When you first come to Valencia College, you may be required to take a placement test. If you haven't submitted your official **SAT, ACT** or high school Postsecondary Education Readiness Test (PERT), taken within the last two years, we recommend taking the PERT so you can have access to as many classes as possible during your first term. If you have questions about the PERT, please contact us at [assessment@valenciacollege.edu](mailto:assessment@valenciacollege.edu).

## Complete

- ☐ Complete Orientation and connect with a Student Success Coach.

Wait 24 hours after creating your student portal account and then log in. Search "New Student Orientation" in MyVC and click Sign Up.

In order to register for classes, degree-seeking students must complete New Student Orientation.

New Student Orientation is where you'll learn important information about the college, our degree programs, course registration (which courses to take and how to register) and tips on how you can be successful at Valencia College. You will need your Valencia College student portal username and password to log into the online orientation. After you complete the online orientation, you will be able to connect with a Student Success Coach and register for your first semester classes.

## Register

- ☐ Register for classes by searching "Register" in MyVC and clicking Register for Classes.

## Review

- ☐ Review your account balance and pay your tuition if necessary.
