This agreement makes it possible for a student to receive twenty (20) semester hours of college credit towards the Supervision & Management for Industry A.S. degree program at Valencia College which is in accordance with commonly accepted good practice in higher education.

ASSESSMENT AND COURSE EQUIVALENCY

Valencia and Orange Technical College faculty and staff with responsibility for supervision and coordination of the articulated programs have reviewed and assessed the program curriculum for alignment of learning outcomes and determined that the learning outcomes, performance standards, and assessment procedures meet the college standards for college credit course work.

The following materials were reviewed to align the program learning outcomes and determine the equivalency of the content and course work to be articulated: (*curriculum frameworks, samples of instructional materials, syllabi with learning outcomes, various assignments and assessments, and textbooks*).

VALIDATION MECHANISM

The validation mechanism for awarding college credit is based on the following student assessments that are identified for each articulated program: (*portfolio review, special projects, performance-based, industry certifications/licensure, written assessments skills inventory assessments or a combination*).

TRANSFERRING PROCESS

The transferring student must furnish the required documentation verifying completion of the articulated Line Technician program with Orlando Utilities Commission (OUC).

To have the courses reported on the official Valencia College transcript, transferring students must do the following:

1. Apply for admission to Valencia College and meet the College entrance requirements (includes G.E.D. or High School Diploma).
2. Complete and submit a Valencia College Application (pay the application fee) and declare a major in the Supervision and Management A.S. degree program.
3. Satisfy the requirements for Degree-Seeking status, including submission of all official documents.
4. Be accepted into Valencia within three years of completing the OUC Line Technician program. *(Note: If it's been longer than 3 years, an exception will be considered if the student can demonstrate they have current industry knowledge (i.e. through an employer letter, etc.)*
5. Complete orientation and comply with the appropriate placement, course prerequisites and requirements of the college.
6. Following enrollment at the college, student must meet with Valencia's Student Success Coach to review and verify all of the required documentation that has been submitted and determine eligibility. *(Students must submit documentation that is required for evaluation of their assessment identified below before the college credit can be awarded).*

Required Student Assessment:

- Student must provide documentation from OUC verifying completion of the required training to become a Certified Line Technician.
7. After reviewing the required documentation and evaluating the approved assessment, the Valencia Student Success Coach or Program Chair for the articulated program will determine eligibility and notify the Registrar's Office of acceptable credit to be awarded. *(Credit will be awarded after the drop/add date, and the evaluation process has been completed).*
