YOU'RE A STUDENT. WE'RE YOUR COLLEGE.

Not just any college. Because you're not just any student. You're Valencia College material. A scholar who wants to pay half for a degree that guarantees admission to one of Florida's state universities. A hard worker who wants to start a career within a few months through accelerated certification. A student who needs flexible classes close to home or work. You have a high school diploma or GED, and you're looking for a college you can really get into. Because you don't have time to wait to get your future started. We're the college just for you.

**GET INTO UCF.
GUARANTEED*.**

Graduate from Valencia College. Become a Knight, guaranteed*. Get into the University of Central Florida automatically through our DirectConnect™ to UCF program. You can even earn a UCF degree without ever leaving the college. Our Osceola and West campuses are regional locations for the University of Central Florida and provide bachelor's programs.

* consistent with university policy.

**YOU NEED
A PATH.
WE'LL LEAD
THE WAY.**

Find the program that fits and go after it. Choose from more than 120 programs with flexible day, evening and weekend classes at campuses across Central Florida and online. Work late? Rise early? Have children or a hectic schedule? We'll help you find a program that's right for you, and help you pay for it with financial aid and scholarships.

Associate in Arts Degree (A.A.)

Your A.A. is the first two years of a four-year bachelor's degree. Use it to get into a Florida state university or transfer credits to many private and out-of-state schools.

Associate in Science (A.S.)

With a two-year A.S. degree, you can go straight into a high-skill, high-wage career. Or, transfer to a bachelor's degree offered at any state college in Florida.

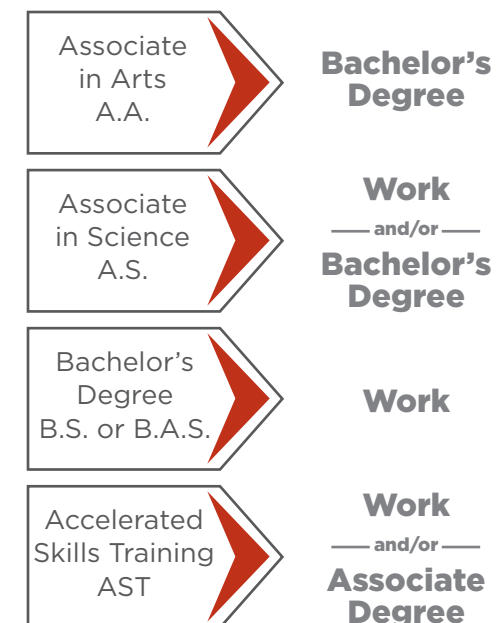

Bachelor's Degrees

Go for a bachelor's in cardiopulmonary sciences, electrical and computer engineering technology, radiologic and imaging sciences, nursing, or business and organizational leadership. We even offer the A.S. degrees that transfer to our bachelor's programs.

Accelerated Skills Training (AST)

Within just a few weeks or months, you can complete hands-on training for a high-paying, in-demand job in a number of fields, including construction, health care, manufacturing, public safety and transportation logistics.

