MAXIMUM AWARD OF CREDIT

This agreement makes it possible for a student to receive three to nine (3 -9) semester hours of college credit towards the Computer Programming & Computer Information programs at Valencia College which is in accordance with commonly accepted good practice in higher education.

EDUCATIONAL PROGRAM

Valencia and Orange Technical College faculty and staff with responsibility for supervision and coordination of the computer technology programs have assessed the adequacy of the documentation and determined that the learning outcomes, performance standards, and assessment procedures meet the college standards for college credit course work and that the learning outcomes are:

1. consistent with the course work in AS degree being articulated.
2. based on the statewide PSAV to AS Degree Statewide agreement, an alternative form of student assessment or is taught by faculty who have a minimum of an BS/BA degree in the required area or meet other described criteria.

TRANSFERRING PROCESS

To have the courses reported on the official Valencia College transcript, transferring students must do the following:

1. Apply for admission to Valencia College and meet the College entrance requirements.
2. Submit a completed Valencia College application for admission, satisfy the requirements for Degree-Seeking Status, including submission of all official transcripts, and declare a major in the articulated program.
3. Be accepted into Valencia within three years of completing the Orange Technical College program. (*Note: If it's been longer than 3 years, an exception will be considered if the student can demonstrate they have current industry knowledge (i.e. through an employer letter, etc.)*)
4. Complete orientation and comply with the appropriate placement, course prerequisites and requirements of the college.
5. Meet with Valencia's Career Program Advisor to verify completion of the articulated program and initiate the award of credit process following enrollment at the College. *Note: Student must provide the required documentation needed for evaluation of the approved assessments listed below before the credit can be awarded.*

TRANSFERRING PROCESS (Cont.)

Approved assessments:

- **Web Development**
Students may receive credit based on submission of a *current* and *valid* copy of the approved industry certifications that are specified in this agreement, or present an acceptable portfolio of web-based work to be assessed and evaluated by the Program Chair for Computer Programming and Computer Information.

 - **Game/Simulation/Animation Programming**
Students may receive credit based on submission of a *current* and *valid* copy of the approved industry certifications that are specified in this agreement.

 - **Enterprise Desktop & Mobile Support Technology**
Students may receive credit based on submission of a *current* and *valid* copy of the approved industry certifications that are specified in this agreement.

 - **Enterprise Network & Server Support Technology**
Students may receive credit based on submission of a *current* and *valid* copy of the approved industry certifications that are specified in this agreement.

 - **Modeling Simulation Production**
Students may receive credit based on submission of a *current* and *valid* copy of the approved industry certifications that are specified in this agreement.
- ***Note:** Credit for COP 2224C will be awarded based on the student successfully passing an approved Valencia College assessment to be developed and evaluated by the Valencia College IT faculty.

6. After verifying the required documentation and evaluating the approved assessments(s), the Valencia Career Program Advisor or Program Chair for the articulated program will determine eligibility, and notify the Registrar's Office of acceptable credit to be awarded. (*Note: Credit will be awarded after the drop/add date, and the evaluation process has been completed*).
