

Education and Professional Development Leave Application Form

The purpose of Education and Professional Development Leave is to provide an educational and professional opportunity for staff to enhance their individual and professional effectiveness. The types of activities that may warrant this leave include experiences such as job shadowing in an applicant's respective industry or gaining clinical experience for a graduate program.

Prior to submitting your application, please have a conversation with your supervisor to obtain their verbal approval and to determine the department plans for replacing your work responsibilities.

Once the application is submitted, your supervisor will receive an electronic copy as a confirmation of your submission.

ACKNOWLEDGEMENTS

By providing my electronic signature to this application I acknowledge that my proposal has been discussed and approved by my supervisor. I understand that my Campus President/Vice President will have final approval before my application is reviewed by the committee.

If granted Education and Professional Development Leave:

- I agree to abide by the terms of Valencia's [Education and Professional Development Leave Policy](#) .
- I understand that within four months following the completion of my leave, I am responsible for submitting an Education and Professional Development Leave Report summarizing the benefits and/or achievements resulting from the Education and Professional Development Leave.

- I understand that employee health insurance benefits may continue while on Education and Professional Development Leave.
- I understand that any travel conducted while on Education and Professional Development Leave is at my own risk. It is recommended that additional medical/trip insurance is purchased at my own expense to cover unanticipated travel issues.
- Valencia College shall not be responsible for the payment of emergency expenses incurred should I experience illness, accident, or injury during the period of Education and Professional Development Leave.