VALENCIA COLLEGE PATHWAYS

Explore our list of programs at:
valenciacollege.edu/futurestudents

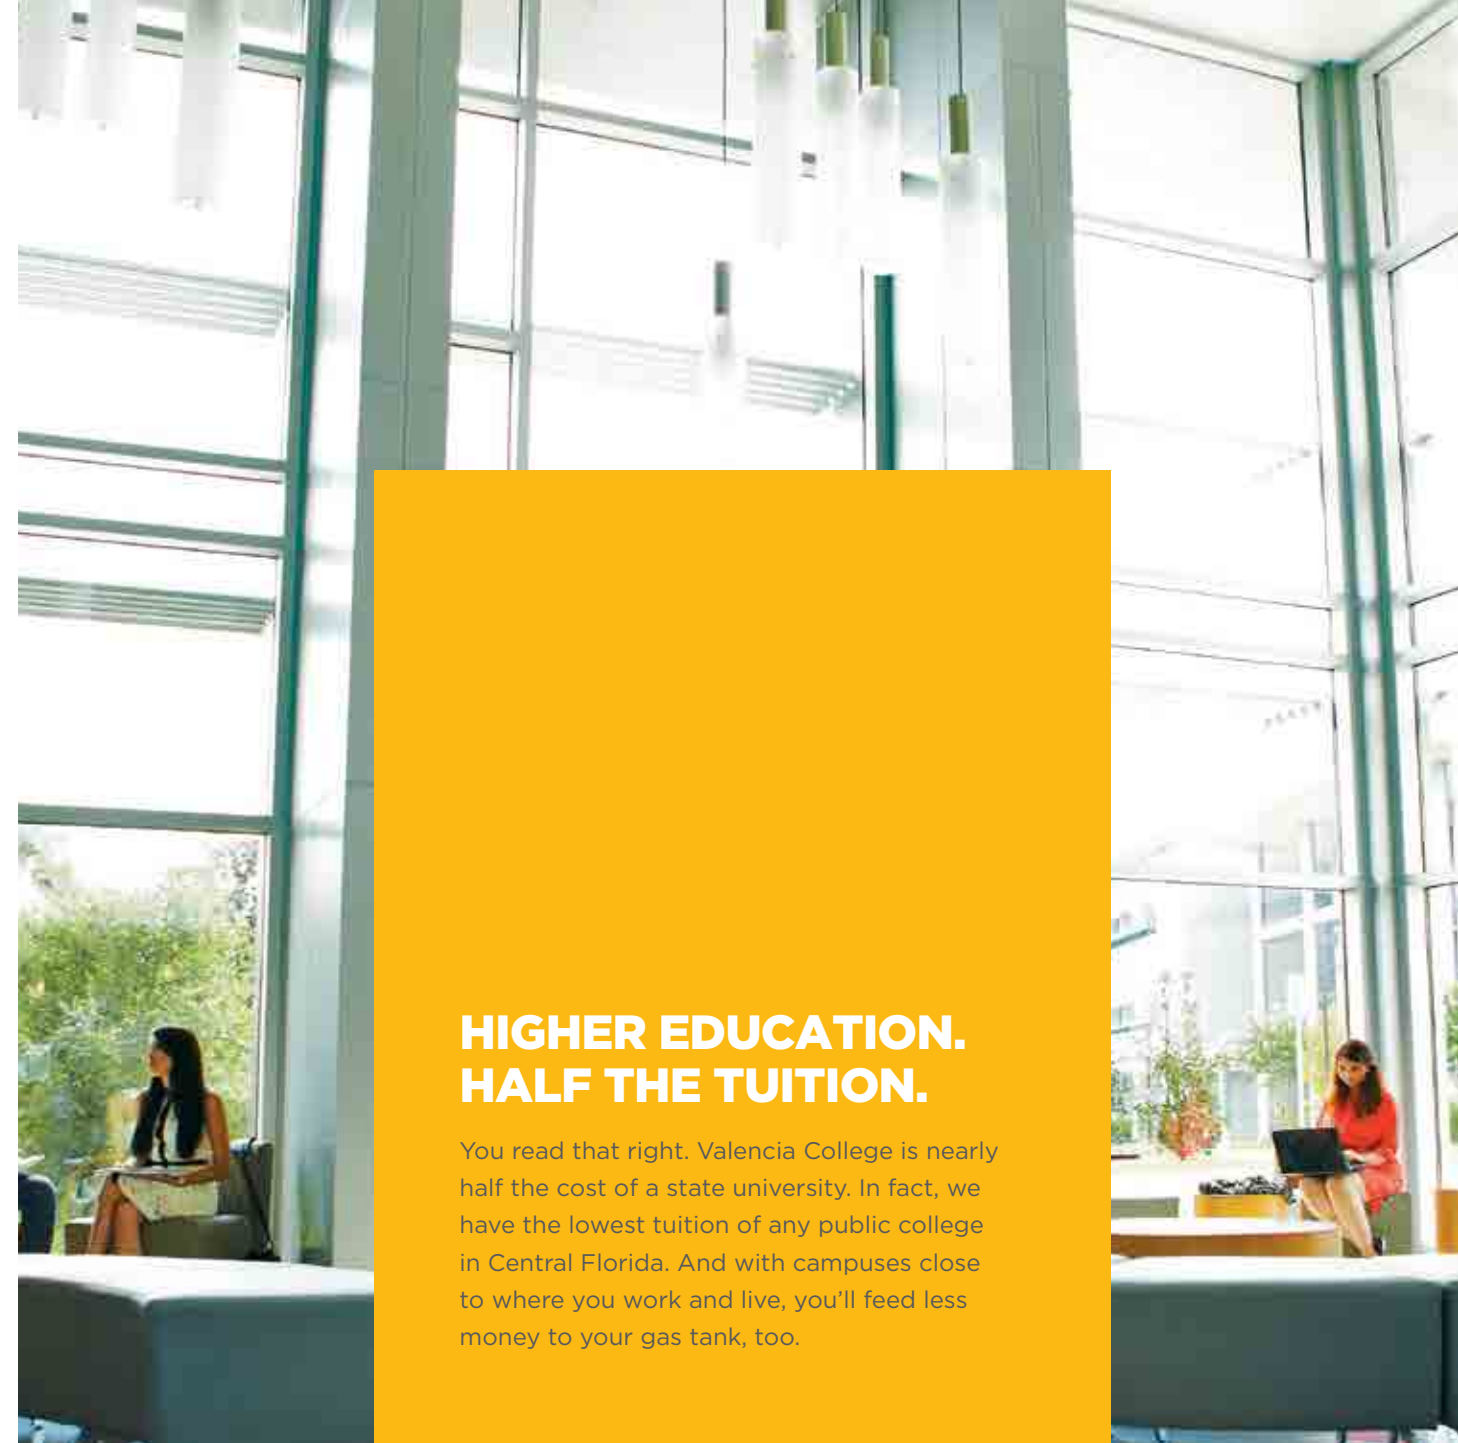

YOU NEED MONEY. WE CAN HELP.

It's simple. Fill out a form. Learn with less stress. More than half of our students benefit from financial aid. You could be one of them. Getting started is easy:

- 1 Go to fafsa.gov and fill out an application for Federal Student Aid. Use code 006750 to have your info sent to the college.
- 2 Go to valenciacollege.edu/scholarships to explore scholarship opportunities.
- 3 Get additional info at the Answer Center at any campus or visit: valenciacollege.edu/futurestudents

Other Options

Students enrolling in certification and continuing education programs may qualify for other funding options. For more information, call: 407-582-6688.

HIGHER EDUCATION. HALF THE TUITION.

You read that right. Valencia College is nearly half the cost of a state university. In fact, we have the lowest tuition of any public college in Central Florida. And with campuses close to where you work and live, you'll feed less money to your gas tank, too.

Cost of Attendance Per Credit Hour

	Valencia College	Public University	Private Two-Year	Private University
Florida Resident	\$103.06	\$198	\$504	\$599
Non-Florida Resident	\$390.96	\$688	\$504 or more	\$599 or more

For more information on tuition and costs, visit: valenciacollege.edu/tuition

HONORS STUDENTS TRAVELED TO THE NETHERLANDS AS PART OF AN ANNUAL STUDY ABROAD TRIP.

HONORS. SMART.

International destinations, cultural field trips, expert speakers, field and scientific research. It's all part of a more challenging path. We know you're up for it. Go ahead and apply—it's not just test scores; we consider your combination of academic achievements and potential. Just bring a thirst for learning, and we'll teach you to lead in school, civil service, business or all of the above.

The benefits:

- Opportunity for a full tuition scholarship to Valencia College
- Early course registration
