VALIDATION MECHANISM

The validation mechanism for awarding college credit is based on the following student assessments that are identified for each articulated program: (*portfolio review, special projects, performance-based, industry certifications/licensure, written assessments skills inventory assessments or a combination*).

TRANSFERRING PROCESS

To receive college credit for the articulated programs completed at Osceola Technical College, transferring students must meet the following requirements:

1. Work with the Tech Express Advisor to review and prepare the documentation needed to ensure a seamless transition to Valencia College.
2. Apply for admission to Valencia College and meet the College entrance requirements (Tech Express advisor can assist students with this process).
3. Submit a completed Valencia College application for Admission, satisfy the requirements for Degree-Seeking Status, including submission of all official transcripts, and declare a major in the articulated program.
4. Be accepted into Valencia within three years of completing the Osceola Technical College program. (*Note: If it's been longer than 3 years, an exception will be considered if the student can demonstrate they have current industry knowledge (i.e. through an employer letter, etc.)*)
5. Complete orientation and comply with the appropriate placement, course prerequisites and requirements of the college.
6. Following enrollment at the college, student must meet with Valencia's Career Program Advisor to review and verify all of the required documentation that has been submitted, and determine eligibility. (*Students must submit their official transcripts verifying completion of the articulated program, as well as all of the documentation that is required for evaluation of their assessment(s) identified below before the college credit can be awarded*).

Required Student Assessment:

- Provide a current and valid copy of their Florida Certification/Licensure as a Certified Medical Laboratory Assistant (CMLA) from the American Medical Technologists.
7. Successfully complete BSC 1010C General Biology I in the Biotechnology Laboratory Sciences program with a "C" or better, and be a currently enrolled student at the time the credit is awarded.
