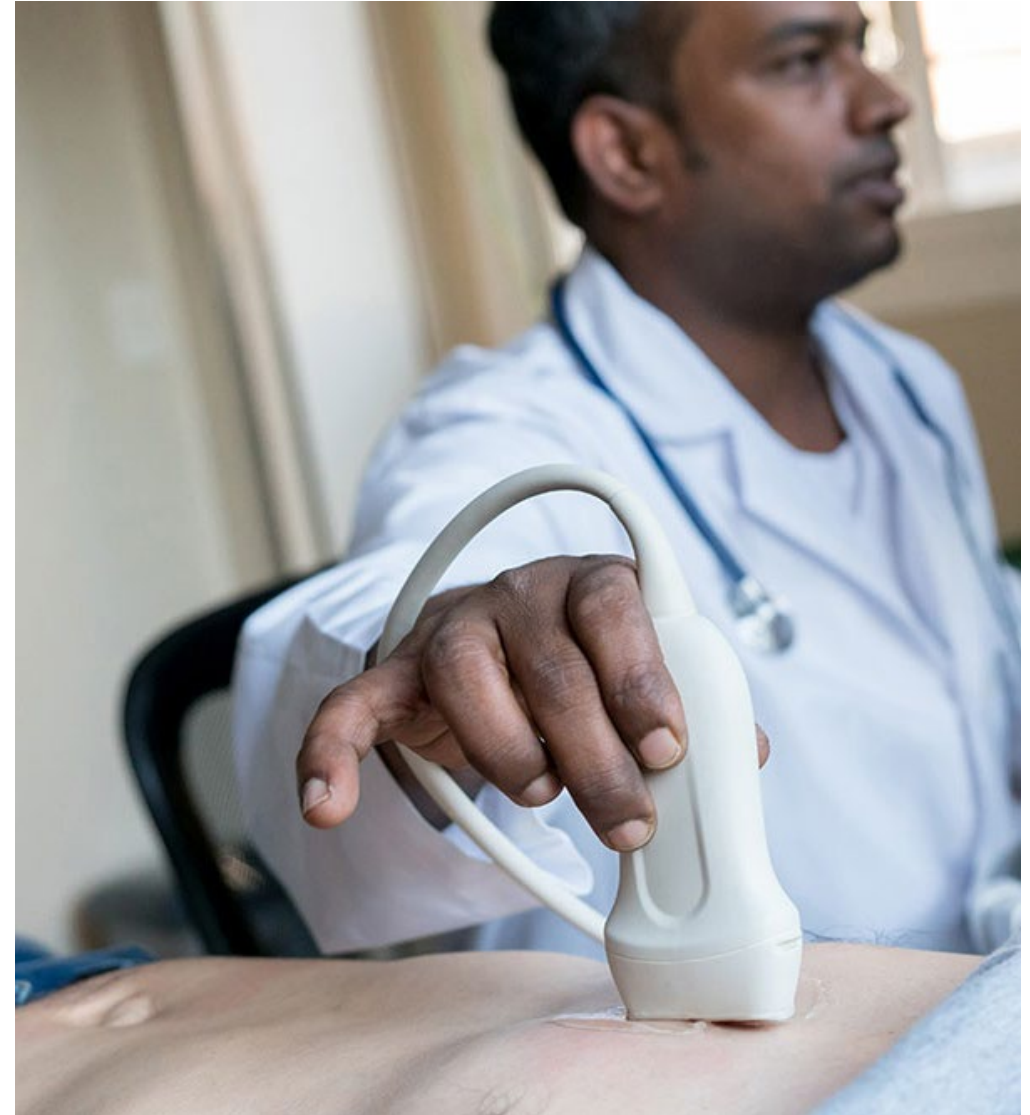

Diagnostic Medical Sonography (DMS)

DMS Prepares Students to

- Be highly skilled healthcare professionals who use high-frequency sound waves (ultrasound) to create diagnostic images of the body's internal organs and structures.
- Operate X-ray equipment and perform imaging examinations that help physicians accurately diagnose and treat injuries and diseases.

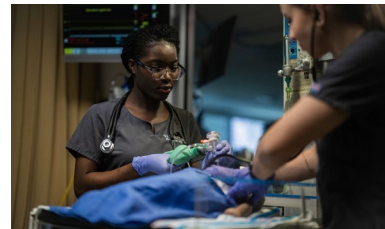

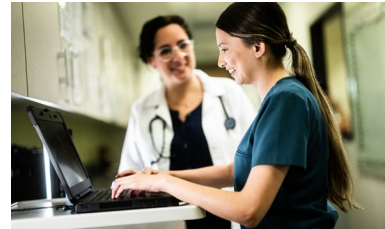

Sonographers Image

- Soft tissue organs (liver, kidneys, gallbladder. Etc.)
- Maternal Ultrasound

DMS Application Information

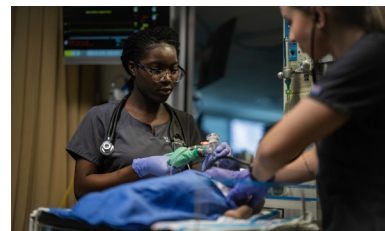

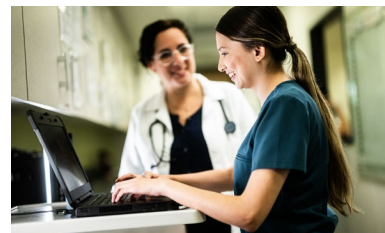

- The DMS Program admits students **once each year** for a fall semester start.
- Applications open at the beginning of May.
- The application period remains open for approximately one month.
- All admission requirements must be completed by the application deadline, including:
 - Prerequisite coursework
 - Minimum GPA requirement
 - ATI TEAS score requirement
 - Submission of required transcripts and documentation
- Applications are reviewed after the deadline using the program's competitive selection process.

