

PRE-MAJOR: ART, STUDIO/FINE ART

Associate in Arts Degree

This Pre-Major is designed for the student who plans to transfer to a Florida public university as a junior to complete a four-year bachelor's degree in Art. Students who plan to transfer to a limited access program are responsible for completing the specific requirements of the institution to which they will transfer as completion of this Pre-Major does not guarantee admission to an upper division limited access program.

Although this Pre-Major is the best preparation for transfer in this major, students may be able to earn Valencia's Associate in Arts Degree: General Studies and still be prepared for transfer in this major.

Students in Pre-Majors must complete all required college-preparatory courses, prerequisites for the listed course requirements, and Valencia's foreign language proficiency requirement. Courses meeting the preceding requirements may be in addition to the 60 credit hours listed.

The courses do not have to be taken in the order listed; the sequence suggested is based upon prerequisites and level of course difficulty for most students.
