

SCHOOL OF BUSINESS, ACCOUNTING AND MANAGEMENT

PROGRAM OVERVIEW

Developed in collaboration with some of the top employers and industry leaders in the area, Valencia College business degrees and programs will immerse students in the latest business theories and practices. From learning to run a business, mastering accounting and providing office support, these programs provide students the foundation to enter this diverse field.

Job Outlook in the Central Florida Area

A degree in any one of the programs offered in the School of Business, Accounting and Management offers a world of exciting career choices in all types of organizations. These may include wholesale and retail stores and services, financial agencies, banks and large businesses, government agencies and educational systems.

With Central Florida's exploding population growth, there is an increasing need for skilled property managers, office professionals, supervisors and managers, and medical office support.
