

Valencia is pleased to announce our 17<sup>th</sup> annual summer dance program beginning June 17, 2019 and culminating July 13, 2019! This four-week program is designed to provide quality dance instruction for 15-20 dancers who work with Valencia College and guest personnel.

VSDI is available to rising 9<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup>, 12<sup>th</sup> grade high school students who will participate in the development of dance, cooperative learning and communication skills, work with various artists in the fields of dance and have the opportunity to demonstrate acquired skills in these areas. This program will utilize all aspects of a dance performance: classroom instruction in various dance techniques, instruction in classroom and rehearsal etiquette and the culmination of a jointly produced (dancers and instructors) dance concert at the end of the students four-week tenure.

**What's the Cost?** The cost of the four-week program is \$175.00. Students provide transportation to and from Valencia each day, and need to bring their own lunches and necessary dance and technical supplies.
