Student Responsibilities

- I will connect with my Student Success Coach every semester.

- I will take responsibility, know the deadlines, ask questions, stay on track and be the one to know what to do.

Congratulations...

...on pursuing your passion in Dance!

Things to consider:

Audition is required to be accepted into the Dance Performance pre-major.

Dance majors will need to attend all auditions and meetings held by the dance department.

Dance majors will take a technique class each semester while attending Valencia, regardless of whether or not all credits have been met (classes can be audited after all credits have been met).

Understand the financial commitment of travel fees for off campus regional and nationwide performances.