DMS Admission Process

- The admission process is a points-based system
- Points are assigned by letter grade
- 4.0 credit hour courses are measured on a 10 – 6 scale
- 3.0 credit hour courses are measured on a 3 -1 scale
- 52 possible points

Credit Hour	Points
4.0	A = 10, B = 8, C = 6
3.0	A = 3, B = 2, C = 1

DMS Admission Requirement

Admission Requirements

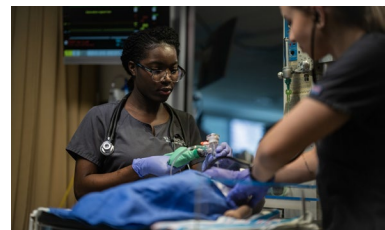

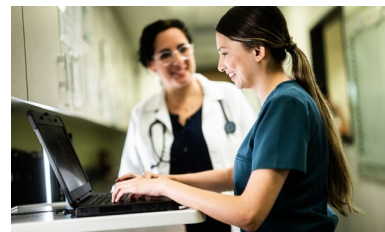

- ☐ Must be in Good Academic Standing at Valencia College at the time of application.
- ☐ Minimum Overall GPA: 2.5
- ☐ Minimum ATI TEAS Composite Score: 58.7
- ☐ All required prerequisite courses must be completed with a grade of C or better by the application deadline.

*Credit by Exam, such as CLEP, AP/IB, or S/P/Z grades, satisfies prerequisite course and credit requirements; however, these credits do not carry grade points and are not included in the GPA

Selection Criteria

Students will be selected based on the following order:

- ☐ Total Points
- ☐ Overall GPA
- ☐ ATI TEAS Scores

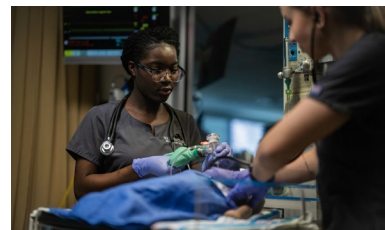

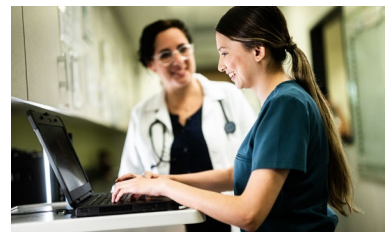

DMS Prerequisite Courses

Required Prerequisite Courses

- ☐ BSC 2085C – Human Anatomy & Physiology I (4 credits)
- ☐ BSC 2086C – Human Anatomy & Physiology II (4 credits)
- ☐ PHY 1007C – Physics with Medical Applications (4 credits)
- ☐ MAC 1105 – College Algebra (3 credits)
- ☐ ENC 1101 – Freshman Composition I (3 credits)
- ☐ CORE HUMANITIES

Recommended Courses for Additional Points

- ☐ POS 2041/AMH 2020/AMH 2010 – Civic Literacy
- ☐ HSC 1531 - Medical Terminology
- ☐ Florida Civic Literacy Assessment
- ☐ HSC 1004/SLS 1122
- ☐ Previous Year Alternate

DMS Program Admission Statistics

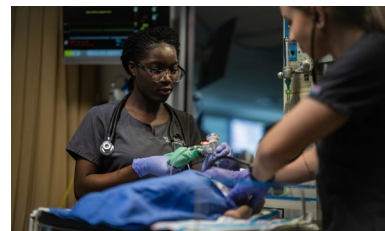

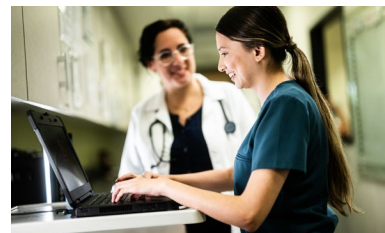

Programs	Average Points	Average GPA	Average TEAS	Program Capacity	Number of Applications	Application Year
Diagnostic Medical Sonography	49	3.93	83	12	229	2026

Program Experience: DMS

Learn through focused professional preparation

Status and Location	Classroom and Laboratory	Clinical Education	Time Commitment
Full- time Program Valencia College West Campus	Develop program-based knowledge and patient-care skills through guided instruction and simulation.	Complete approximately 1,440 clinical hours in affiliated health-care facilities while applying skills under supervision.	Plan for daytime coursework and clinical experiences plus approximately 15–25 hours of study per week.

Associate in Science (A.S.)

