SLS 1301 Career Development *or Elective* (3 credits)
ETI 2943 Practicum in Tech Industry (12 credits)

MAXIMUM AWARD OF CREDIT

This agreement makes it possible for a student to receive up to thirty (30) semester hours of college credit towards the Supervision & Management for Industry AS. degree program at Valencia College which is in accordance with commonly accepted good practice in higher education.

EDUCATIONAL PROGRAM

Valencia College and the Aviator College faculty and staff with responsibility for supervision and coordination of the Aviation Maintenance Technician and the Supervision & Management A.S. degree programs have assessed the adequacy of the documentation and determined that the learning outcomes, performance standards, and assessment procedures meet the college standards for college credit course work and that the learning outcomes are:

1. consistent with the course work in AS degree being articulated.
2. based on the statewide PSAV to AS Degree Statewide agreement, an alternative form of student assessment or is taught by faculty who have a minimum of an BS/BA degree in the required area or meet other described criteria.

TRANSFERRING PROCESS

To have the courses reported on the official Valencia College transcript, transferring students must do the following:

1. Apply for admission to Valencia College and meet the College entrance requirements.
(Note: Students must have a G.E.D. or High School Diploma)
2. Submit a completed Valencia College application for admission, satisfy the requirements for Degree-Seeking Status, including submission of all official transcripts, and declare a major in the articulated program.
3. Be accepted into Valencia within three years of completing the Aviation Maintenance Technician program.
4. Complete orientation and comply with the appropriate placement, course prerequisites and requirements of the college.
5. Meet with the Career Program Advisor to verify all of the requirements have been met and initiate the award of credit following enrollment at the College.

Note:

Students must provide the required documentation listed below for evaluation before the credit can be awarded: (15 -30 credits)

- Graduation Certificate for the Aviation Maintenance Technician (AMT) - Airframe and/or Powerplant program from Aviator College with either of the following certifications
 - o **Airframe Certification** - Students may receive 15 credits based upon receiving the Airframe Certification from the Federal Aviation Administration (FAA).
 - o **Powerplant Certification** - Students may receive 15 credits based upon receiving the Powerplant Certification from the Federal Aviation Administration (FAA).
- 6. After verifying the required documentation and evaluating the approved assessment(s), the Valencia Career Program Advisor or Program Chair for the articulated program will determine eligibility, and notify the Registrar's Office of acceptable credit to be awarded.
(NOTE:: Credit will be awarded after the drop/add date, and the evaluation process has been completed).
