

1. What kinds of research requests do we receive and who provides access for the researchers?

Valencia College 7-1-2019 updated 9-9-2019

- Requests for archival data go to IR (see chart 2).
- Evaluation activities related to funded grant proposals are guided by the office of Resource Development (see chart 3).
- Proposals at the Downtown campus with a UCF lead go to the UCF IRB as per the college agreement with them (Memorandum of Understanding MOU).
- Proposals requesting retroactive approval (i.e. they have already been completed without review) are not reviewed after the fact.