Dental Hygiene

School of Allied Health
AS. Dental Hygiene

Dental Hygiene (DH)

DH Prepares Students to

- Be licensed oral healthcare professionals
- Gain hands-on experience
- Promote, improve, and maintain oral health through patient education and preventive dental care

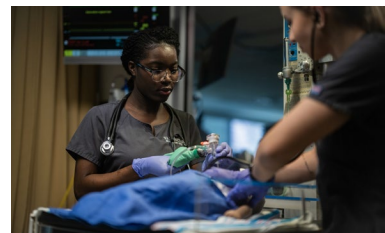

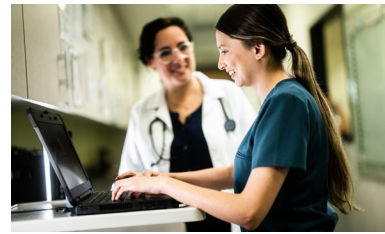

Dental Hygienist

- Assess patients for signs of oral diseases
- Provide preventive dental services
- Perform dental cleanings
- Take X-rays
- Educate patients on maintaining good oral health

Dental Hygiene Application Information

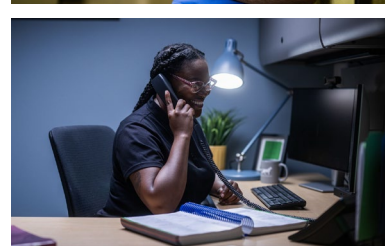

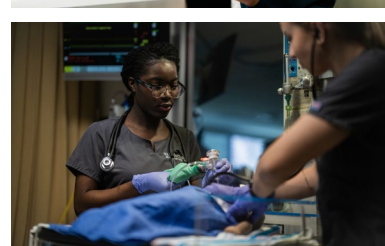

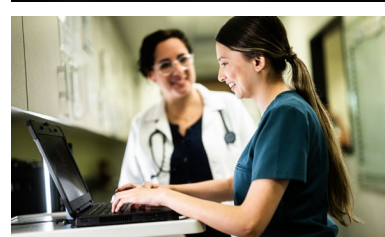

- The Dental Hygiene Program admits students **once each year** for a summer semester start.
- Applications open at the beginning of the calendar year in January.
- The application period remains open for approximately one month.
- All admission requirements must be completed by the application deadline, including:
 - Prerequisite coursework
 - Minimum GPA requirement
 - ATI TEAS score requirement
 - Submission of required transcripts and documentation
- Applications are reviewed after the deadline using the program's competitive selection process.

Dental Hygiene Admission Process

- The admission process is a points-based system
- Points are assigned by letter grade
- 4.0 credit hour courses are measured on a 10 – 6 scale
- 3.0 credit hour courses are measured on a 3 -1 scale
- 55 possible points

Credit Hour	Points
4.0	A = 10, B = 8, C = 6
3.0	A = 3, B = 2, C = 1

Dental Hygiene Admission Requirement

Admission Requirements

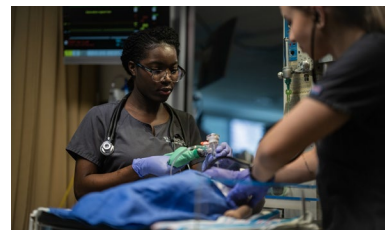

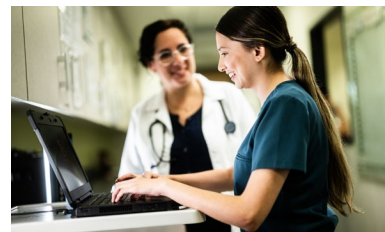

- ☐ Must be in Good Academic Standing at Valencia College at the time of application.
- ☐ Minimum Overall GPA: 2.5
- ☐ Minimum ATI TEAS Composite Score: 58.7
- ☐ All required prerequisite courses must be completed with a grade of C or better by the application deadline.

*Credit by Exam, such as CLEP, AP/IB, or S/P/Z grades, satisfies prerequisite course and credit requirements; however, these credits do not carry grade points and are not included in the GPA

Selection Criteria

Students will be selected based on the following order:

- ☐ Total Points
- ☐ Overall GPA
- ☐ ATI TEAS Scores

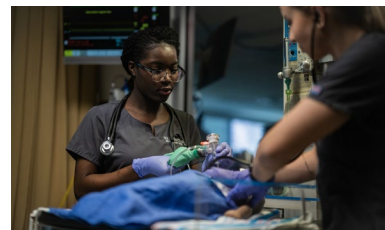

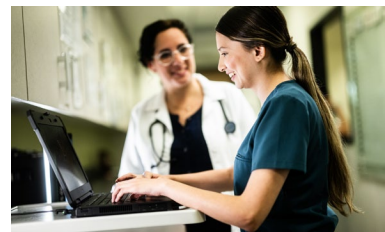

Dental Hygiene Prerequisite Courses

Required Prerequisite Courses

- ❑ BSC 2085C – Human Anatomy & Physiology I (4 credits)
- ❑ BSC 2086C – Human Anatomy & Physiology II (4 credits)
- ❑ MCB 2010C – Microbiology (3 credits)
- ❑ ENC 1101 – Freshman Composition I (3 credits)
- ❑ CORE MATH

Recommended Courses for Additional Points

- ❑ SYG 2000 – Introduction to Sociology
- ❑ PSY 2012 – General Psychology
- ❑ POS 2041/AMH 2020/AMH 2010 – Civic Literacy
- ❑ HSC 1531 - Medical Terminology
- ❑ Florida Civic Literacy Assessment
- ❑ HSC 1004/SLS 1122
- ❑ Previous Year Alternate
- ❑ Graduate of a CODA-accredited Dental Assisting Program.

