ASSOCIATE IN SCIENCE Including Articulated A.S. to B.A./B.S. Career Paths

The college's A.S. degree programs are career focused. They are all geared toward exciting industries, and are developed under the guidance of top business and industry employers who know the skills you need to succeed in the real world.

Accounting Technology
Administrative Office Management
Baking and Pastry Management
Business Administration
(Articulated A.S. to B.A./B.S. Career Path)

- Finance Specialization
- Human Resources Management Specialization
- International Business Specialization
- Management Specialization
- Marketing Specialization
- Real Estate Management Specialization
- Small Business Management Specialization

Computer Aided Drafting and Design
Computer Information Technology
Computer Programming and Analysis
Construction and Civil Engineering Technology

- Construction Management Specialization
- Civil/Surveying Engineering Specialization

Criminal Justice (Articulated A.S. to B.S. Career Path)

- Homeland Security Specialization

Culinary Management
Digital Media Technology

- Motion Graphics Specialization
- Video Production Specialization
- Web Development Specialization

Electrical and Computer Engineering Technology

- Electronics Specialization
- Laser and Photonics Specialization
- Robotics and Mechatronics Specialization
- Career Path to Valencia College B.S. Degree in Electrical and Computer Engineering

Energy Management and Controls Technology
Engineering Technology
Film Production Technology
Fire Science Technology
Graphic and Interactive Design

- Graphic Design Specialization
- Interactive Design Specialization

Health Sciences

- Biotechnology Laboratory Sciences
- Cardiovascular Technology
- Dental Hygiene
- Diagnostic Medical Sonography
- Emergency Medical Services Technology
- Health Information Technology
- Radiography
- Respiratory Care

Hospitality and Tourism Management
(A.S. Degree and Articulated A.S. to B.S. Career Path)

- Bar and Beverage Management Specialization (A.S. to B.S.)
- Event Planning and Management Specialization (A.S. to B.S.)
- Hotel Operations and Management Specialization (A.S. to B.S.)
- Restaurant and Food Service Management Specialization (A.S. to B.S.)
- Bar and Beverage Management Specialization
- Event Planning and Management Specialization
- Hotel Operations and Management Specialization
- Restaurant and Food Service Management Specialization

Live Entertainment Design and Production

- Audio Visual Event Production Specialization
- Live Show Production Specialization
- Production Design Specialization

Medical Administration

- Medical Front Office
- Medical Transcription

Cybersecurity & Network Engineering Technology

- Cloud Infrastructure Security Specialization
- Cyber Forensics Specialization
- Cyber Security Specialization

New Media Communication

- Integrated Social Media Strategy
- Mobile Journalism Specialization

Nursing, Traditional Track
Paralegal Studies

- Litigation Specialization
- Transactional Specialization

Plant Science and Agricultural Technology

- Horticulture Specialization
- Landscape Specialization
- Sustainable Agriculture Specialization

Property Management
Sound and Music Technology

- Audio Engineering Technology Specialization (Articulated to Electrical and Computer Engineering Technology B.S. degree)
- Audio and Music Business Management Specialization
- Music Production Specialization
- Sound Production Specialization

BACHELOR OF SCIENCE Including B.S. and B.A.S.

Business and Organizational Leadership (BASBOL)
Computer Technology and Software Development
Electrical and Computer Engineering Technology
