DUAL ENROLLMENT STEP-BY-STEP GUIDE

VALENCIACOLLEGE

DUAL ENROLLMENT (DE) APPLICATION PROCESS

1 MEET PARTICIPATION REQUIREMENTS:

- 3.0 unweighted cumulative GPA for grades 6 – 11 or 3.0 weighted high school cumulative GPA for high school seniors at time of application.
- Obtain eligible college-ready test scores through the PERT, ACT and/or SAT by the assessment score deadline: **Nov. 1, 2019.**
- Resident of Orange or Osceola County, enrolled in grades 6 – 12 at a public or private school (must have current articulation agreement), or homeschool program. Students enrolled in a homeschool program are required to submit a letter of verification issued by Orange or Osceola County and an unofficial transcript with the high school unweighted cumulative GPA.
- Must maintain minimum 3.0 GPA in high school and minimum 2.0 GPA each term at Valencia College.

SCHOOL DISTRICT OF OSCEOLA COUNTY (SDOC) ONLY

Seniors from Osceola County public and charter schools can enter into the program if they are at college level in either Reading and Writing or Math. This exception requires guidance counselor and district approval. Please note, qualifying with only Reading and Writing or Math will limit course options.

2 APPLY FOR ADMISSION:

- Visit valenciacollege.edu/dual and click the "Apply Now" button to create a login and submit a **FREE** online DE application. Please visit our website for detailed instructions.
- After completing the online DE application, you will be redirected to the Signature Page. Click "Dual Enrollment Application Signature Request form" and sign your name. For your application to be completed in its entirety, we must collect all approval signatures through Dynamic Forms. **Please do not skip this step.**
- Create your student account for Dynamic Forms with your personal email rather than your student email. You will be required to provide a parent/legal guardian's email address and your guidance counselor's full name and email address. An incorrect email address will delay processing time. **Please note: You and your parent/legal guardian cannot share the same email address—you must each have your own, unique email address.**
 - Homeschool/FLVS Students: You will be required to upload an unofficial high school transcript and a Letter of Verification of Home Education provided by Orange or Osceola County and issued within the last year.
- After you complete the student form, it will generate an email to your parent/legal guardian for participation approval. Your parent/legal guardian must create their own Dynamic Forms account in order to approve the DE application. Once your parent/legal guardian provides an online signature, an email will be automatically sent to your guidance counselor to provide academic verification.
 - Homeschool/FLVS Students: Once the parent/legal guardian provides an online signature, your application will be submitted to the DE office.
- Once your guidance counselor completes the academic verification, your application will be submitted to the DE office.

SPRING 2020 ADMISSION DATES:

Application Available: Sept. 9, 2019
Application Deadline: Oct. 14, 2019

- After the Dual Enrollment Application Signature Request form has been completed with all required signatures, the application will be submitted to the DE office. Please allow five business days for your Valencia College Identification Number (VID) to be emailed. Be sure to provide an accurate email address that is checked regularly.

4 SUBMIT ELIGIBLE ASSESSMENT SCORES:

- All DE applicants must submit eligible official test scores to Valencia College in order to be accepted for dual enrollment. The following score requirements must be on file with Valencia College by the specified deadlines, no exceptions. Scores must be less than two years old at term of registration.

If you do not have a state or federally issued form of ID, an original birth certificate or a social security card along with a school ID can be accepted.
- DE students can take the PERT three times at Valencia College in a two-year period. No fee is required for the first attempt. Two retakes per sub-test is allowed; you must wait at least 24 hours to retake, attend a Valencia College retake review session and pay \$10 per sub-test. Scores from other institutions will not be accepted. For more information, visit the assessment website: valenciacollege.edu/dual-assessments