Dental Hygiene Program Admission Statistics

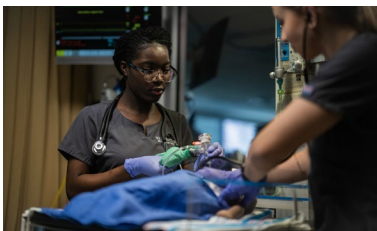

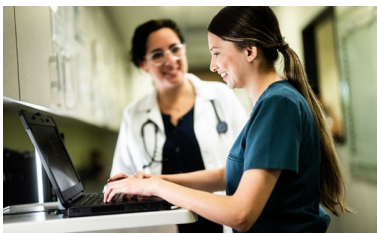

Programs	Average Points	Average GPA	Average TEAS	Program Capacity	Number of Applications	Application Year
Dental Hygiene	55	3.7	77	25	221	2026

Program Experience: Dental Hygiene

Learn through focused professional preparation

Status and Location	Classroom and Laboratory	Clinical Education	Time Commitment
Full- time Program Valencia College West Campus	Develop program-based knowledge and patient-care skills through guided instruction and simulation.	Complete approximately 1,440 clinical hours in affiliated health-care facilities while applying skills under supervision.	Plan for daytime coursework and clinical experiences plus approximately 15–25 hours of study per week.

Course Information

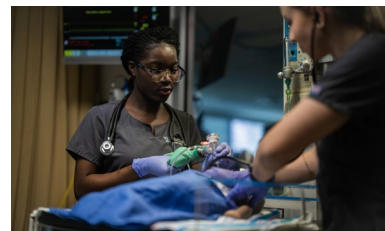

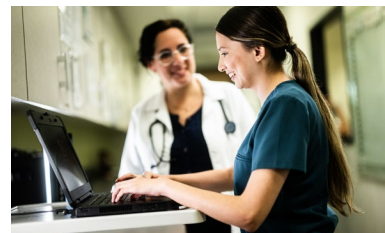

Prerequisite Courses

Prerequisite Courses can:

- ✓ Have additional prerequisite courses also
 - Example: PHY 1007C needs MAC 1105 as a prerequisite.
- ✓ Be taken on any campus and modality (online, classroom, mixed mode, etc.)
- ✓ Be take classes part-time or full-time

Grade Forgiveness:

- ✓ Grade forgiveness cannot be applied to grades of “C” or higher
- ✓ Valencia will not use the higher grade of a repeated course if the grade of “C” or higher was earned on the first attempt

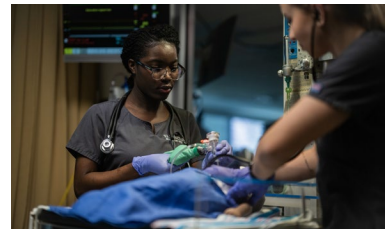

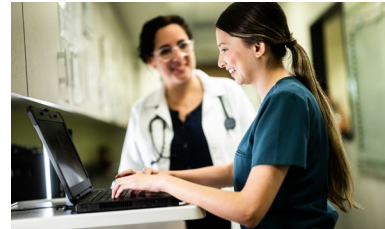

TEAS EXAM

Academic & Testing Requirements

The TEAS is required for Radiography, DMS, and Dental Hygiene.

- ✓ Up to 3 attempts allowed within 12 months; this includes tests taken at other institutions
- ✓ Number of attempts is calculated from your first attempt
- ✓ Must wait 30 days between retakes
- ✓ Active Valencia College students may test on campus, for \$85
- ✓ ATI TEAS scores are valid for 2 years - ATI 7 only; version V not accepted
- ✓ Official ATI scores must be submitted and matched to Valencia records if taken outside Valencia's Assessment Center
- ✓ [ATI Score Matching Request Form](#)

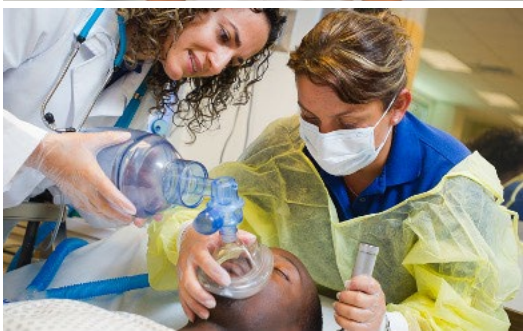

ATI-TEAS

- Students must make an appointment to take the TEAS exam (Assessment Center)
- ALL sections of the TEAS must be taken in one sitting - TEAS covers English, Reading, Math, and Science

ATI TEAS Resources:

- All Campus Libraries
- Assessment Services – Taking the TEAS
- ATI TEAS Review Sessions - *Must be a current student to access

