Purpose: We believe that some students will find an interest in a survey-level history course that more formally incorporates examining South America, Africa and the Far Eastern world. This course will aligns UCF, so equally useful for transferability compared to the EUH series while also

allowing more student choice regarding Gordon Rule (either EUH or WOH courses). Adding this course also puts us into alignment with most major colleges and universities beyond UCF, thus benefitting students who transfer to other institutions. Finally, we believe the WOH series is particularly relevant in an internationalized setting like Valencia and helps to prepare students to live and thrive in this time of globalization; **Credit/Contact/Lab:** 3/3/0; **Prerequisites:** Minimum grade of C in ENC 1101, ENC 1101H, or IDH 1110; **Co-requisites:** None; **Catalog Course Description:** Survey of the evolution of civilizations from ancient times to the modern era (1500 AD/CE) with emphasis on political, social, cultural, and economic development as they evolved in the various areas. Examines the ancient world and ancient civilizations, classical antiquity, the early nation-states in the various areas around the globe, world religions emergence and development, developments through the first millennium common era, the European Renaissance, intersection and connection between global regions including the early age of Exploration, and other topics that explore the interactions among various civilization regions. Gordon Rule course in which the student is required to demonstrate college-level writing skills through multiple writing assignments. Minimum grade C required if WOH 2012 is used to satisfy Gordon Rule requirements; **Effective Date:** Fall 2023 (202410).

Proposal 2223-008 was approved by consensus.
