Award of Credit by

Valencia College for Microsoft Certified IT Professional (MCITP) – Server Administrator

Page 3

MAXIMUM AWARD OF CREDIT

This agreement makes it possible for a student to receive 6 - 15 semester hours of college credit for the Microsoft Certified IT Professional (MCITP) – Server Administrator Certification towards the Network Engineering Technology A.S. Degree or Technical Certificate programs at Valencia College which is in accordance with commonly accepted good practice in higher education.

EDUCATIONAL PROGRAM

Valencia's faculty and staff who have responsibility for the supervision and coordination of the Network Engineering Technology program have assessed the adequacy of the documentation and determined that the learning outcomes, performance standards, and assessment procedures of the examination meet the college standards for college credit course work and that the learning outcomes are consistent with the course work in the A.S. Degree program being articulated.

AWARD OF CREDIT PROCESS

The transferring student requesting credit must furnish a copy of the Microsoft Certified IT Professional (MCITP) – Server Administrator award certificate. To have the courses reported on the official Valencia College transcript, students must:

1. Meet regular College entrance requirements.
2. Complete the College Application and pay the College Admission Fee.
3. Be accepted into Valencia within three years of earning the Microsoft Certified IT Professional (MCITP) – Server Administrator Certification.
4. Declare a major in the Network Engineering Technology A.S. degree program.
5. Comply with the appropriate placement, course prerequisites and requirements of the college.
6. Successfully complete course work with a "C" or better at Valencia while currently enrolled on either a part-time or full-time basis for one academic term to have the credit awarded on the official college transcript.
7. The Dean of Engineering, Computer Programming and Technology and the Program Chair for Network Engineering Technology, West Campus, at Valencia, will evaluate the student's record (certification), determine the eligibility and notify the Registrar's Office of acceptable credit to be transferred and awarded.

TERMS OF AGREEMENT

This agreement applies to students who have earned the Microsoft Certified IT Professional (MCITP) – Server Administrator Certification. The agreement will be reviewed as needed and it shall remain in effect until either party identifies a need for revision.