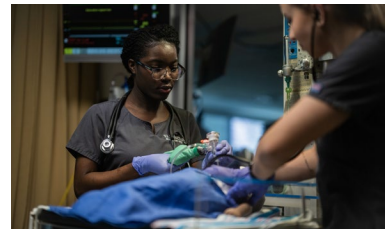

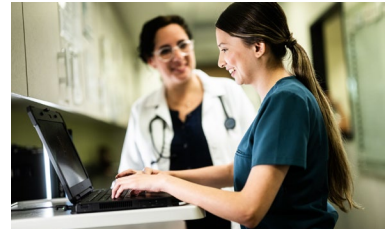

TEAS	Reading	Mathematics	Science	English & Language Usage
Number of Questions	53	36	53	28
Time Limit (Minutes)	64 min	54 min	63 min	28 min
Specific Content Covered	• Key Ideas & Details • Craft & Structure • Integration of knowledge & ideas	• Numbers & Algebra • Measurement & Data	• Human Anatomy & Physiology • Life & Physical Sciences • Scientific Reasoning	• Conventions of standard English • Knowledge of Language • Vocabulary acquisition

Application Process and Review

Applying to an Allied Health Program

Submitting a Secondary Application

- ❑ Applicants must be an active Valencia College student.
- ❑ Submit the Secondary Health Science Application during the published application window.
 - Applications must be submitted using your MyVC username and password.
 - Applicants can only access and submit the application during the designated application period.
- ❑ Pay the \$15 non-refundable application fee.
 - Applications are not complete until payment is received.

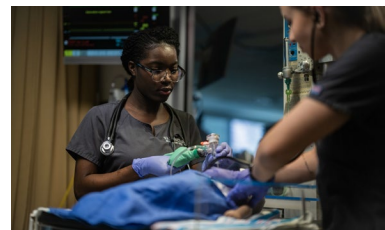

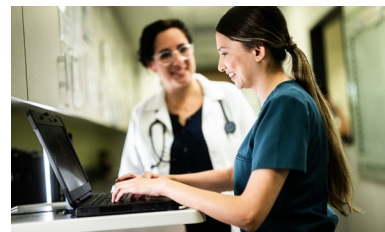

After Application Submission

The Review

- Applications reviewed take up to **6 weeks** after the application deadline.
- Applicants who meet minimum requirements are evaluated through a competitive selection process.
- Admission decisions are sent to the applicant's MyVC email account.

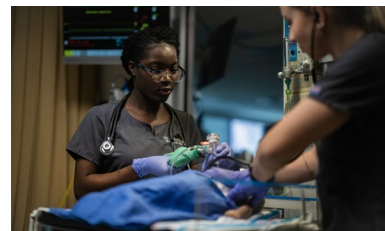

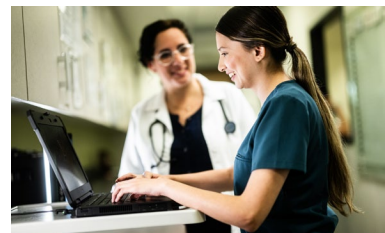

Admission Outcomes

- **Selected:** Offered admission to the program.
- **Alternate:** Placed on a waiting list and may be offered a seat if one becomes available.
- **Not Selected:** Met minimum requirements but was not chosen due to limited program capacity.
- **Ineligible:** Did not meet one or more admission requirements by the deadline.

After Selection

- All selected and alternate students must attend a **mandatory** program orientation
 - Program expectations and policies
 - Clinical and academic requirements
 - Registration and enrollment information
 - Student success resources
- Orientation details, including date and time, are communicated directly to admitted students.
- Students must complete all required items before beginning the program

Allied Health Compliance Requirements

Selected Students Must Complete

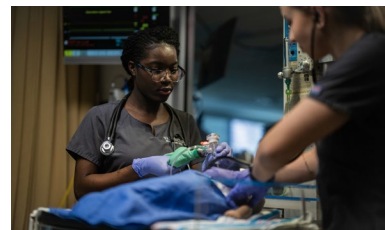

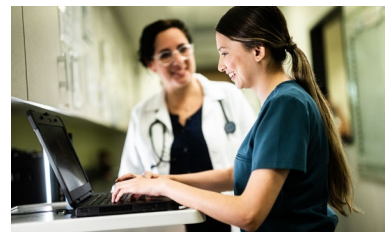

- ✓ Background Check
- ✓ Drug Testing
- ✓ Fingerprinting
- ✓ CPR/BLS Certification (AHA)
- ✓ Health Physical Exam
- ✓ Immunizations

- | | |
|---|--|
| ☐ Covid-19 Vaccine | ☐ Hep B |
| ☐ Flu Vaccine | ☐ Varicella Vaccine |
| ☐ Tdap Vaccine | |

Allied Health Bachelor of Science & Advanced Technical Certificate

B.S. Radiological and Imaging Sciences

ATC Echocardiography

ATC Computed Tomography

ATC Magnetic Resonance Imaging

ATC Mammography

Bachelor of Science (B.S.)