- Designated academic advisors
- Use of the Honors Resource Center
- Honors-only classes
- Average class size of 15 students
- Study abroad opportunities (subsidized by the school)
- Graduate with honors distinction
- Transfer into the UCF Burnett Honors College

CAREER COACH

WHEREVER YOU ARE. WE'RE HERE FOR YOU.

Wherever you live or work in Central Florida, there's a Valencia College campus close by. Arrive by car, free LYNX bus service routes for students, or SunRail—no matter how you get there, you'll find a wide array of helpful student services and career-building studies at any campus you attend.

East is home to the new Film Production and Sound Technology building. With programs in theater, dance, music and film, the School of Arts and Entertainment is the spot for all things creative. Even though you're only minutes from UCF, the campus provides tranquility around the banks of the Little Econlockhatchee River. Stop by and we'll even teach you to pronounce Econlockhatchee.

West is best for high-tech programs like engineering, architecture, math and health sciences. And did we mention the mind-blowing technology inside some of the newest LEED certified green buildings? You won't want to leave. And since we offer UCF degree programs on campus, you won't have to.

WEST

12

Osceola is equipped with the latest training technologies and labs for biology, chemistry and physics. It also has the college's largest library of all the campuses, and even has a huge green screen to create your own custom video presentations. With UCF bachelor's programs offered on site, you can start and keep on studying here.

OSCEOLA

13

EAST

Campus Locations

LAKE NONA

Lake Nona's close ties to the rapidly-developing Medical City puts the focus on future careers in medicine and biotechnology. You may even have a local scientist or doctor teaching one of your classes. The campus's beautiful outdoor space, open-design library and learning support center provide a collaborative learning environment for students.

