5. Discussion Items.

- a. Bachelor's Degrees, General Education & New Student Experience (See attached Situation, Background, Assessment, and Recommendation on Legislative Changes):

Students that have already completed AS shouldn't have to take New Student Experience course, so they are recommending those students have any General Education course to satisfy the General Education requirement.

Committee member explained that their child that was recently admitted to UF and was short of the language requirement so they wondered if it could be a foreign language course for the AA degree.

Cheryl advised that the college would have to change the General Education program to make that possible.

- b. Receiving feedback on proposed course additions to the General Education Program:

The committee had a brief discussion on if there should be a new mode of receiving feedback to proposed General Education changes. The committee agreed and a new method will be explored.

6. Information Items:

There are no information items for this month's agenda.

The next meeting of the College Curriculum Committee is scheduled **July 13, 2022** and will be a zoom meeting. Deadline for submission of materials for the agenda is **June 30, 2022.**