Radiologic and Imaging Sciences

School of Allied Health
BS. Radiologic and Imaging Sciences

Radiologic and Imaging Sciences Overview

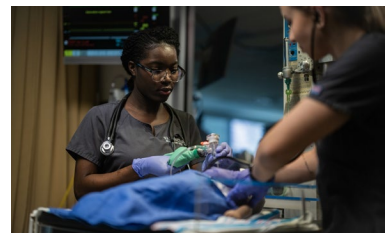

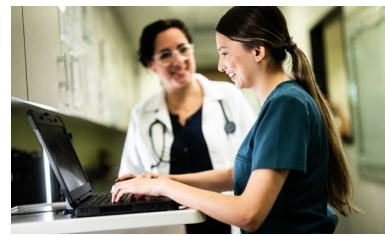

Radiologic and Imaging Sciences builds expertise in:

- Healthcare Leadership
- Advanced Critical Care
- Community Health
- Cardiopulmonary Rehabilitation

Radiologic and Imaging Sciences Application Information

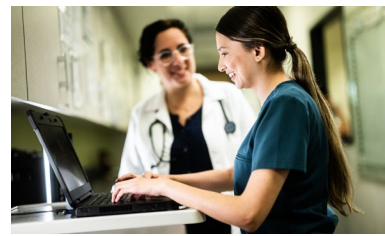

- Limited-access program.
- Entry terms: Fall, Spring, and Summer.
- Applicants should apply in advance of the anticipated start term.
- Upper-division courses can be completed in as little as two years.
- Apply using the Valencia Bachelor's Degree/Advanced Technical Certificate application: [Apply online](#)
- Program questions and credential submission: AlliedHealthBS.ATC@valenciacollege.edu

Radiologic and Imaging Sciences Admission Requirements

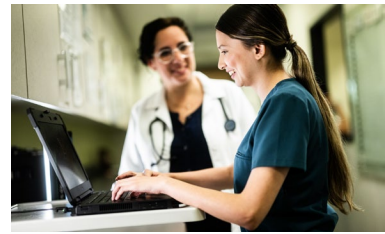

- ✓ Must be in **Good Academic Standing** at Valencia College at the time of application.
- ✓ Minimum **Overall GPA: 2.5**
- ✓ Associate degree in Diagnostic Medical Sonography, Nuclear Medicine Technology, Radiation Therapy, or Radiography from an accredited institution.
- ✓ Current professional credential through **ARRT, ARDMS, or NMTCB**, appropriate to the applicant's imaging discipline.
- ✓ All required prerequisite courses must be completed with a **grade of C or better** by the application deadline.

*Credit by Exam, such as CLEP, AP/IB, or S/P/Z grades, satisfies prerequisite course and credit requirements; however, these credits do not carry grade points and are not included in the GPA

Radiologic and Imaging Sciences Prerequisite Courses

Course	Requirement
ENC 1101	Freshman Composition I — 3 credits
MAC 1105	College Algebra — 3 credits
BSC 2085C or BSC 2093C	Human Anatomy and Physiology I — 4 credits
BSC 2086C or BSC 2094C	Human Anatomy and Physiology II — 4 credits

Advanced Technical Certificate (ATC)

Echocardiography

School of Allied Health
ATC Echocardiography

Echocardiography Overview

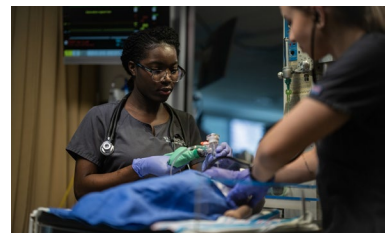

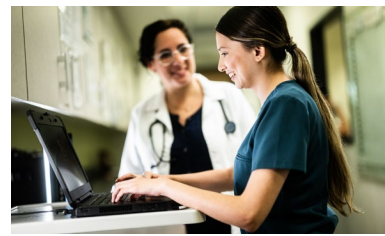

Echocardiography Program Prepares Students to

- Perform echocardiography examinations.
- Recognize and communicate critical findings.
- Use cardiac-ultrasound physics and procedures
- Advance education and clinical foundation

Echocardiography Application Information

- Fall term admission.
- 18 credits
- Online and on-campus course modality.
- Apply using the Valencia Bachelor's Degree/Advanced Technical Certificate application: [Apply online](#)
- Upon receiving notification of being accepted into the ATC program by the college admissions team, you must submit the secondary ATC and credential as outlined on the program's webpage or guide: [Echocardiography program webpage](#)
- Program questions and credential submission: AlliedHealthBS.ATC@valenciacollege.edu

Echocardiography Admission Requirements

Accredited Associate Degree In:

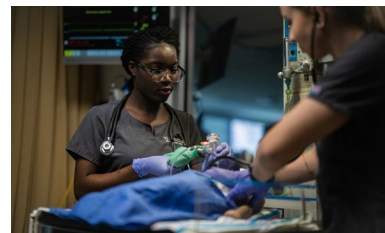

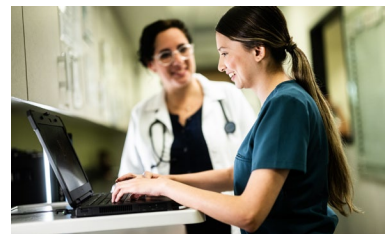

- ☐ Cardiovascular Technology
- ☐ Sonography
- ☐ Nursing
- ☐ Radiograph Technology
- ☐ Respiratory Care

Current Credential or License:

- ☐ CCI RCIS/RCES
- ☐ ARDMS RDMS/RVT
- ☐ Active RN license
- ☐ ARRT R or S
- ☐ NBRC RRT

Additional Requirements:

- ☐ Current Florida Address
- ☐ Citizenship/permanent-resident requirement.
- ☐ Official transcripts
- ☐ Active Valencia College student status.
- ☐ Ability to complete the required laboratory and clinical schedule.