Osceola County students can reach their education goals close to home on our new **Poinciana Campus**. Our expansion into this fast-growing part of the county gives area students access to all Valencia College has to offer. A state-of-the-art facility boasts a robust selection of classrooms, amenities, labs and much more. Whether you're seeking an A.A. degree or certification, you can bid farewell to commuting and say "hello" to convenience.

Winter Park is a central, convenient, tucked-away powerhouse of learning nestled into one of the most picturesque cities in America.

ADVANCED MANUFACTURING TRAINING CENTER

The **Advanced Manufacturing Training Center**, near our Osceola Campus, is a hands-on manufacturing experience—immersing you in a facility filled with state-of-the-art equipment, simulation software and emerging technology.

SCHOOL OF PUBLIC SAFETY

The **School of Public Safety** provides comprehensive education, training and resources for our communities' first responders. Housing three major program areas—criminal justice, fire rescue, and safety and security—it trains the next generation of professionals by elevating and unifying training standards across all divisions of public safety.

The Valencia College **Downtown Campus**, a shared campus with UCF, will offer degree programs in culinary and hospitality, health information technology, digital media and more. In addition, Accelerated Skills Training programs—including workforce training and other certificates—will help you prepare for high-demand, higher wage careers in a short amount of time. And with on-campus housing, you'll be able to reside in a safe and secure area that's close to everything there is to love most about downtown Orlando. For up-to-date information on this campus location, visit: valenciacollege.edu/downtown

DOWNTOWN ORLANDO

WINTER PARK

POINCIANA

YOUR CLASS ENDED. WE'RE JUST GETTING STARTED.

Catch a show. Join a club. Start a movement. Student life goes well beyond the classroom. Throughout the year, our campuses come alive with cultural performances, art exhibits, film fests, concerts, guest speakers, rallies, and dozens of clubs and organizations. The college has even been a tour stop for former U.S. presidents.

ARTS, ENTERTAINMENT AND COMMUNICATION

You want to create. We have the curriculum. Whether your passion is design, music, theater or film, we'll help turn your talent into a living. Learn first-hand from industry pros. Collaborate with creative, like-minded students. Create a portfolio that stands out. Build a performance to bring the house down. Take the stage at our School of Arts and Entertainment.

**YOU HAVE TALENT.
WE'LL PUT IT TO WORK.**

BUSINESS, MANAGEMENT AND ADMINISTRATION

Lead a team. Build a strategy. Make decisions that matter to your business. Our business program is the most popular among our students, because it's constantly growing and filled with endless opportunities. Set yourself apart with a degree that gives you in-depth understanding of the business world and the confidence to keep moving it forward.

YOU'RE A DECISION MAKER. WE GIVE YOU OPTIONS.

// SPOTLIGHT //

BACHELOR OF APPLIED SCIENCE IN BUSINESS AND ORGANIZATIONAL LEADERSHIP

Prepare for a supervisory or management role. This program will provide you with opportunities for professional growth, advancement and could increase your potential earnings. Learn the essential skills necessary for developing an effective business plan and gain hands-on experience using the current best practices in the industry.

DEGREES AND PROGRAMS:

Associate in Arts (A.A.)

- Pre-Major in Business Administration
- Pre-Major in Logistics Management
- Transfer Plan in Accounting
- Transfer Plan in Economics
- Transfer Plan in Human Resources Management

Associate in Science (A.S.)

- Accounting Technology
- Business Administration
- Medical Administration
- Office Administration
- Residential Property Management
- Supervision and Management for Industry

Bachelor of Applied Science (B.A.S.)

- Business and Organizational Leadership

CERTIFICATE PROGRAMS:

- Accounting Applications
- Accounting Operations
- Accounting Specialist
- Business Management
- Business Operations
- Business Specialist
- Customer Service Management
- Customer Service Operations
- Customer Service Specialist
- Entrepreneurship
- Human Resources Management
- Human Resources Operations
- Human Resources Specialist
- International Business Specialist
- Medical Office Management
- Medical Office Specialist
- Medical Office Support
- Office Management
- Office Specialist
- Office Support
- Operations Support and Services
- Real Estate Specialist
- Social Entrepreneurship Specialist

YOU HAVE A STORY TO TELL. WE GET THE MESSAGE.

COMMUNICATIONS

You talk. People listen. Learn how to bring important conversations to a mass audience—from editorial reporting to ad writing or sign language to public relations. You can tailor your studies toward your intended university major with a variety of electives in journalism, English, mass communications and more.

DEGREES AND PROGRAMS:

Associate in Arts (A.A.)

- Transfer Plan in Journalism
- Transfer Plan in English
- Pre-Major Sign Language Interpretation
- Transfer Plan in Public Relations/Organizational Communications

Associate in Science (A.S.)

