

2025 Annual Affordability Report

Two out of every five students pay nothing out of pocket for tuition and fees.

This includes students who paid \$0 in tuition and fees after support from grants, scholarships, and waivers (does not include loans).

40%

While community colleges across the country have increased tuition by an average of 23% since 2014-15, Valencia College has not raised tuition at all.

College Board Trends in College Pricing 2014 and 2024

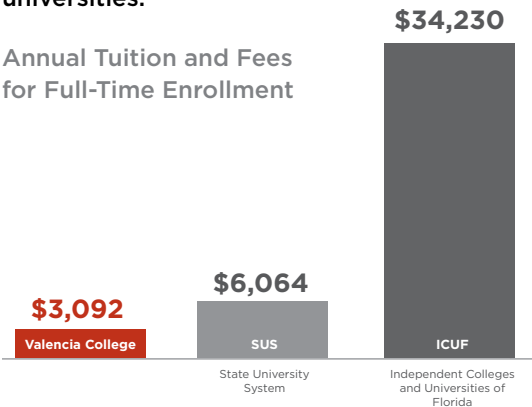

In 2023 — 2024 only 25% of enrolled Valencia College students took out a loan to support their educational experience. For students who took out a loan, the average loan amount was \$5,775.

Incoming transfer students and those who leave without earning a credential are excluded to narrow the data for this specific question.

25%

Valencia College tuition and fees are 1/2 the cost of a state university and 1/10th the cost of Florida independent colleges and universities.

Annual Tuition and Fees for Full-Time Enrollment

Valencia College has actively pursued ways to reduce the cost of textbooks for our students, from an average cost of \$126 per course in 2012 to \$73 per course in 2024.

Commitment to Affordability

As a public institution charged with providing open access to quality higher education, the affordability of a Valencia College education is essential to our mission of student access, learning, success, and completion. Despite being funded by the state at a significantly lower rate than our peer institutions, Valencia College has maintained a steadfast commitment to providing an affordable pathway to postsecondary education in Orange and Osceola counties.