Advanced Technical Certificate (ATC)

Computed Tomography

School of Allied Health
ATC Computed Tomography

Computed Tomography Overview

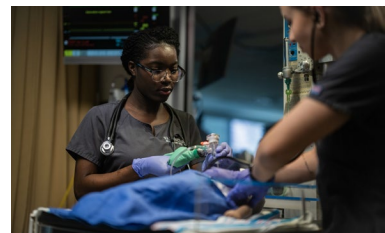

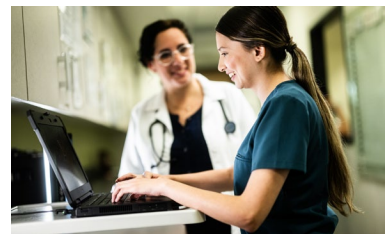

Computed Tomography Program
Prepares Students to be

- Qualified imaging professionals for advanced CT procedures
- Supports preparation for the ARRT post-primary CT examination.

Computed Tomography Application Information

- Limited-access certificate
- Entry terms: Fall and Spring.
- 9 credits
- Submit official transcripts from every college or university attended.
- Online courses and clinical practicum requirement.
- Apply using the Valencia Bachelor's Degree/Advanced Technical Certificate application: [Apply online](#)
- Upon receiving notification of being accepted into the ATC program by the college admissions team, you must submit the secondary ATC and credential as outlined on the program's webpage or guide: [Computed Tomography program webpage](#)
- Program questions and credential submission: AlliedHealthBS.ATC@valenciacollege.edu

Computed Tomography Admission Requirements

Accredited Associate Degree In:

- ☐ Radiation Therapy
- ☐ Radiograph
- ☐ Nuclear Medicine Technology

Current Credential or License:

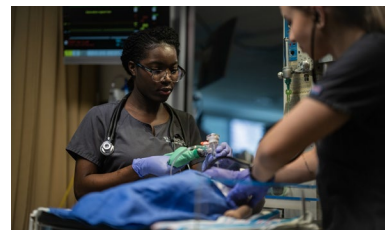

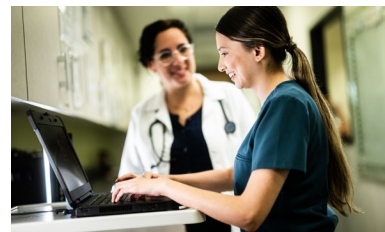

- ☐ ARRT in Radiography
- ☐ ARRT in Radiation Therapy
- ☐ NMTCB in Nuclear Medicine Technology

Recent Practice Requirement:

- ☐ Graduation or related employment within the year before application

OR

- ☐ Completion of RTE 3116 before RTE 4942L.

Advanced Technical Certificate (ATC)

Magnetic Resonance Imaging

School of Allied Health
ATC Magnetic Resonance Imaging

Magnetic Resonance Imaging Overview

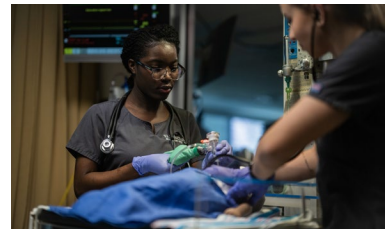

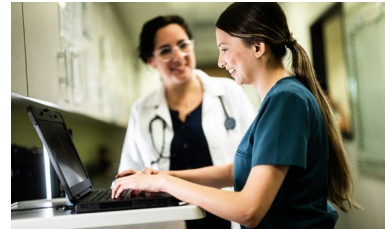

MRI Program Prepares Students to be

- Qualified imaging professionals for MRI procedures
- Supports preparation for the ARRT post-primary MRI examination.

Magnetic Resonance Imaging Application Information

- Limited-access certificate
- Fall term admission.
- 15 credits
- Submit official transcripts from every college or university attended
- Online courses and clinical practicum requirements.
- Apply using the Valencia Bachelor's Degree/Advanced Technical Certificate application: [Apply online](#)
- Upon receiving notification of being accepted into the ATC program by the college admissions team, you must submit the secondary ATC and credential as outlined on the program's webpage or guide: [MRI program webpage](#)
- Program questions and credential submission: AlliedHealthBS.ATC@valenciacollege.edu

Magnetic Resonance Imaging Admission Requirements

Accredited Associate Degree In:

- ☐ Radiation Therapy
- ☐ Nuclear Medicine Technology
- ☐ Radiograph
- ☐ Sonography

Current Credential or License:

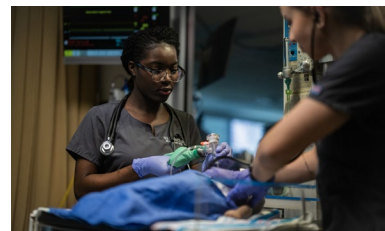

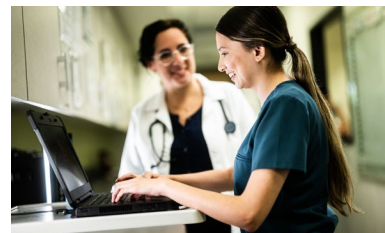

- ☐ ARRT
- ☐ NMTCB
- ☐ ARDMS

Recent Practice Requirement:

- ☐ Graduation or related employment within the year before application

OR

- ☐ Completion of RTE 3116 before RTE 4943L.