- New Media Communication

CERTIFICATE PROGRAM:

- Social Media Communication Support Specialist

// SPOTLIGHT //

SIGN LANGUAGE INTERPRETATION

A career in sign language interpretation is not limited to working in a school, a courtroom or other government agency. There is increased demand for interpreters in theme parks, sporting events, theater performances and concerts.

YOU LIVE TO TEACH. WE HAVE MUCH IN COMMON.

EDUCATION

We share your passion. For teaching. For learning. For leading a class. At Valencia College, you'll gain in-class experience and learn alongside professional educators. We'll help you succeed with students and excel in Florida Educator Accomplished Practices, Sunshine State Standards and the Professional Educator Competencies.

DEGREES AND PROGRAMS:

Associate in Arts (A.A.)

- Pre-Major in Early Childhood Education
- Pre-Major in Elementary Education
- Pre-Major in Physical Education
- Pre-Major in Secondary Education

CERTIFICATE PROGRAM:

- Educator Preparation Institute

// SPOTLIGHT //

FLORIDA TEACHERS IN DEMAND

Florida has the fourth largest school system in the nation and typically hires more teachers than other states. The Florida Department of Education confirms a need for teachers in reading, mathematics, science, foreign languages and English for speakers of other languages.

META-MAJOR:
**SCIENCE, TECHNOLOGY,
ENGINEERING AND
MATHEMATICS**

ENGINEERING, COMPUTER PROGRAMMING AND TECHNOLOGY

Bring your ingenuity. Build your ability. Become an asset. Companies are in need of the problem-solving skills we teach. You'll learn to bring concepts to completion. Build houses, websites, mobile apps, laser systems or computer networks. Or, see where our bachelor's in electrical and computer engineering technology can take you. Learn in advanced labs with the latest gear from tech industry experts.

YOU MAKE THINGS WORK. WE'LL MAKE IT A CAREER.

// SPOTLIGHT //

BACHELOR OF SCIENCE IN ELECTRICAL AND COMPUTER ENGINEERING TECHNOLOGY

Developed in partnership with engineering executives, this program allows you to work with the same state-of-the-art equipment found in the research and development departments of major companies. That way, you can meet industry demands and employer expectations by the time you graduate.

DEGREES AND PROGRAMS:

Associate in Arts (A.A.)

- Pre-Major in Architecture
- Pre-Major in Computer Science
- Pre-Major in Engineering
- Pre-Major in Information Technology
- Transfer Plan in Information Technology

Associate in Science (A.S.)

- Computer Information Technology
- Computer Programming and Analysis
- Construction and Civil Engineering Technology
- Drafting and Design Technology
- Electronics Engineering Technology
- Energy Management and Controls Technology
- Network Engineering Technology

Bachelor of Science (B.S.)

- Electrical and Computer Engineering Technology

CERTIFICATE PROGRAMS:

- Advanced Electronics Technician
- Basic Electronics Technician
- Cloud Computing Architecture
- Construction Specialist
- Computer Information Data Specialist
- Computer Information Technology Analyst
- Computer Information Technology Specialist
- Computer Programming
- Computer Programming Specialist
- Cyber Security
- Digital Forensics
- Drafting - Architectural, Mechanical or Surveying
- Drafting - Auto CAD
- Field Survey Technician
- Laser and Photonics Technician
- Linux Enterprise Server Administration
- Mobile Devices and Cloud Computing
- Network Administration
- Network Infrastructure
- Network Support
- Rapid Prototyping Specialist (3-D printing)
- Robotics and Mechatronics Technician

ACCELERATED SKILLS TRAINING:

- Advanced Manufacturing
- Construction
- Transportation Logistics

YOU WANT TO HELP. WE'LL LEND A HAND.

HEALTH SCIENCES

The world needs people like you. Nurses. Radiologists. EMTs. Scientists and researchers. Healers of the human condition. Few professions match the importance or reward of a job in health care. Our health sciences programs will give you the skills and confidence to answer the call when others need help.

// SPOTLIGHT // Three Health Sciences Bachelor's Degrees:

Nursing

Designed for nurses and health care professionals who are interested in furthering their education and increasing their potential for career achievement. This online program, with the exception of one face-to-face clinical, is convenient for students who are currently working.

Cardiopulmonary Sciences

A field expected to grow nearly 25 percent in the next four years, pulmonary therapy and cardiovascular therapist jobs allow you to help those with heart and lung disease.

Radiologic and Imaging Sciences

Provides imaging professionals with the knowledge and skills needed to advance within the imaging field, including leadership positions.

DEGREES AND PROGRAMS:

Associate in Arts (A.A.)

- Pre-Major in Health Sciences
- Transfer Plan in Health Services Administration
- Transfer Plan in Nutrition and Dietetics

Associate in Science (A.S.)

- Biotechnology Laboratory Sciences
- Cardiovascular Technology
- Dental Hygiene
- Diagnostic Medical Sonography
- Emergency Medical Services Technology
- Health Information Technology
- Nursing Traditional Track
- Nursing, Accelerated Track
- Radiography
- Respiratory Care
- Veterinary Technology

Bachelor of Science (B.S.)

- Cardiopulmonary Sciences
- Nursing
- Radiologic and Imaging Sciences

CERTIFICATE PROGRAMS:

- Biotechnology Laboratory Specialist
- Emergency Medical Technology (EMT)
- Medical Information Coder/Biller
- Paramedic Technology

Advanced Technical Certificate (ATC)

- Computed Tomography
- Echocardiography
- Leadership in Healthcare
- Magnetic Resonance Imaging (MRI)
- Mammography
- Vascular Sonography

ACCELERATED SKILLS TRAINING:

- Clinical Medical Assistant

META-MAJOR:
**SCIENCE,
TECHNOLOGY,
ENGINEERING
AND MATH**

PLANT SCIENCE AND HORTICULTURE

Design the outdoors. Nurture a nursery. Manage company growth. Learn to design, construct and manage entire landscapes for parks, resorts, communities and beyond. Or, study in-depth nursery and greenhouse operations. Either path gets you into one of the fastest-growing industries in the Sunshine State.

YOU THINK GREEN. WE KNOW THE LANDSCAPE.

DEGREES AND PROGRAMS:

Associate in Arts (A.A.)

- Pre-Major in Architecture
- Pre-Major in Environmental Studies
- Transfer Plan in Horticulture Science

Associate in Science (A.S.)

- Plant Science and Agricultural Technology

CERTIFICATE PROGRAMS:

- Plant Science Professional
- Plant Science Specialist
- Plant Science Technician

Specializations

- Landscape
- Horticulture
- Sustainable Agriculture

// SPOTLIGHT //

GROWING COMMUNITY

The horticulture department created a garden for the Edgewood Children's Ranch—a home for foster children and troubled youth. Students gained an understanding of sustainability in agriculture while the children learned about the value of teamwork and self-sufficiency.

**YOU WANT TO SUCCEED.
WE HAVE THE RECIPE.**

HOSPITALITY AND CULINARY

Cook or book. Plan menus or events. We'll prepare you for the energetic pace of being a chef, hotelier, restaurant manager or tourism pro. As the epicenter of hospitality, Orlando has a world of opportunities available. Our programs will give you the tools to take them on, with experiential internships, a commercial-sized instructional kitchen, dynamic point-of-sale system and a resort simulation lab. We're heading downtown. Beginning fall 2019, our hospitality and culinary programs will be relocating to the new Downtown Campus.

DEGREES AND PROGRAMS:

Associate in Science (A.S.)

- Baking and Pastry Management
- Culinary Management
- Hospitality and Tourism Management
- Restaurant and Food Service Management

CERTIFICATE PROGRAMS:

- Baking and Pastry Arts
- Chef's Apprentice
- Culinary Arts
- Culinary Arts Management Operations
- Hospitality - Event Planning Management
- Hospitality - Guest Services Specialist
- Hospitality - Rooms Division Management
- Restaurant and Food Service Management

META-MAJOR:
**SCIENCE, TECHNOLOGY,
ENGINEERING AND
MATHEMATICS**

**YOU SPEAK THE LANGUAGE.
WE ADD TO YOUR
VOCABULARY.**

INFORMATION TECHNOLOGY

Ones. Zeros. LAN. WAN. Bits and bytes. Today's businesses thrive on information technology. Our IT degree programs help you become fluent while putting your tech prowess to good use. Learn from professionals who live and breathe binary code. Find paths in technical support, website maintenance, system optimization and security.

DEGREES AND PROGRAMS:

Associate in Arts (A.A.)

- Pre-Major in Information Technology
- Transfer Plan Computer Science
- Transfer Plan Information Technology
- Transfer Plan in Management Information Systems

Associate in Science (A.S.)