Advanced Technical Certificate

Mammography

School of Allied Health
ATC Mammography

Mammography Overview

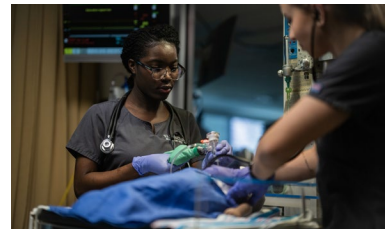

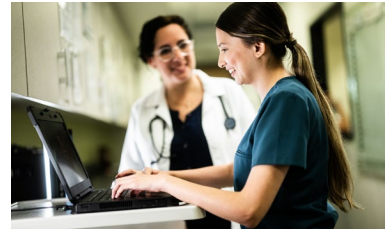

Mammography Program Prepares Students to be

- Qualified radiographers for mammography practice
- Supports preparation for the ARRT post-primary Mammography examination.

Mammography Application Information

- Limited-access certificate
- Spring term admission.
- 9 credits
- Online courses and clinical practicum requirements.
- Submit official transcripts from every college or university attended.
- Applicants must meet the current Florida-address and citizenship/permanent-resident requirements stated for the program.
- Apply using the Valencia Bachelor's Degree/Advanced Technical Certificate application: [Apply online](#)
- Upon receiving notification of being accepted into the ATC program by the college admissions team, you must submit the secondary ATC and credential as outlined on the program's webpage or guide: [Mammography program webpage](#)
- Program questions and credential submission: AlliedHealthBS.ATC@valenciacollege.edu

Mammography Admission Requirements

Accredited Associate Degree In:

- ☐ Radiograph

Current Credential or License:

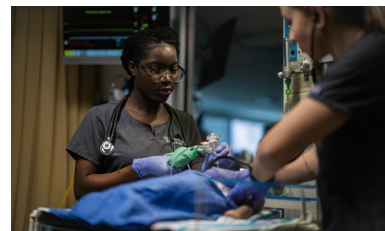

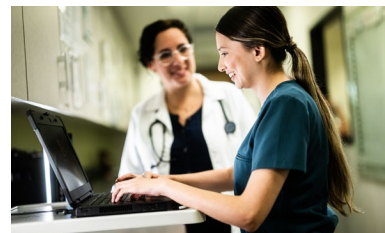

- ☐ ARRT
- ☐ Registered Technologist in Radiography

Recent Practice Requirement:

- ☐ Graduation or related employment within the year before application

OR

- ☐ Completion of RTE 3116 before RTE 4941L.

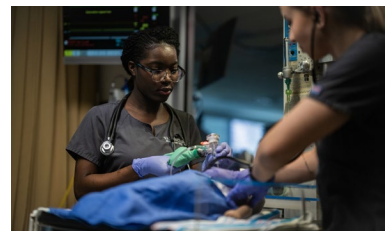

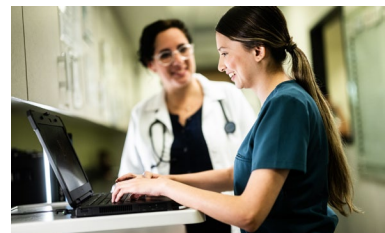

BS and ATC: After Applying, What's Next?

Advanced Technical Certificates

What Happens After Applying

- Monitor the email address used on the application and the application portal for the admission decision.
- If admitted as a candidate, email the required current professional credential to AlliedHealthBS.ATC@valenciacollege.edu.
- School of Allied Health staff verify the credential through the issuing registry and review course availability for the requested term.
- Receive the program-acceptance email with the confirmed start term and course sequence.
- Complete the required orientation and remaining Valencia enrollment steps, then register for the approved courses.

Estimated Program Cost

Estimated Cost

Program	Estimated Program Cost	Additional Costs
Dental Hygiene	\$9,069.28	\$2,120 - \$3,320
Diagnostic Medical Sonography	\$7,935.62	\$1,475
Radiography	\$7,935.62	\$1,219
Radiologic Imaging and Sciences	\$8,000.00	\$2,880
Advance Technical Certificate	\$112.19 per credit hour	\$995

***In-State Tuition Rates**

Financial Aid Options

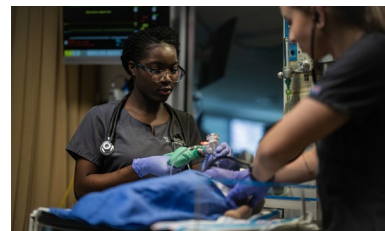

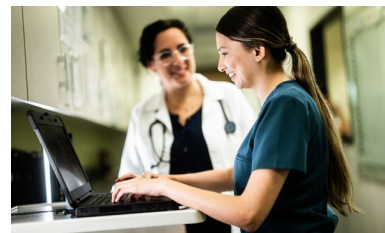

Things to Know

- May not be full-time (12+ credit hours) each term
- Primary major – Ideally AA: General Studies (prerequisites)
- Secondary major – “Pending” status for Limited Access Health Program AS, *until accepted*
- Financial Aid eligible degrees: AA, AS, BS, ATC: Only Echocardiography

**Students in a pending A.S. program status are not eligible for financial aid. Pell Grants may be available for the AA degree*

Other Financial Options

- Work-study
- Foundation Scholarships