- Computer Information Technology
- Computer Programming and Analysis
- Network Engineering Technology

CERTIFICATE PROGRAMS:

- Cloud Computing Architecture
- Computer Information Data Specialist
- Computer Information Technology Analyst
- Computer Information Technology Specialist
- Computer Programming
- Computer Programming Specialist
- Cyber Security
- Digital Forensics
- Linux Enterprise Server Administration
- Mobile Devices and Cloud Computing
- Network Administration
- Network Infrastructure
- Network Support

YOU MAKE A DIFFERENCE. WE CAN RELATE.

LAW, PUBLIC SAFETY AND SECURITY

To serve. To protect. To stand for what is just and fair. Your integrity is the perfect fit to our instruction. Learn the skills to lead in law enforcement or firefighting through our state-recognized criminal justice and fire institutes at Valencia College's School of Public Safety. Or make your mark in the legal system with a paralegal degree.

DEGREES AND PROGRAMS:

Associate in Arts (A.A.)

- Pre-Major in Criminal Justice
- Transfer Plan in Public Administration

Associate in Science (A.S.)

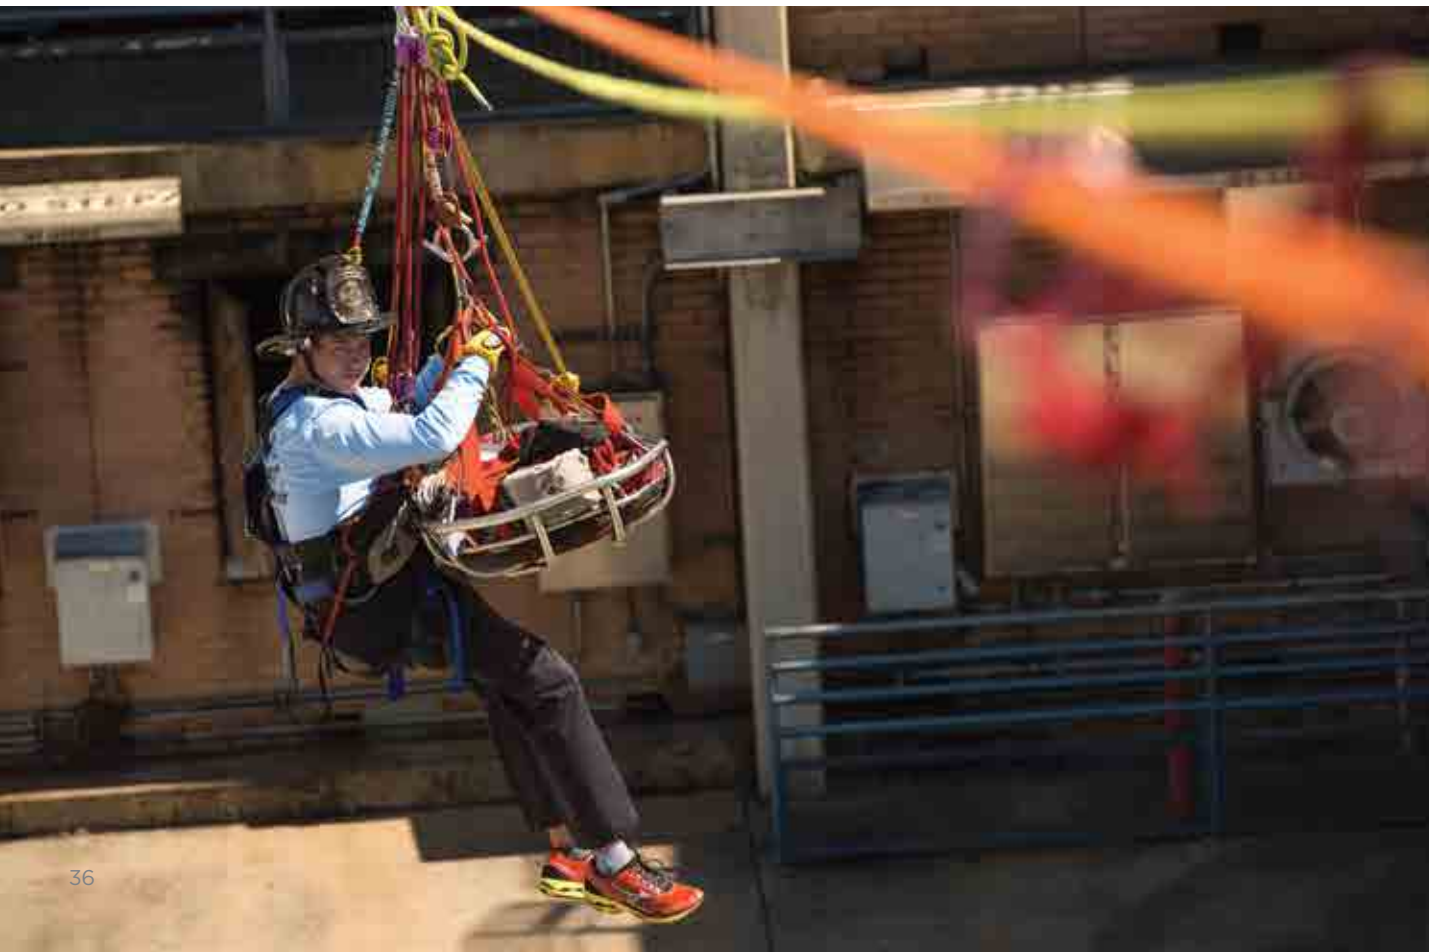

- Criminal Justice
- Criminal Justice – Experiential Learning Program
- Criminal Justice – Law Enforcement Academy Track
- Fire Science – Academy Track
- Fire Science Technology
- Paralegal Studies (Business Meta-Major)

CERTIFICATE PROGRAMS:

- Auxiliary Law Enforcement Officer
- Correctional Officer
- Criminal Justice Technology Specialist
- Crossover: Corrections to Law Enforcement
- Fire Officer Supervisor
- Fire Fighter/EMT Combined Program
- Fire Fighter - Minimum Standards
- Homeland Security Specialist
- Homeland Security – Law Enforcement Specialist
- Hospitality Security Specialist
- Law Enforcement Officer

ACCELERATED SKILLS TRAINING:

- 911 Telecommunications
- Private Security

META-MAJOR:
**SCIENCE, TECHNOLOGY,
ENGINEERING AND
MATHEMATICS**

SCIENCE AND MATHEMATICS

Numbers. Proofs. Equations and expressions. Put your passion to work. Today's top companies in health, energy and finance are constantly recruiting graduates of science and mathematics. Our programs prepare you for a high paying job as a mathematician, biologist, chemist, researcher and more.

DEGREES AND PROGRAMS:

Associate in Arts (A.A.)

- Pre-Major in Biomedical Sciences
- Transfer Plan in Biology
- Transfer Plan in Biomedical Sciences
- Transfer Plan in Chemistry
- Transfer Plan in Food Science
- Transfer Plan in Marine Biology
- Transfer Plan in Mathematics
- Transfer Plan in Statistics

Associate in Science (A.S.)

- Biotechnology Laboratory Sciences

YOU LOVE SOLUTIONS. WE HAVE CHEMISTRY.

META-MAJOR:
**SOCIAL AND
BEHAVIORAL SCIENCES
AND HUMAN SERVICES**

SOCIAL SCIENCES

Culture. Philosophy. Past societies. Political futures. Gain a greater understanding of our world, the events that shaped it and what's destined to repeat itself. Coursework emphasizes open class discussions, critical reading and writing assignments, and independent thinking.

DEGREES AND PROGRAMS:

Associate in Arts (A.A.)

- Pre-Major in Psychology
- Transfer Plan in History
- Transfer Plan in Political Science
- Transfer Plan in Social Sciences
- Transfer Plan in Sociology

HISTORY IS YOUR PASSION. WE'LL GIVE IT A FUTURE.

TAKE THE NEXT STEP. THERE'S ONLY SIX. OK, MAYBE WE COMBINED A COUPLE.

- 1 Apply for admission and financial aid.
- 2 Create your Atlas account.
- 3 Complete Part 1: Online Orientation and attend Part 2: On-Campus Orientation.
- 4 Register for your courses and pay tuition.
- 5 Get your ID and parking decal.
- 6 Get books and go to class.

If you're ready to get started, check out our step-by-step guide that walks you through the entire admissions process—from submitting your application through your first day of classes: valenciacollege.edu/enroll

Our Enrollment Services team can help with financial aid, assessment, transcripts, residency and more. Contact us at: **407-582-1507**

If you're interested in enrolling in certification and continuing education programs, reach out to the Client Service Center at: **407-582-6688**

THIS BROCHURE WON'T MAKE YOU APPLY. ONLY YOUR AMBITION WILL.

It takes more than a brochure to choose a college.
It takes a feeling. One you can get when you visit us.
Come by. Say hello. Check us out. If you already have
the feeling, then you're on a good path. To learn more,
contact Enrollment Services at 407-582-1507, or go to
valenciacollege.edu/futurestudents to apply or visit us.

Valencia College provides equal opportunity for educational opportunities and employment to all. Contact the Office of Human Resources and Diversity for information.
